DONALD R. ROTHWELL

Polar Regions And The Development Of International Law

Tim Stephens, David L VanderZwaag

Polar Regions And The Development Of International Law:

Fragmentation and the International Relations of Micro-states Jorri C. Duursma, 1996-10-31 This is the first book to provide a thorough international legal account of the European micro states Jorri Duursma examines notions of self determination and statehood in the context of international law and provides solutions for problems of secession Drawing on many unpublished documents she tackles the important questions of what constitutes a people with a right to self determination and who is allowed to secede from a state developing a novel approach to statehood and fragmentation

The Polar Regions and the Development of International Law Donald Rothwell, 1996-11-13 A review of international law in the polar regions and its importance to the environment and to international relations **International Law** Malcolm N. Shaw, 2003-09-25 This fifth edition of Malcolm Shaw's bestselling textbook on international law provides a clear authoritative and comprehensive introduction to the subject fully revised and updated to Spring 2003 Basically preserving the structure which made the previous edition so successful a new chapter on Inter state Courts and Tribunals considers the role of the International Court of Justice and the International Tribunal on the Law of the Sea and there is a new chapter on international humanitarian law Also examined are arbitration tribunals and the role of international institutions such as the WTO in resolving conflicts The prosecution of individuals for violations of international law is examined Additional coverage of events in Kosovo and Iraq analyses the questions of humanitarian intervention and the role of the UN Written in a clear and accessible style setting the subject firmly in the context of world politics and the economic and cultural influences affecting it this book remains a highly readable and invaluable resource for students and practitioners alike The scope of the text makes this essential reading for students of international law international relations and the political sciences The book is also valuable to professionals and governmental and international civil servants *The Routledge Handbook of the Polar Regions* Mark Nuttall, Torben R Christensen, Martin Siegert, 2018-07-18 The Routledge Handbook of the Polar Regions is an authoritative guide to the Arctic and the Antarctic through an exploration of key areas of research in the physical and natural sciences and the social sciences and humanities It presents 38 new and original contributions from leading figures and voices in polar research policy and practice as well as work from emerging scholars This handbook aims to approach and understand the Polar Regions as places that are at the forefront of global conversations about some of the most pressing contemporary issues and research questions of our age The volume provides a discussion of the similarities and differences between the two regions to help deepen understanding and knowledge Major themes and issues are integrated in the comprehensive introduction chapter by the editors who are top researchers in their respective fields The contributions show how polar researchers engage with contemporary debates and use interdisciplinary and multidisciplinary approaches to address new developments as well as map out exciting trajectories for future work in the Arctic and the Antarctic The handbook provides an easy access to key items of scholarly literature and material otherwise inaccessible or scattered

throughout a variety of specialist journals and books A unique one stop research resource for researchers and policymakers with an interest in the Arctic and Antarctica it is also a comprehensive reference work for graduate and advanced undergraduate students

The Cambridge History of the Polar Regions Adrian Howkins,Peder Roberts,2023-05-11 The Cambridge History of the Polar Regions is a landmark collection drawing together the history of the Arctic and Antarctica from the earliest times to the present Structured as a series of thematic chapters an international team of scholars offer a range of perspectives from environmental history the history of science and exploration cultural history and the more traditional approaches of political social economic and imperial history The volume considers the centrality of Indigenous experience and the urgent need to build action in the present on a thorough understanding of the past Using historical research based on methods ranging from archives and print culture to archaeology and oral histories these essays provide fresh analyses of the discovery of Antarctica the disappearance of Sir John Franklin the fate of the Norse colony in Greenland the origins of the Antarctic Treaty and much more This is an invaluable resource for anyone interested in the history of our planet

Principles of International Environmental Law Philippe Sands,2003-10-09 This second edition of Philippe Sand s leading textbook on international environmental law provides a clear and authoritative introduction to the subject revised to December 2002 It considers relevant new topics including the Kyoto Protocol genetically modified organisms oil pollution chemicals etc and will remain the most comprehensive account of the principles and rules relating to environmental protection and the conservation of natural resources In addition to the key material from the 1992 Rio Declaration and subsequent developments Sands also covers topics including the legal and institutional framework the field s historic development and standards for general application This will continue to be an invaluable resource for both students and practitioners alike

Global Challenges in the Arctic Region Elena Conde,Sara Iglesias Sánchez,2016-08-05 Bringing together interconnected discussions to make explicit the complexity of the Arctic region this book offers a legal discussion of the ongoing territorial disputes and challenges in order to frame their impact into the viability of different governance strategies that are available at the national regional and international level One of the intrinsic features of the region is the difficulty in the determination of boundaries responsibilities and interests Against this background sovereignty issues are intertwined with environmental and geopolitical issues that ultimately affect global strategic balances and international trade and at the same time influence national approaches to basic rights and organizational schemes regarding the protection of indigenous peoples and inhabitants of the region This perspective lays the ground for further discussion revolving around the main clusters of governance focusing on the Arctic Council and the European Union with the particular roles and interest of Arctic and non Arctic states and the impact on indigenous populations environment including the relevance of national regulatory schemes and the intertwinement with concerns related to energy or migration strategy concentrating in geopolitical realities and challenges analysed from different perspectives and focusing on different actors and covering

security and climate change related challenges This collection provides an avenue for parallel and converging research of complex realities from different disciplines through the expertise of scholars from different latitudes *Polar Oceans Governance in an Era of Environmental Change* Tim Stephens, David L VanderZwaag, 2014-04-25 This timely book provides a cutting edge assessment of how the dynamic ocean regions at the highest latitudes on Earth are being managed in an era of unprecedented environmental change The Arctic and Southern Oceans are experiencing transformative env *International Governance of the Arctic Marine Environment* Lilly Weidemann, 2014-04-09 The Arctic is particularly affected by climate change over the past few decades temperatures in this area have risen twice as fast as the mean global rate The most prominent effect of global climate change in the region is the melting sea ice in the Arctic Ocean which enables a multitude of ocean uses to be initiated and extended such as shipping fishing and oil and gas extraction Unlike in the Antarctic there is currently no single comprehensive legal regime for governance of the Arctic Instead the region is regulated by a patchwork of international treaties above all the United Nations Convention on the Law of the Sea UNCLOS various regional and sub regional agreements national laws and soft law agreements This treatise provides an evaluation of the governance regime that regulates the use of the Arctic marine environment and its readiness to protect these fragile ecosystems in light of the consequences of climate change **Environmental Discourses in Public and International Law** Brad Jessup, Kim Rubenstein, 2012-02-02 How do dominant views and arguments about environmental problems traverse and connect international and public law

If you ally need such a referred **Polar Regions And The Development Of International Law** book that will allow you worth, acquire the agreed best seller from us currently from several preferred authors. Polar Regions And The Development Of International Law Introduction

In today's digital age, the availability of Polar Regions And The Development Of International Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Polar Regions And The Development Of International Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Polar Regions And The Development Of International Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Polar Regions And The Development Of International Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Polar Regions And The Development Of International Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Polar Regions And The Development Of International Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Polar Regions And The Development Of International Law

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Polar Regions And The Development Of International Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Polar Regions And The Development Of International Law books and manuals for download and embark on your journey of knowledge?

FAQs About Polar Regions And The Development Of International Law Books

1. Where can I buy Polar Regions And The Development Of International Law books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
