Atkinson, 2006 Virginia in the Vanguard continues the story begun in The Dynamic Dominion detailing the resurgence of Virginia s Democratic Party in the 1980s and the Republicans efforts to turn back the gains made by Chuck Robb and Douglas Wilder It closes with Democrat Tim Kaine taking **Notes on Falling** Bronwyn Law-Viljoen, 2022-08-01 Thalia adrift in a small university town in South Africa in the nineties heads to New York to study photography and to pick up the faint trail left for her by someone she has never known The city helps her to find her way as an artist but it never quite provides the answers she is seeking Only years later in Johannesburg is she able to make sense of who she is and what her work might mean Robert is a photographer in New York in the 1970s desperate to make memorable images in a time of spectacular experimentation in dance music and theatre He intuits the importance of what he is photographing but finds it almost impossible to transcend the troubles of his own life and achieve something great through his work Paige leaves South Africa in the seventies to pursue her dream of being a ballet dancer She does not anticipate the ways in which this pursuit will challenge her understanding of the art that she has known and practised all her life and she is ill prepared for the catastrophic moment that will undo everything she has worked for Unbeknownst to them Thalia Robert and Paige share a story that links them to one another to the turbulent worlds of New York in the 1970s and South Africa in the 1990s and finally to the photographs that hold the secrets of their lives Notes on Falling is about the hope that art will challenge perceptions and orthodoxy so that the world can be reinvented through new forms It is also about trying to reconcile the large pictures of history with the small snapshots of our individual lives **Bellwether** David J. Toscano, 2022-05-15 Throughout the early years of the 20th century Virginia was viewed as a Republican state Citizens in the Commonwealth had not voted for a Democratic presidential candidate since 1964 In 2000 the GOP had just won the governor s race held both U S Senate seats and had majorities in both the House of Delegates and the State Senate By 2020 all of that had been reversed During that period Democrats won four of five governors contests elected two US senators and voted for Democratic presidential candidates in every year since 2008 In 2019 the House of Delegates where Republicans maintained a

68 32 supermajority in 2011 flipped to Democratic control With it the state became a Democratic trifecta where the party controlled all of the state s levers of power Bellwether tells the story of how this happened from someone who was in the room at the time David Toscano began his service in the House in 2006 and became the Democratic Leader of the body in 2011 He examines the special nature of Virginia politics the demographic changes that underpin much of its shifting political fortunes and the policies and personalities at the center of the state s dynamics for the last two decades **The American Contractor** ,1910 **Service and Regulatory Announcements** United States. Bureau of Animal Industry,1948 Omaha Chamber of Commerce Journal ,1920 The Dynamic Dominion Frank B. Atkinson,2006-07-21 A consultant lecturer in Virginia political history and occasional member of state and national governments Atkinson chronicles the rise of the Republican Party as a competitive force in the state s politics during the 35 years after World War II He characterizes it as part of the transformation of the South from ostracism to prominence in US politics **The Mark Lane Express, Agricultural Journal &c** ,1900
