Plot To Resurrect Jesus The Ultimate Mystery:

The Greatest Story Ever Forged (Curse of the Christ Myth) David Hernandez,2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions

Mary Lesley Hazleton,2008-12-01 Starting with a dark skinned girl barely out of adolescence when she gives birth Lesley Hazleton weaves together the many facets of Mary s existence peasant villager wise woman and healer activist mother teacher and yes virgin though in a sense we have long forgotten She follows her through the worst any mother can experience the excruciating death of her child and then looks at how she transforms grief into wisdom disaster into renewal Strong and courageous the Mary we see here does not merely assent to her role in history but chooses it and lives it to the fullest

The Reconstruction of Resurrection Belief Peter Carnley,2020-01-01 While its companion volume The Resurrection in Retrospect addresses the inadequacies of an approach to the Resurrection of Christ purely as an event of past historical time The Reconstruction of Resurrection Belief articulates an alternative understanding of Resurrection faith as essentially a response of trust based upon a knowledge by acquaintance with the living presence of Christ today In the hope that it may have some traction in an increasingly secular world of contemporary scientific realism Carnley demonstrates an understanding of the nature of Resurrection faith in the language of today with as much logical coherence as possible and explains how the claim that the animating Spirit of the Christian community that Saint Paul spoke of as the Spirit of life in Christ Jesus Rom 8 2 may be justifiably identified in faith today as the living presence of Jesus of Nazareth

dedicated to the theological description of how Scripture should be read what has come to be called theological interpretation In this rapidly expanding field of scholarship Jenson has had an inordinate impact Despite its importance study of Jenson s theology of scriptural interpretation has lagged due in large part to the longevity of his career and volume of his output In this book all of Jenson s writings on Scripture and its interpretation have been collected for the first time Here readers will be able to see the evolution of Jenson s thought on this topic as well as the scope and intensity of his late period engagement with it Where other twentieth century thinkers rely on non theological secular methods of scriptural investigation Jenson is willing to let go of respectability for the sake of a truly Christian theological interpretation The result is a genuinely free intellectually invigorating exercise in reading and theory from one of the greatest theologians in the last century
