## Matthew 22 Studies:

Character Studies in the Gospel of Matthew Matthew Ryan Hauge, Craig Evan Anderson, 2024-02-08 This volume examines a multitude of characters in Matthew's gospel and provides an in depth look at the different approaches currently employed by scholars working with literary and reader oriented methods Beginning with an introduction on the properties of character and the several aspects involved in the creation of person the contributors provide a close reading of numerous characters and character types in the Gospel of Matthew Including Mary King Herod John the Baptist Jesus the Preacher Jesus the Teacher God the Father the Roman Centurion Peter Women Gentiles Scribes and Pharisees and Romans Such close studies aid the understanding of different issues in Matthean characterization while also charting the development of hermeneutical vistas that have developed in contemporary scholarship resulting in a collection of exegetical character studies that are self consciously working from a literary narrative critical reader oriented or related methodology *The Matthew Commentary Collection* Michael J. Wilkins, Grant R. Osborne, Scot McKnight, 2016-06-07 This all in one commentary bundle on the book of Matthew features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series Each volume provides new and unique insights from leading biblical scholars Michael Wilkins Grant Osborne and Scot McKnight The unique features from each volume along with the diverse insights provided by the authors gives you all the tools you need to study and master the book of Matthew Studies in Matthew's Gospel W.J.C. Weren, 2014-08-28 These Studies in Matthew's Gospel by Wim J C Weren are the result of scholarly work carried out using recent methods in Biblical exegesis such as structural analysis text semantics and intertextuality Part One presents a new proposal regarding the macrostructure of Matthew's Gospel and discusses meanings of textual units from this Gospel on the basis of synchronic research In Part Two intertextual theories are described and practical tools are developed that enable us to identify various types of relations between texts from Matthew's Gospel and co generic or co thematic textual units from the Hebrew Bible the Septuagint and early Jewish and early Christian writings Part Three answers the question to what extent the ways in which the disciples are portrayed in Matthew is related to real groups in the Matthean communities The three successive steps are deliberately chosen and are in a complementary relationship to each other *New Studies in Textual Interplay* B. J. Oropeza, Craig A. Evans, Paul T. Sloan, 2020-10-15 This volume features a body of work selected by Craig A Evans B J Oropeza and Paul T Sloan designed to examine just what is meant by intertextuality including metalepsis and the controversial and exciting approach known as mimesis Beginning with an introduction from Oropeza that orients readers in a complex and evolving field the contributors first establish the growing research surrounding the discipline before examining important texts and themes in the New Testament Gospels and epistles Throughout these essays critically evaluate new proposals relating to intertextuality and the function of ancient Scripture in the writings that eventually came to comprise the New Testament With points of analysis ranging from multidimensional

recontextualization and ancient Midrash in the age of intertextuality to Luke's Christology and multivalent biblical images this volume amasses cutting edge research on intertextuality and biblical exegesis      *Adult Bible Studies Winter 2022-2023 Teacher/Commentary Kit* Taylor W. Practice Rule of Life Unit 3 The Power of Love One of the distinct traits of biblical theology is the emphasis on God's hesed lovingkindness and Jesus selfless love In the early twentieth century a great deal of ink was spilled trying to distinguish agape love by which we become channels of God's love from philia a friendship in which reciprocity is important and eros a passionate sort of love Recent scholarship finds that Greek and biblical thought blurs the lines of agape and philia and finds a greater emphasis on relationships While we should enact our love without thoughts of personal gain the ultimate goal of loving our enemies is becoming their friend Scriptures 1 John 4 7 21 and Ruth 4 1 Kings 3 16 28 1 Samuel 18 1 4 19 1 7 20 Matthew 16 21 28 Spiritual Practice Spiritual Friendship Other Adult Bible Study components sold separately include Student Book Each week's Student Book lesson lists background Scripture features key verses provides reliable and relevant biblical explanation and application and more in a readable font size that is accessible to everyone Included to help students go deeper into the lessons are A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics Observation of the church seasons including Advent and Lent Suggestions for developing spiritual practices prayer confession worship mindfulness solitude community hospitality neighboring service and celebration No printed Scripture text allowing you to choose your own Bible translation DVD Video Does your group enjoy watching videos as a way to generate conversation around Bible studies Would your teacher or group facilitator appreciate having the support of video hosts in setting the stage for Bible lessons Then the Adult Bible Studies is just what you need Each DVD directly corresponding to the content in Adult Bible Studies features 13 5 minute video segments On each one of our three hosts will provide some context for the lesson and then tie that content to personal stories and daily living Your group can then connect more deeply with the material draw closer to God and discover ways to live out biblical teachings Visit [AdultBibleStudies.com](http://AdultBibleStudies.com) and sign up for the weekly newsletter to automatically receive the FREE Current Events Supplement and other information about these resources and more

Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
