Poisoned Embrace A Brief History Of Sexual Pessimism:

The Poisoned Embrace Lawrence Osborne,1993 Since the days of the Early Fathers sex and death have formed a theological equation known as sexual pessimism an aversion to the carnal which consequently elevates the virginal and the chaste Here Osborne gives a bracing account of how we imagine one of the most intimate aspects of our lives **Poisoned Embrace** Lawrence Osborne,1994-08-30 The Poisoned Embrace is a provocative investigation into the history of sexual pessimism as it has evolved in Western theology throughout the ages Since the days of the Early Fathers sex and death have formed a theological equation known as sexual pessimism This aversion to the carnal and its consequent elevation of the virginal and the chaste springs not from Christianity but from Gnosticism Osborne examines the art mythologies and traditions of Christendom and distinguishes thematic archetypes the Virgin the Witch the Leper the Noble Savage the Jew the Oriental the Androgyne and Don Juan He traces our now glorified ideal of sexual passion back to the Troubadours and Northern Mystics and explores how the Passion of the Cross relates the ideas of sublime passion and therapeutic energy

Devils, Lusts and Strange Desires Richard Bradford,2021-01-21 NOMINATED FOR THE H R F KEATING AWARD 2022 My New Year s Eve Toast to all the devils lusts passions greeds envies loves hates strange desires enemies ghostly and real the army of memories with which I do battle may they never give me peace Patricia Highsmith New Year s Eve 1947 Made famous by the great success of her psychological thrillers The Talented Mr Ripley and Strangers on a Train Patricia Highsmith is renowned as one of the most influential and celebrated modern writers However there has never been a clear picture of the woman behind the books The relationship between Highsmith s lesbianism her fraught personality by parts self destructive and malicious and her fiction has been largely ignored by biographers in the past As an openly homosexual writer she wrote the seminal lesbian love story Carol for which she would be venerated in modern times as a radical exponent of the LGBTQ community Alas her status as an LGBTQ icon is undermined by her excessive cruelty towards and exploitation of her friends and many lovers In this biography Richard Bradford brings his sharp and incisive style to one of the greatest and most controversial writers of the twentieth century He considers Highsmith s bestsellers in the context of her troubled personal life her alcoholism licentious sex life racism anti Semitism misogyny and abundant self loathing **Eros** Bruce S Thornton,2018-02-12 Eros The Myth of Ancient Greek Sexuality is a controversial book that lays bare the meanings Greeks gave to sex Contrary to the romantic idealization of sex dominating our culture the Greeks saw eros as a powerful force of nature potentially dangerous and in need of control by society Eros the Destroyer not Cupid the Inispid is what fired the Greek imagination The destructiveness of eros can be seen in Greek imagery and metaphor and in their attitudes toward women and homosexuals Images of love as fire disease storms insanity and violence top 40 song clich s for us locate eros among the unpredictable and deadly forces of nature The beautiful Aphrodite embodies the alluring danger of sex and femmes fatales like Pandora and Helen represent the risky charms of female sexuality And homosexuality typifies for the

Greeks the frightening power of an indiscriminate appetite that threatens the stability of culture itself In *Eros The Myth of Ancient Greek Sexuality* Bruce Thornton offers a uniquely sweeping and comprehensive account of ancient sexuality free of currently fashionable theoretical jargon and pretensions In its conclusions the book challenges the distortions of much recent scholarship on Greek sexuality And throughout it links the wary attitudes of the Greeks to our present day concerns about love sex and family What we see finally are the origins of some of our own views as well as a vision of sexuality that is perhaps more honest and mature than our own dangerous illusions

Maimonides and the Shaping of the Jewish Canon James A.

Diamond, 2014-10-27 Jewish thought since the Middle Ages can be regarded as a sustained dialogue with Moses Maimonides regardless of the different social cultural and intellectual environments in which it was conducted Much of Jewish intellectual history can be viewed as a series of engagements with him fueled by the kind of Jewish rabbinic and esoteric writing Maimonides practiced This book examines a wide range of theologians philosophers and exegetes who share a passionate engagement with Maimonides assaulting adopting subverting or adapting his philosophical and jurisprudential thought This ongoing enterprise is critical to any appreciation of the broader scope of Jewish law philosophy biblical interpretation and Kabbalah Maimonides's legal philosophical and exegetical corpus became canonical in the sense that many subsequent

Jewish thinkers were compelled to struggle with it in order to advance their own thought As such Maimonides joins fundamental Jewish canon alongside the Bible the Talmud and the Zohar *Israel's Original Sin, Volume II* Richard J.
