More Florida Stories:

More Florida Stories Kevin M. McCarthy, 1996 This companion volume to the popular Florida Stories offers readers another sampling from the rich heritage of Florida short fiction The collection ranges across a gallery of original characters and 150 years of the state's history and culture Selections in this volume highlight distinctively Floridian settings and experiences from W B Thompson's report of the Indian assault on the Cape Florida Lighthouse during the Second Seminole War to Padgett Powell's tale of the backroads personalities and attractions of present day Florida [A River in Flood, and Other Florida Stories](#) Marjory Stoneman Douglas, Kevin M. McCarthy, 1998 About Nine Florida Stories by Marjory Stoneman Douglas Written as entertainment for a mass market crammed with colorful characters vivid incidents and palpable atmosphere A reminder of a Florida gone by or fast disappearing Orlando Sentinel Reflects the same concerns found in her better known non fiction work a fascination with the beauty of Florida and a warning against its imminent destruction Tallahassee Democrat In the pantheon of Florida writers Marjory Stoneman Douglas 1890 1998 is cherished as the grande dame Famous as the author of The Everglades River of Grass prolific as a writer and passionate as an environmental crusader for almost a century she became the nation's best link to a remarkable era in Florida history The timeless themes of her stories in this new collection resonate with interest for readers today Whether the subject is hurricanes cockfighting real estate deals struggling immigrants or corruption in the Everglades Douglas wrote about it with distinction and usually first Originally published in the Saturday Evening Post during the 1920s and 1930s the golden age of the short story these nine works have never before been collected or available in one place Kevin M McCarthy who edited the companion volume Nine Florida Stories by Marjory Stoneman Douglas offers an introduction to each story explaining its significance setting unusual references place in Douglas's works and significance to the history of South Florida Kevin M McCarthy professor of English and Florida studies at the University of Florida is the author or editor of nineteen other books including Florida Lighthouses Florida Stories and More Florida Stories published by the University Press of Florida The stories At Home on the Marcel Waves Solid Mahogany Goodness Gracious Agnes A River in Flood The Mayor of Flamingo Stepmother You Got to Go But You Don't Have to Come Back High Goal Man Wind Before Morning *Florida's Ghostly Legends and Haunted Folklore* Greg Jenkins, 2013-03-01 From ancient graveyards and monuments to modern restaurants and hotels this book offers a delightful collection of uncanny legends and eerie folklore about Florida's beautiful west coast Walk through the picturesque city of Pensacola in Florida's Panhandle where the spirits of the dead are beckoned by an eerie lighthouse shining through the night or stroll through Pensacola's Seville Quarter where you may spot the specter of a long dead bartender Visit the Island Hotel and Restaurant in Cedar Key where thirteen spirits are said to roam the building Venture again into the unknown with Greg Jenkins who will guide you through some of Florida's most frightening haunted locations Prepare yourself for the spine chilling and uncanny tales of specters and ghosts that inhabit Haunted Florida See all of the books in this series

Florida's Unsolved Mysteries (& Their "Solutions") Carole Marsh,1994 Our Land Before We Die Jeff

Guinn,2005-01-13 In Our Land Before We Die Jeff Guinn traces the little known history of the runaway slaves who fled to the Florida Everglades to live alongside the Seminole Indians Deeply rooted in tribal oral history and based on extensive interviews with descendants this book describes the incredible circumstances of a people who sought shelter in the shadow of a tribe whose land and welfare already hung in the balance And yet in their tireless journey from Florida to Indian Territory in Oklahoma on the seven hundred mile flight from persecution that took them across the Rio Grande into Mexico and then back across the Rio Grande to Texas they never surrendered the hope of one day attaining land of their own Our Land Before We Die brings to life the largely forgotten history of a courageous people and the descendants for whom this story is their only legacy **Patch, the Pirate Dog: a Florida Pet Story** Carole Marsh,1992 The Vanishing Newspaper

[2nd Ed] Philip Meyer,2009-09 In this edition Meyer's analysis of the correlation between newspaper quality and profitability is updated and applied to recent developments in the newspaper industry Meyer argues that understanding the relationship between quality and profit is central to sustaining journalistic excellence and preserving journalism's unique social functions Provided by the publisher **Florida's Snowbirds** Godefroy Desrosiers-Lauzon,2011-09-01 Developing numerous themes

including leisure state promoted tourism citizenship and business investment Godefroy Desrosiers Lauzon considers advertisements movies policymakers and the behaviour of snowbirds in Florida to provide the most thorough study of the vacation state to date He also looks at the temporary communities of Canadians Qu'becois New Englanders and Mid Westerners that develop showing how they blur the lines that usually divide national and regional identities and youth and age An insightful work full of amusing details Florida's Snowbirds pieces together a complete cultural atlas of Florida Snowbirds that goes far beyond the familiar postcards they send home **Constance Fenimore Woolson** Anne Boyd

Rioux,2016-02-18 Biography at its best aims at resurrection Anne Boyd Rioux has brought the novelist Constance Fenimore Woolson back to life for us Hurrah Robert D Richardson author of the Bancroft Prize winning William James In the Maelstrom of American Modernism Constance Fenimore Woolson 1840 1894 who contributed to Henry James's conception of his heroine Isabelle Archer in The Portrait of a Lady was one of the most accomplished American writers of the nineteenth century Yet today the best known and most misunderstood facts of her life are her relationship with James and her probable suicide in Venice This first full length biography of Woolson provides a fuller picture that reaffirms her literary stature Uncovering new sources Anne Boyd Rioux evokes Woolson's dramatic life She was a grand niece of James Fenimore Cooper and was born in New Hampshire but her family's ill fortunes drove them west to Cleveland Raised to be a conventional woman Woolson was nonetheless thrust by her father's death into the role of breadwinner and yet as a writer she reached for critical as much as monetary reward Known for her powerfully realistic and empathetic portraits of post Civil War American life Woolson created compelling and subtle portrayals of the rural Midwest Reconstruction era South and the formerly

Spanish Florida to which she traveled with her invalid mother After her mother's death Woolson with help from her sister moved to Europe where expenses were lower living mostly in England and Italy and spending several months in Egypt While abroad she wrote finely crafted foreign set stories that presage Edith Wharton's work of the next generation In this rich biography Rioux reveals an exceptionally gifted and committed artist who pursued and received serious recognition despite the difficulties faced by female authors of her day Throughout Rioux goes deep into Woolson's character her fight against depression her sources for writing and her intimate friendships including with Henry James painting an engrossing portrait of a woman and writer who deserves to be more widely known today [Presidential Swing States](#) David A Schultz,Rafael Jacob,2018-06-20 In this new and updated volume the contributors examine the phenomena of presidential swing states in the 2016 presidential election They explore the reasons why some states and now counties are the focus of candidate attention are capable of voting for either of the major candidates and are decisive in determining who wins the presidency

In God's Hands: The Story of a Man on a Boat in the Storm Sherridean Abddeen,2025-08-24 When a catastrophic hurricane barrels toward the coast of Florida thousands of residents scramble to evacuate seeking safety in shelters far inland But one man makes an unconventional decision he chooses to stay on his boat anchored in the bay trusting that his faith in God and the rising tide will carry him through the storm As the winds howl and the floodwaters rise he holds firm to the belief that the safest place to be is on the water not on land Inspired by the biblical story of Noah the man faces nature's wrath with unwavering faith convinced that the storm like the flood in the Bible is something to rise above rather than run from In God's Hands is a gripping tale of faith resilience and survival in the face of overwhelming odds It explores the power of trust both in oneself and in a higher power amid life's greatest storms Through this extraordinary journey the man learns that sometimes the greatest tests are not about avoiding danger but about surrendering to something greater and believing that in the end you are exactly where you're meant to be [News Media Coverage of Environmental Challenges in Latin America and the Caribbean](#) Bruno Takahashi,Juliet Pinto,Manuel Chavez,Mercedes Vigón,2018-09-11 This edited collection provides a unique survey of the ways in which news media organizations across Latin America and the Caribbean cover

global regional and local environmental issues and challenges There is growing recognition within academia governments industries NGOs and civil society about the importance of strategic communication and the news media in informing current societal and policy discussions about environmental issues With this in mind this volume explores the content of reporting as well as the structural and individual contests faced by media organizations and journalists with a focus on the very unique political social cultural and environmental conditions that affect the countries individually The book provides a survey of the most relevant and current environmental issues that have attracted public attention across the region and within countries in Latin America and the Caribbean in the first part of the 21st century This volume will be of interest to students instructors and researchers interested in Latin America and the Caribbean media and the environment *Florida's Past* Gene

Burnett,1996-06 Virtually every month for fourteen years Gene Burnett wrote a history piece under the title Florida's Past for Florida Trend Florida's respected magazine of business and finance This first volume of collected essays from that series proved so popular among book readers that two more volumes have been published Pineapple Press is now proud to make them available in paperback Burnett's easygoing style and his sometimes surprising choice of topics make history good reading Each volume divides Florida's people and events into Achievers and Pioneers Villains and Characters Heroes and Heroines War and Peace and Calamities and Social Turbulence Read a chapter and you'll find you've gone on to read more Read this volume and you'll find yourself looking for the next two Next in series See all of the books in this series **The**

National Magazine,1925 **Backstory** Ken Auletta,2004-12-28 It is said that journalism is a vital public service as well as a business but more and more it is also said that big media consolidation noisy instant opinions on cable and the Internet and political bias are making a mockery of such high minded ideals In Backstory Ken Auletta explores why one of America's most important industries is also among its most troubled He travels from the proud New York Times the last outpost of old school family ownership whose own personnel problems make headline news into the depths of New York City's brutal tabloid wars and out across the country to journalism's new wave chains like the Chicago Tribune's where synergy is ever more a mantra He probes the moral ambiguity of media personalities journalists who become celebrities themselves padding their incomes by schmoozing with Imus and rounding the lucrative corporate lecture circuit He reckons with the legacy of journalism's past and the different prospects for its future from fallen stars of new media such as Inside.com to the rising star of cable news Roger Ailes's Fox News The product of more than ten years covering the news media for The New Yorker Backstory is Journalism 101 by the course's master teacher **New York Magazine**,1991-05-13 New York magazine was born in 1968

after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Story Logic** David Herman,2004-01-01 Featuring a

major synthesis and critique of interdisciplinary narrative theory Story Logic marks a watershed moment in the study of narrative David Herman argues that narrative is simultaneously a cognitive style a discourse genre and a resource for writing Because stories are strategies that help humans make sense of their world narratives not only have a logic but also are a logic in their own right providing an irreplaceable resource for structuring and comprehending experience Story Logic brings together and pointedly examines key concepts of narrative in literary criticism linguistics and cognitive science supplementing them with a battery of additional concepts that enable many different kinds of narratives to be analyzed and understood By thoroughly tracing and synthesizing the development of different strands of narrative theory and provocatively critiquing what narratives are and how they work Story Logic provides a powerful interpretive tool kit that broadens the applicability of narrative theory to more complex forms of stories however and wherever they appear Story Logic offers a fresh and incisive way to appreciate more fully the power and significance of narratives **Disability**

Alliances and Allies Allison C. Carey,Joan M. Ostrove,Tara Fannon,2020-11-09 For its breadth and depth of research Disability Alliances and Allies Opportunities and Challenges is essential reading for researchers and students across the social sciences interested in disability social movements activism and identity [Handbook of Public Information Systems](#) Judith Graham,Alison Kelly,2010-03-10 Delivering IT projects on time and within budget while maintaining privacy security and accountability remains one of the major public challenges of our time In the four short years since the publication of the second edition of the Handbook of Public Information Systems the field of public information systems has continued to evolve This ev

More Florida Stories Introduction

In today's digital age, the availability of More Florida Stories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of More Florida Stories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of More Florida Stories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing More Florida Stories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, More Florida Stories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing More Florida Stories books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for More Florida Stories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, More Florida Stories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of More Florida Stories books and manuals for download and embark on your journey of knowledge?
