Nothing Begins with N Pat Belanoff, Peter Elbow, Sheryl I. Fontaine, 1991 To freewrite is to write without stopping or pausing without reflection or correction This volume provides a theoretical underpinning for this common compositional practice in 16 essays which include case studies quantitative and qualitative research teacher studies autobiographical and historical explorations of theory and one study from entirely outside the fields of composition and literature Paper edition unseen 17 95 Annotation copyrighted by Book News Inc Portland OR Today I Wrote Nothing Daniel Kharms, 2009-06-30 Featuring the acclaimed novella The Old Woman and darkly humorous short prose sequence Events Sluchai Today I Wrote Nothing also includes dozens of short prose pieces plays and poems long admired in Russia but never before available in English A major contribution for American readers and students of Russian literature and an exciting discovery for fans of contemporary writers as eclectic as George Saunders John Ashbery and Martin McDonagh Today I Wrote Nothing is an invaluable collection for readers of innovative writing everywhere Daniil Kharms has long been heralded as one of the most iconoclastic writers of the Soviet era but the full breadth of his achievement is only in recent years following the opening of Kharms archives being recognized internationally In this brilliant translation by Matvei Yankelevich English language readers now have a comprehensive collection of the prose and poetry that secured Kharms s literary reputation a reputation that grew in Russia even as the Soviet establishment worked to suppress it **Nothing Notebook** Harmony Media, Harmony Media Staff, Crown, Crown Publishing Group Staff, Bruce Harris, 1977-07-13 Pages with rules Great for everyone with less than perfect handwriting Covered with the classic black and white marble design Almost nothing Anna Dezeuze, 2016-12-21 What does an assemblage made out of crumpled newspaper have in common with an empty room in which the lights go on and off every five seconds This book argues that they are both examples of a precarious art that flourished from the late 1950s to the first decade of the twenty first century in light of a growing awareness of the individual s fragile existence in capitalist society Focusing on comparative case studies drawn from European North and South American practices this study maps out a network of similar concerns and practices while outlining its evolution from the 1960s to the beginning of the twenty first century This book will provide students and amateurs of contemporary art and culture with new insights into contemporary art practices and the critical issues that they raise concerning the material status of the art object the role of the artist in society and the relation between art and everyday life *Nothing to See* Pip Adam, 2021-03-01 Shortlisted for the 2021 Ockham New Zealand Book Awards The Jann Medlicott Acorn Prize for Fiction Peggy and Greta are trying to get sober They know almost nothing about the world how to cook how to shop how to find a job To fill time they sort clothes at the Salvation Army shop and attend daily AA meetings They seem to have no identity of their own or rather they appear to have only one identity between the two of them Then without warning one of them is gone and the other is left alone trying to find her place in the world But is it Peggy or Greta who is left Or is it someone else altogether

Nothing to See is grounded in the details of everyday life of sharehouses and workplaces of substance abuse and sex and of the emergence of new technologies that fill every facet of existence Yet the women at its centre seem on the brink of disappearing altogether Set in Auckland across three decades Pip Adam s enigmatic uncanny novel asks what it means to seek relief from shame and loneliness to find care when the fabric of reality is ready to come apart A total masterpiece Gripping weird funny close to the bone An intense portrait of sobriety a mystery a sci fi novel an urgent book about living in our panoptical present Dan Kois Wildly good a fiery study in class and addiction and the boring exhausting grind of building a splintered life into something whole Catherine Woulfe The Spinoff Nothing but the Truth John Nicholas
