We Go Pogo Kerry D. Soper,2012-05-29 A critical appreciation of the life s work of a great comic strip artist Walt Kelly and Pogo James Eric Black,2016-01-13 One of the most popular comic strips of the 1950s and the first to reference politics of the day Walt Kelly s Pogo took on Joe McCarthy before the controversial senator was a blip on Edward R Murrow s radar The strip s satire was so biting it was often relegated to newspaper editorial sections at a time when artists in other media were blacklisted for far less Pogo was the vanguard of today s political comic strips such as Doonesbury and Pearls Before Swine and a precursor of the modern political parody of late night television This comprehensive biography of Kelly reveals the life of a conflicted man and unravels the symbolism and word play of his art for modern readers There are 241 original Pogo comic strips illustrated and 13 other Kelly artworks as well as illustrations by other cartoonists

Funnybooks Michael Barrier,2014-11-27 Funnybooks is the story of the most popular American comic books of the 1940s and 1950s those published under the Dell label For a time Dell Comics Are Good Comics was more than a slogan it was a simple statement of fact Many of the stories written and drawn by people like Carl Barks Donald Duck Uncle Scrooge John Stanley Little Lulu and Walt Kelly Pogo repay reading and rereading by educated adults even today decades after they were published as disposable entertainment for children Such triumphs were improbable to say the least because midcentury comics were so widely dismissed as trash by angry parents indignant librarians and even many of the people who published them It was all but miraculous that a few great cartoonists were able to look past that nearly universal scorn and grasp the artistic potential of their medium With clarity and enthusiasm Barrier explains what made the best stories in the Dell comic books so special He deftly turns a complex and detailed history into an expressive narrative sure to appeal to an audience beyond scholars and historians **Walt Kelly's Pluperfect Pogo** Walt Kelly,Selby Kelly,1987 A collection of Pogo cartoons photographs articles and special drawings
