**Testament of My Childhood** Robert de Roquebrune, 1964-12-15 Life in a Quebec manor house at the turn of the century is colourfully described in this biography of his childhood by Robert de Roquebrune Skillfully woven into the texture of reminiscences about his own growing up are absorbing accounts of the early history of Canada Through his ancestors whose careers and personalities live vividly in accounts preserved by the family there is a strong feeling for the continuity of life and traditions from the France of Louis XIII to what was to become of the province of Quebec This is the first time this classic of French Canada has been translated into English **New Readings of Yiddish Montreal - Traduire le Montréal**

**yiddish** Pierre Anctil, Norman Ravvin, Sherry Simon, 2007-06-30 The texts collected in this volume unveil the practice and the methods of the translators and scholars who contributed to the reemergence of Yiddish in contemporary Canada Each of the personalities discussed enlarged the historical position and interpreted various aspects of the Yiddish language in Montreal that until recently remained obscure or inaccessible Published in English Male Criminal Activity from Childhood Through Youth

Marc Le Blanc, Marcel Frechette, 2013-03-07 Male Criminal Activity From Childhood Through Youth reports the results of a large longitudinal study from 1972 to 1985 on a sample of delinquents and a comparison sample of the population in Montreal A clarification emerges from this extensive study how to describe criminal activity in a comprehensive theory of crime which integrates the offense offending and patterns of offending Using a developmental approach Drs Le Blanc and Frechette observed a gradation of crimes with subjects progressing through five distinct stages of offending In all the research investigates the factors that sustain the development of offending and the mechanisms which accelerate stabilize and decelerate the commission of crimes This book represents a significant advance in the understanding of the development of criminal activity Rienzi Edward Bulwer Lytton Baron Lytton, 1854 *Straight and Devious Pathways from Childhood to Adulthood*

Lemons gathers a diverse group of writers to discuss their scholarly and personal experiences with the womanist spirit of women of color feminisms Feminist and womanist identified educators students performers and poets model the powerful ways that crossing borders of race gender class sexuality and nation state affiliation expands one's existence At the same time they bear witness to how the self-liberating theory and practice of women of color feminism changes one's life Throughout the essayists come together to promote an unwavering vein of activist comradeship capable of building political alliances dedicated to liberty and social justice Contributors M. **The Places We Share** Susan Ossman, 2007-02-09 While some people study globalization others live their lives as global experiments This book brings together people who do both The authors or subjects of these studies are of diverse national religious and ethnic backgrounds What they have in common is a connection to Morocco It is from this shared space that they draw on personal stories fieldwork and literary and linguistic analysis to provide a critical socially reflexive response to the conceptions of culture identity and mobility that animate debates on migration and cosmopolitanism On the trail of the Bedouin or Europe's new nomads and of Zaccarias Moussaoui Places We Share explores the relationship of mobility to subjectivity and how physically moving can be a way of escaping the stigma of being an immigrant Reading Rushdie listening to Moroccan women converse in the UAE or examining how the experience of serial migration can shape comparative ethnography we become more aware of how moving pushes us up against the limits of global experience These limits must be recognized They can be positively embraced to develop new ways of conceiving of ourselves the world and our connections to others

**Novels** Edward Bulwer Lytton Baron Lytton, 1891

**Last Train from Berlin** W. T. Tyler, 2025-06-25 In novels such as The Ants of God and Rogue's March W T Tyler has earned a reputation as one of our very best authors Whether writing about dictators on the African bush the machinations of the Kremlin or the equally mystifying antics of Washington's officialdom Tyler views our global and national affairs with irony pitch perfect realism and mordant insight in to the hubris and folly of great and lesser men alike In the Last Train from Berlin Tyler weaves together the tragedies of two men's lives one American one Russian to produce what may be the most powerful indictment of and most searching elegy to the tragic waste of the four decade long Cold War When Frank Dudley a longtime Agency man languishing in the twilight of his career vanishes without a trace a junior officer Kevin Corkey new to the CIA and unsure he belongs there among the policy mandarins and black ops cowboys is assigned the case Has the missing man met with foul play Or has Dudley a disgruntled member of the old school and the subject of polite contempt though still a man who knows where a great many skeletons lie buried hatched a scheme for revenge against those who have passed him by The answer one young Corkey and the reader will learn only at the end of this gripping tale is as profound complex and tragic as the history of the covert war between our century's two greatest superpowers Treating issues of fidelity and betrayal exile and alienation Last Train from Berlin is a memorable achievement
