

Montreal The Days That Are No More

John Harrison Surratt

Montreal The Days That Are No More:

The Wearing of the Green Mike Cronin, Daryl Adair, 2004-11-23 The full history of St Patrick's day is captured here for the first time in *The Wearing of the Green* Illustrated with photos the book spans the medieval origins steeped in folklore and myth through its turbulent and troubled times when it acted as fuel for fierce political argument and tells the fascinating story of how the celebration of 17th March was transformed from a stuffy dinner for Ireland's elite to one of the world's most public festivals Looking at more general Irish traditions and Irish communities throughout the world Mike Cronin and Daryl Adair follow the history of this widely celebrated event examining how the day has been exploited both politically and commercially and they explore the shared heritage of the Irish through the development of this unique patriotic holiday Highly informative for students of history cultural studies and sociology and an absolute delight for anyone interested in the fascinating and unique culture of Ireland

A History of the Scheectady Patent in the Dutch and English Times beint Contributions Toward a History of the Lower Mohawk Valley Jonathan Pearson, 2025-07-23 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
