Personal Evangelism:

The Art of Personal Evangelism Will McRaney, 2003-05-01 A textbook written in a conversational style and tone practical in nature but providing the necessary foundation to understand the principles and practices of evangelism Personal Evangelism J C Macaulay, Robert H Belton, 2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou **Ongoing Personal Evangelism** John P. Davis, 2021-08-03 Ongoing Personal Evangelism provides a biblical survey of personal evangelism and discusses the factors evident in the lives of those who practice personal evangelism throughout their life Hopefully the book will encourage more spiritual growth and involvement in personal evangelism as well as providing material for training others in personal evangelism **The Gospel and Personal Evangelism (Foreword by C. J. Mahaney)** Mark Dever, 2007-09-07 Evangelism is not only misunderstood it is often unpracticed Many Christians want to share the gospel with others but because those Christians don't grasp the fundamentals of witnessing they feel intimidated and incapable of sharing the truth of the gospel Yet those believers fail to recognize that God has already established who and how we are to evangelize In The Gospel and Personal Evangelism Dr Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask Who should we evangelize How should we evangelize What is evangelism Why should we evangelize In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways As readers understand the fundamentals of evangelism they will begin to develop a culture of evangelism in their lives and their local churches Personal Evangelism E. W. Kenyon, 2025-07-15 SOUL WINNING IS OUR BUSINESS Jesus made it clear that we are to bring others to His Father He said Follow me and I will make you fishers of men But many Christians don't know how to win souls for their Savior They are too timid to speak out don't know what to say or don't want to offend anyone Legendary Bible teacher E W Kenyon offers a solution in Personal Evangelism 22 Lessons to Effectively Share the Gospel He takes readers through all possible scenarios of reaching the lost from those who have false hopes to the indifferent from the skeptical to those who have broken fellowship with the church Until soul winning becomes the business of our life we will not lead many from darkness to light Kenyon says Soul winning is the art of arts We are selling the greatest thing in the world The joy that it gives to the one who finds Christ the blessings that go into the home can never be estimated The man you lead

to Christ may become a key man in some community turning a whole section of men to Christ Our time is not our own but belongs to the Lord When we evangelize to snatch souls from the hands of the enemy we give them strength joy and success and obtain more stars in our own heavenly crown

Weapons and Tactics: A Handbook on Personal Evangelism Jim Wilson, 2012-12-11 Even if communities understand how to follow the principles of spiritual warfare the actual winning of souls usually occurs on the personal level Big picture evangelistic strategy must be complemented by an understanding of personal evangelism Weapons and Tactics teaches individual Christians how to apply the evangelistic principles described in Principles of War Using thorough analysis of Scripture and real life examples Jim Wilson provides insight on spiritual weapons what God has given us to fight with and tactics the effective use of those weapons with simple powerful language Weapons and Tactics calls us to personal life changing obedience as we follow our captain in the fight

The Believer's Guide on Personal Evangelism Dr. John Thomas Wylie, 2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus After all they are the main eye witness accounts that we have of the Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of The Believer's Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ

The Believer's Guide on Personal Evangelism John Thomas Wylie, Wylie, 2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus After all they are the main eye witness accounts that we have of the Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they

were changed by it The task of The Believer's Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ *Ten Lessons in Personal Evangelism* Joseph P.
