## **New Essays In The Legal And Political Theory Of Property:**

**New Essays in the Legal and Political Theory of Property** Stephen R. Munzer, 2001-06-18 This collection of essays examines central issues of property theory from a variety of perspectives

Property and Practical Reason Adam J. MacLeod, 2015-04-30 Property and Practical Reason makes a moral argument for common law property institutions and norms and challenges the prevailing dichotomy between individual rights and state interests and its assumption that individual preferences and the good of communities must be in conflict One can understand competing intuitions about private property rights by considering how private property enables owners and their collaborators to exercise practical reason consistent with the requirements of reason and thereby to become practically reasonable agents of deliberation and choice who promote various aspects of the common good The plural and mediated domains of property ownership though imperfect have moral benefits for all members of the community They enable communities and institutions of private ordering to pursue plural and incommensurable good ends while specifying the boundaries of property rights consistent with basic moral requirements

*What's Wrong with Copying?* Abraham Drassinower, 2015-04-09 Abraham Drassinower presents a new way to balance the needs of creators and users of authored works Disentangling copyright theory from its focus on the economic value of a work as a commodity he views a work instead as a communicative act Infringement according to this perspective is an unauthorized appropriation of another's speech

Trade Secrets Legal Protection Luc Desautettes-Barbero, 2023-06-10 Despite the economic relevance of trade secrets their legal protection is not based on a robust theoretical corpus and a large uncertainty remains regarding how they should be legally apprehended The present book investigates the foundations of their legal protection by assessing its justifications and aims to define how this legal apprehension should be organized The book starts with a comparative analysis of the US and the EU legal frameworks It demonstrates the parentship existing between the two systems of protection and highlights that the incremental structuring of trade secrets protection has led to legal systems lacking broad based conceptual foundations In both legal orders trade secrets rely on blurred protection formally anchored in unfair competition the strength of which however comes closer to that offered by intellectual property law In this convoluted architecture the judiciary is required to play a decisive role especially at the enforcement stage However the absence of clarity concerning the telos of trade secrets protection leads to legal uncertainty potentially incoherent enforcement and all in all to inefficient outcomes from a welfare perspective The book then explores a theoretical framework based on a distinction between two legal objects the undertakings secret sphere and secret pieces of information Securing the undertakings secret sphere appears as a condition for the competition process to happen in an economy working under structural uncertainty It requires objective regulations enforced by public authorities On the other hand the legal apprehension of secret pieces of information should be considered as falling within the realm of immaterial goods regulation aiming to solve the deficit of marketability of this type of good This might call after

conducting a careful policy trade off for the establishment of relative i e inter partes subjective rights The Idea of Property Laura S. Underkuffler,2003 Legal scholars and philosophers have long been engaged in studying the secret of the internal structure of property in law This text aims to advance our understanding of property as an idea and the power that claimed property rights should have against competing public interests

**Performers' Rights in Sri Lanka** Gowri Nanayakkara,2019-04-13 This book explores whether global music copyright law and the performers rights regime PRR have been able to improve the economic position of artists as they were originally intended to The author investigates whether this regime effectively addresses contemporary issues regarding royalty payments and cover songs in Sri Lankan music drawing on the empirical findings of a case study she conducted on the Sinhala music industry She finds that the PRR developed internationally and implemented in Sri Lanka is predicated on a particular view of the role of performers and their relationships with other actors in the music industry although this view can be found in the USA UK and India it does not seem to reflect the established practices and relationships within Sri Lanka s contemporary music industry While providing a socio historical and legal analysis of these differing industrial settings and investigating the manner in which they impact the PRR s in ability to deliver improved economic security for Sinhala singers the book also offers policymakers recommendations on how to supplement current national copyright law and the PRR in order to provide a secure economic position for music artists in Sri Lanka

**An Introduction to Property Theory** Gregory S. Alexander,Eduardo M. Peñalver,2012-04-09 This book surveys the leading modern theories of property Lockean libertarian utilitarian law and economics personhood Kantian and human flourishing and then applies those theories to concrete contexts in which property issues have been especially controversial These include redistribution the right to exclude regulatory takings eminent domain and intellectual property The book highlights the Aristotelian human flourishing theory of property providing the most comprehensive and accessible introduction to that theory to date The book s goal is neither to cover every conceivable theory nor to discuss every possible facet of the theories covered Instead it aims to make the major property theories comprehensible to beginners without sacrificing accuracy or sophistication The book will be of particular interest to students seeking an accessible introduction to contemporary theories of property but even specialists will benefit from the book s lucid descriptions of contemporary debates

*Property in the Margins* A J van der Walt,2009-05-29 Having its origins in the process of transformation and land reform that began to take shape in South Africa at the end of the last century this strikingly original analysis of property starts from deep inside the property regime and not from a distant or abstract perspective on property rules and practices Focusing on issues of stability and change in a transformative setting and on the role of tradition and legal culture in that context the book argues that a property regime including the system of property holdings and the rules and practices that entrench and protect them tends to insulate itself against change through the security and stability seeking tendency of tradition and legal culture including the deep assumptions about security and

stability embedded in the rights paradigm rhetoric and logic that dominate current legal culture The rights paradigm tends to stabilise the current distribution of property holdings by securing extant property holdings on the assumption that they are lawfully acquired socially important and politically and morally legitimate This function of the rights paradigm tends to resist or minimise change including change brought about by morally politically and legally legitimate and authorised reform or transformation efforts The author's goal is to gauge the lasting power of the rights paradigm by investigating its effects in the margins of property law and of society by establishing the actual efficacy and power of reformist or transformative anti eviction policies and legislation aimed at the protection of marginalised and weak land users and occupiers in areas such as landlord tenant law eviction of unlawful occupiers of land and other restrictions on the landowner's power to enforce a stronger right to exclusive possession Ultimately the book's aim is to explore the possibility of opening up theoretical space where justice inspired changes to or transformation of the extant property regime can be imagined and discussed more or less fruitfully from an unusual perspective a perspective from the margins which is valuable for any theoretical consideration or discussion of property

The Idea of Authorship in Copyright Lior Zemer, 2017-03-02 As information flows become increasingly ubiquitous in our post digital environment the challenges to traditional concepts of intellectual property and the practices deriving from them are immense The romantic understanding of the lone author as an endless source of new creations has to face these challenges In order to do so this work presents a collectivist model of intellectual property rights The core argument is that since copyright works enjoy profit from significant public contribution they should not be privately owned but considered to be a joint enterprise made real by both the public and author It is argued that every copyright work depends on and is reflective of the author's exposure to externalities such as language culture and the various social events and processes that occur in the public domain therefore copyright works should not be regarded as exclusive private property The study takes its organizing principle from John Locke defining and proving the fatal flaw inherent in debates on copyright on the one hand the copyright community is eager to arm authors with a robust property right over their creation while on the other this community totally ignores the fact that the exposure of the individual to externalities is what makes him or her capable of creating material that is copyrightable Just as Locke was against the absolute authority of kings the expressed view of the study is against the exclusive right an author can claim

The Global Health Crisis Thana Cristina de Campos, 2017-03-30 Proposing a new view of global justice based on natural law this book presents a discussion of the key ethical values in contemporary medicine and health notably in relation to neglected diseases like malaria Ebola and Zika The lack of treatments for such diseases points to a global health crisis Thana Cristina de Campos provides a general framework based on global commutative justice for discussion of the ethical responsibilities of international stakeholders mapping the varying duties they have and their content and force She also addresses the urgent need for reforms to the international legal rules on bioethics notably the system of intellectual property rights These ideas will be of interest to those who are looking

for a more nuanced view of the human right to health than that provided by advocates in the globalist mainstream

This book delves into New Essays In The Legal And Political Theory Of Property. New Essays In The Legal And Political Theory Of Property is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into New Essays In The Legal And Political Theory Of Property, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

### **New Essays In The Legal And Political Theory Of Property Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age,

obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free New Essays In The Legal And Political Theory Of Property PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free New Essays In The Legal And Political Theory Of Property PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of New Essays In The Legal And Political Theory Of Property free PDF books and manuals for download has revolutionized

the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About New Essays In The Legal And Political Theory Of Property Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
