Moral Development Bonnidell Clouse,1985 *Psychology in Christian Perspective* Harold Faw,1995-06-01 This book follows the standard progression of introductory psychology texts and adds a Christian perspective that contributes needed diversity to the study of the mind and behavior Topics range from ESP to moral development Each chapter provides an introduction and overview of a given theme a discussion of issues an exploration of how psychological and biblical perspectives might be complementary and a recap with suggested readings *Interactional Morality* Mark L. Poorman,1993 Poorman brings together ethics and pastoral practice in an interactional model that captures the distinctive character of Christian pastoral counseling His work is especially important in a culture that often confuses pastoral counseling with therapy It also challenges traditional notions which portray the pastoral minister as an instructor who dispenses the church s moral teaching Poorman distinguishes the pastoral task from that of therapist or teacher while drawing on the best resources of contemporary psychology and moral development theories he brings moral theology into lively conversation with pastoral experience at the same time his clear presentation brings a critical method of moral discernment to Christian ministry which is rooted in faith and the wisdom of the community *Postconventional Moral Thinking* James R. Rest,Darcia Narv ez,Stephen J. Thoma,Muriel J. Bebeau,1999-04 This book summarizes the body of work on Rest s Defining Issues Test culminating in a reformulation of Kohlberg s theory of moral development For developmentalists philosophers and educators
