Poland And The Minority Races Eastern Europe Collection Series:

Poland and the Minority Races Arthur Lehman Goodhart,1971 *Poland and the Minority Races* Arthur Lehman Goodhart,1920 The Jews in Poland National Polish Committee of America,1920 **Dreamland** Howard M. Sachar,2007-12-18 By the end of World War I in November 1918 Europe s old authoritarian empires had fallen and new and seemingly democratic governments were rising from the debris As successor states found their place on the map many hoped that a more liberal Europe would emerge But this post war idealism all too quickly collapsed under the political and economic pressures of the 1920s and 30s Howard M Sachar chronicles this visionary and tempestuous era by examining the fortunes of Europe s Jewish minority a group whose precarious status made them particularly sensitive to changes in the social order Writing with characteristic lucidity and verve Sachar spotlights an array of charismatic leaders from Hungarian Communist Bela Kun to Germany s Rosa Luxemburg France s Socialist Prime Minister Leon Blum and Austria s Sigmund Freud whose collective experience foretold significant democratic failures long before the Nazi rise to power In the richness of its human tapestry and the acuity of its social insights Dreamland masterfully expands our understanding of a watershed era in modern history *Historical Dictionary of Poland 1945-1996* Piotr Wróbel,2014-01-27 Located between the former Soviet Union and eastern Germany Poland has the potential to become a political and economic bridge between the East and West It is crucial to European security and stabilization yet the list of reference books on recent Polish history is very short This book fills that gap providing information on Polish political economic and cultural history since 1945 Identity Strategies of Stateless Ethnic Minority Groups in Contemporary Poland Ewa Michna,Katarzyna Warmińska,2020-04-29 This book provides a unique description of the identity strategies of stateless ethnic minorities in Poland It describes and analyses the identity politics carried out by these groups aimed at obtaining recognition of a separate status from the Polish state a dominant group in the symbolic and legal realms On the one hand comparative analysis of the activity undertaken by Lemkos Polish Tatars Roma Kashubians Karaims and Silesians will allow us to present the specifics of each of the communities resulting from the special nature of their ethnicity On the other hand it will show some typical strategies for stateless groups in the field of identity and ethnicity Critical factors here are processes such as building ethnic borders dealing with a non privileged position striving to achieve recognition for the status quo of a particular identity or politicization of ethnicity The subjects are mostly indigenous groups and the lack of legitimacy of emancipation in their own nation state can determine their status as an in between in the context of ethnic relations in Poland In the analysis undertaken in the book of the activity of the ethnic groups there are three main contexts intragroup state policy and the global discourse of the rights of minorities They determine the choice of identity strategy and adopted policy of identity Not without significance is also the historical context especially the political transformation in Poland after 1989 when Polish state policy towards ethnic minorities changed fundamentally moving from the mono national ideology of a socialist state to a pluralistic model of a democratic

state Gathering diverse examples in one volume will allow the reader to become familiar with the complex topic of ethnic relations in the world today and especially in Central Europe which is still in the process of change *Poland's Post-War Dynamic of Migration* Krystyna Iglicka,2019-05-24 This title was first published in 2001 The first comprehensive combined socio economic and political analysis of the trends and mechanisms of international migration from and into Poland since 1945 from the point of view of the forthcoming enlargement of the European Union **The Polish Catholic Church under German Occupation** Jonathan Huener,2021-02-16 When Nazi Germany invaded Poland in 1939 it aimed to destroy Polish national consciousness As a symbol of Polish national identity and the religious faith of approximately two thirds of Poland s population the Roman Catholic Church was an obvious target of the Nazi regime s policies of ethnic racial and cultural Germanization Jonathan Huener reveals in *The Polish Catholic Church under German Occupation* that the persecution of the church was most severe in the Reichsgau Wartheland a region of Poland annexed to Nazi Germany Here Catholics witnessed the execution of priests the incarceration of hundreds of clergymen and nuns in prisons and concentration camps the closure of churches the destruction and confiscation of church property and countless restrictions on public expression of the Catholic faith Huener also illustrates how some among the Nazi elite viewed this area as a testing ground for anti church policies to be launched in the Reich after the successful completion of the war Based on largely untapped sources from state and church archives punctuated by vivid archival photographs and marked by nuance and balance *The Polish Catholic Church under German Occupation* exposes both the brutalities and the limitations of Nazi church policy The first English language investigation of German policy toward the Catholic Church in occupied Poland this compelling story also offers insight into the varied ways in which Catholics from Pope Pius XII to members of the Polish episcopate to the Polish laity at the parish level responded to the Nazi regime s repressive measures Political Science Abstracts ,2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available **The Story of the Jew for Young People** Elma Ehrlich Levinger, Lee Joseph Levinger, 1928
