Venezuela, ALBA, and the Limits of Postneoliberal Regionalism in Latin America and the Caribbean Asa K. Cusack, 2018-07-13 This book provides a comprehensive analysis of the implementation functioning and impact of the Bolivarian Alliance for the Peoples of Our America ALBA cornerstone of Venezuelan foreign policy and standard bearer of postneoliberal regionalism during the Left Turn in Latin America and the Caribbean 1998-2016 It reveals that cooperation via ALBA's regionalised social missions state multinationals development bank People's Trade Agreement SUCRE virtual currency and Petrocaribe soft loan scheme has often been hampered by complexity and conflict between the national political economies of Ecuador Dominica St Vincent and the Grenadines Antigua and Barbuda and especially Venezuela Shared commitments to endogenous development autonomy within multipolarity and novel sources of legitimacy are undermined by serious deficiencies in control and accountability which stem largely from the defining influence of Venezuela's dysfunctional economy and governance This dual dependency on Venezuela leaves the future of ALBA hanging in the balance

Periodismo informativo e interpretativo. El impacto de Internet en la noticia, las fuentes y los géneros Concha Edo Bolós, 2009-09 El siglo XXI nos ha situado ante una nueva encrucijada para el periodismo La paulatina generalización de internet como canal de comunicación nos obliga a reconceptualizar el propio trabajo informativo y a enfrentarnos ante un importante momento de transformaciones en los medios de comunicación de masas Presentamos en esta segunda edición datos de interés y distintas reflexiones acerca de las consecuencias de las constantes novedades tecnológicas como la evolución que se ha producido en las redacciones en gran parte de ellas aún se está produciendo y sus consecuencias en el quehacer informativo Sin embargo considero más prudente ofrecer ahora ese material como complemento de un corpus teórico y práctico aceptado y reconocido en todo el ámbito universitario y de una experiencia

docente ya contrastada Concha Edo es profesora de Redacci n Period stica en la Universidad Complutense de Madrid Ha publicado en esta misma editorial el libro Del papel a la pantalla la prensa en internet **Crude Nation** Raúl

Gallegos,2019-09-01 Beneath Venezuelan soil lies an ocean of crude the world s largest reserves an oil patch that shaped the nature of the global energy business Unfortunately a dysfunctional anti American leftist government controls this vast resource and has used its wealth to foster voter support ultimately wreaking economic havoc Crude Nation reveals the ways in which this mismanagement has led to Venezuela s economic ruin and turned the country into a cautionary tale for the world Raúl Gallegos a former Caracas based oil correspondent paints a picture both vivid and analytical of the country s economic decline the government s foolhardy economic policies and the wrecked lives of Venezuelans Without transparency the Venezuelan government uses oil money to subsidize life for its citizens in myriad unsustainable ways while regulating nearly every aspect of day to day existence in Venezuela This has created a paradox in which citizens can fill up the tanks of their SUVs for less than one American dollar while simultaneously enduring nationwide shortages of staples such as milk sugar and toilet paper Gallegos s insightful analysis shows how mismanagement has ruined Venezuela again and again over the past century and lays out how Venezuelans can begin to fix their country a nation that can play an important role in the global energy industry This paperback edition features a new introduction by the author *COVID-19's political challenges in Latin America* Michelle Fernandez,Carlos Machado,2021-10-18

This book analyzes how COVID 19 impacted politics and how politics shaped the response to the pandemic in Latin America the region which has become the epicenter of the global health crisis started in China The volume brings together studies carried out in eight countries of the region Argentina Brazil Chile Colombia Ecuador Mexico Nicaragua and Uruguay and show how the impacts and outcomes varied a lot across the region depending on the political processes under way in each country in the years preceding the pandemic and on the political responses adopted by each government to deal with the health crisis The volume is divided into four parts each one dedicated to a specific dimension of the relation between politics and COVID 19 in Latin America The first part is dedicated to denialism and presents three case studies of governments that denied the importance of the health crisis Brazil Mexico and Nicaragua The second part takes Uruguay and Colombia as two opposite examples of successful and failed state action against COVID 19 The third part analyzes how social movements faced the pandemic in Brazil and Chile Finally the fourth part analyzes how public opinion reacted to political responses to COVID 19 in four countries Argentina Brazil Ecuador and Mexico COVID 19 s Political Challenges in Latin America will be a valuable resource for political scientists sociologists and other social scientists interested in understanding how the pandemic affected politics and how politics affected the fight against the biggest health crisis faced by humanity in the last hundred years **Examining Internet and Technology**

around the World Laura M. Steckman,2020-12-02 This book offers comparative insights into the challenges and opportunities surrounding emerging technology and the internet as it is used and perceived throughout the world providing

students with cross cultural and cross national perspectives This volume examines issues pertaining to the internet and technology including access and censorship alternative energy technologies artificial intelligence autonomous robots cyberbullying cybercrime e learning GMOs online privacy and virtual and augmented reality For each topic the volume features eight country level perspectives that span the world to allow for comparisons of different nations specific approaches to the technology or issue This encyclopedia takes a new direction in understanding the importance and impact of emerging technologies on the world showing that even when experiencing similar technologically related challenges or advances these technologies do not form one size fits all solutions for every nation and population Even when nations develop similar technologies human dimensions from policy to social norms to culture influence people and society across the world differently

Plan Colombia John Lindsay-Poland,2018-10-04 For more than fifty years the United States supported the Colombian military in a war that cost over 200 000 lives During a single period of heightened U S assistance known as Plan Colombia the Colombian military killed more than 5 000 civilians In Plan Colombia John Lindsay Poland narrates a 2005 massacre in the San Jos de Apartad Peace Community and the subsequent investigation official cover up and response from the international community He examines how the multibillion dollar U S military aid and official indifference contributed to the Colombian military s atrocities Drawing on his human rights activism and interviews with military officers community members and human rights defenders Lindsay Poland describes grassroots initiatives in Colombia and the United States that resisted militarized policy and created alternatives to war Although they had few resources these initiatives offered models for constructing just and peaceful relationships between the United States and other nations Yet despite the civilian death toll and documented atrocities Washington DC considered Plan Colombia s counterinsurgency campaign to be so successful that it became the dominant blueprint for U S military intervention around the world

Auge y declive de la hegemonía chavista Franz Manuel von Bergen Granell,2018-06-15 En los ltimos 17 a os el movimiento chavista ha cambiado el tipo de organizaci n partidista en la que se apoya para mantener y acrecentar su poder ganar elecciones y ordenar su base social de respaldo Comenz en la pr ctica con una estructura similar a los partidos de cuadros y fue introduciendo variaciones en distintos per odos hasta convertirse hoy en un partido de masas con un robusto aparato burocr tico y que tiene el objetivo de generar lazos de lealtad propios con la militancia a fin de poder superar la desaparici n de su principal l der Esto permite pronosticar que en el futuro la organizaci n tendr una importancia mucho mayor para el mantenimiento del chavismo en el poder Sin embargo el grupo no ha podido completar un proceso de institucionalizaci n debido a distintos obst culos el liderazgo carism tico de Hugo Ch vez la importancia otorgada a los procesos electorales por encima de otros acontecimientos y funciones significativas para los partidos y la excesiva dependencia en el Estado y el Gobierno La organizaci n es controlada por una c pula de dirigentes que fueron cohesionados en principio por la fortaleza del liderazgo de Ch vez y ahora se mantienen unidos con el objetivo de mantener el poder Esta situaci n parece confirmar la propuesta de Ley de Hierro de la

Oligarquía de Robert Michels Para poder realizar este estudio exploratorio con rigor científico se dividió la historia del partido chavista en seis periodos y se analizó cada uno desde tres puntos de vista: organización, ideología y liderazgo

Engendering Revolution Rachel Elfenbein, 2019-12-01 In 1999 Venezuela became the first country in the world to constitutionally recognize the socioeconomic value of housework and enshrine homemakers' social security. This landmark provision was part of a larger project to transform the state and expand social inclusion during Hugo Chávez's presidency. The Bolivarian revolution opened new opportunities for poor and working class or popular women's organizing. The state recognized their unpaid labor and maternal gender role as central to the revolution. Yet even as state recognition enabled some popular women to receive public assistance, it also made their unpaid labor and organizing vulnerable to state appropriation. Offering the first comprehensive analysis of this phenomenon, *Engendering Revolution* demonstrates that the Bolivarian revolution cannot be understood without comprehending the gendered nature of its state-society relations. Showcasing field research that comprises archival analysis, observation, and extensive interviews, these thought-provoking findings underscore the ways in which popular women sustained a movement purported to exalt them even while many could not access social security and remained socially, economically, and politically vulnerable.

Political Communication and Leadership Elena Block, 2015-08-11 The long-lasting hegemonic rule of President Hugo Chávez not only involved significant rearrangements in the control of political power in Venezuela but also shifts in the way its citizens constructed, connected, and interacted with politics. In this book, Elena Block explores the political communication style developed by Chávez to transmit his ideologies and engage with his publics. A style that unfolded incrementally between 1998, the year of his first presidential campaign, and March 13th, 2013, when his death was announced after a long struggle with cancer. What sort of political communication did Hugo Chávez develop to establish hegemony in Venezuela? What made him so popular? Block argues that Chávez's political communication style can be better understood through the concept of mimetisation, a systematic sequence of communicational events and practices whereby the Venezuelan President managed to build a bond with his constituents. Applying a mixed qualitative method of collection and analysis of relevant data, this phenomenon is examined via the President's emotional use of common cultural symbols, dramatized and informalized language, savvy use of communication and media, and boost of inclusive, compensatory, and participatory practices in which his constituents not only felt mimetically mirrored but also endowed with an identity. Shedding new light on contemporary theories of populism from the perspective of political communication and identity construction, the notion of mimetisation can be adjusted and applied to study the links of populist phenomena, the mediatization of politics, and government cultural appeal and identity politics in other cultures and situations in contemporary times.

The Persistence of Local Caudillos in Latin America Tomáš Došek, 2024-03-26 Despite democratization at the national level, local political bosses still govern many municipalities in Latin America. Caudillos and clans often use informal political practices ranging from clientelism and patronage to harassment of political opposition.

to control local political dynamics These arbitrary and at times abusive practices pose important challenges to how Latin American democracy works and how power is exercised after the decentralization reforms in the region These reforms promised to bring the government closer to the people and to promote popular participation In many cases these ideals are unmet and newly empowered local politicians have been able to turn municipalities into personal fiefdoms This book explores how local caudillos stay in power and why some are more successful than others in retaining office Tom Do ek provides an in depth analysis of six cases from Chile Paraguay and Peru to show the strategies that caudillos pursue to secure power and the mistakes they commit that drive them out

ITF Roundtable Reports Improving the Quality of Walking and Cycling in Cities Summary and Conclusions International Transport Forum,2023-12-18 This report examines the current conditions of walking and cycling in cities It reviews the literature on the potential benefits of active mobility highlighting the importance of moving away from car centric development It also explores how cities developed into car centric environments with a particular focus on moto normative assumptions The report offers recommendations for re centring mobility spaces on people to improve the quality enjoyment utility and safety of active mobility

China Engages Latin America R. Evan Ellis,2022-03-14 This book explores China s engagement with Latin America and the Caribbean as a case study of its broader effort to use commercial tools and instruments of state to create a global economic order that functions to its benefit while neutralizing challenges from institutions states and others that would oppose it Unlike the common representation of the Cold War as a political military struggle this work uniquely examines China s current efforts as primarily seeking to dominate global value chains with supporting political technological and military components In this regard it both leverages and goes beyond works based on dependency theory which has played a key role in the academic and popular discourse in the region The book examines evidence for China s economically focused strategy within Latin America and the Caribbean including the interrelationships and coordination between China s activities in different sectors and between commercial political and other dimensions in the region It further looks at the supporting role played by a diverse range of Chinese initiatives from China s Belt and Road initiative to people to people diplomacy soft power security engagement and the PRC struggle with Taiwan for diplomatic recognition in the region among others The book highlights the implications for Latin America and the Caribbean and for the U S whose prosperity and security is intimately tied to the region

Noticias De La Actualidad Introduction

In today's digital age, the availability of Noticias De La Actualidad books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Noticias De La Actualidad books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Noticias De La Actualidad books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Noticias De La Actualidad versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Noticias De La Actualidad books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Noticias De La Actualidad books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Noticias De La Actualidad books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Noticias De La Actualidad books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Noticias De La Actualidad books and manuals for download and embark on your journey of knowledge?

FAQs About Noticias De La Actualidad Books

What is a Noticias De La Actualidad PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Noticias De La Actualidad PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Noticias De La Actualidad PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Noticias De La Actualidad PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Noticias De La Actualidad PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
