Polaroid Stories Actor Script Edition:

Experiencing Stanislavsky Today Stephanie Daventry French, Philip G. Bennett, 2016-02-11 This pioneering introduction to Stanislavsky's methods and modes of actor training covers all of the essential elements of his System. Recreating truthful behaviour in the artificial environment, awareness and observation, psychophysical work, given circumstances, visualization and imagination, and active analysis are all introduced and explored. Each section of the book is accompanied by individual and group exercises forming a full course of study in the foundations of modern acting. A glossary explains the key terms and concepts that are central to Stanislavsky's thinking at a glance. The book's companion website is full of downloadable worksheets and resources for teachers and students. *Experiencing Stanislavsky Today* is enhanced by contemporary findings in psychology, neuroscience, anatomy and physiology that illuminate the human processes important to actors such as voice and speech, creativity, mind-body connection, the process and the production of emotions on cue. It is the definitive first step for anyone encountering Stanislavsky's work, from acting students exploring his methods for the first time to directors looking for effective rehearsal tools and teachers mapping out degree classes.

Digital Costume Design and Collaboration Rafael Jaen, 2017-06-26 *Digital Costume Design and Collaboration* gives in-depth instruction on how to draw, render and fully design costumes using online tools and software. Grounded in the use of Photoshop, the book explains the process of building a costume design from scratch, including information on digital tools and painting techniques. The book demonstrates how to utilize social media such as Flickr and Pinterest to compile research, how to create user-friendly web-based slide shows and how to archive digital files for portfolios and personal websites. It also demonstrates how to organize spec sheets, plots and inventories using Google Docs for easy editing and Dropbox for easy file sharing. A companion YouTube channel featuring video tutorials of exercises and applications complements the book.

Programs University of Michigan. School of Music, Theatre &

Dance, 2014 The Garner Files Jon Winokur, James Garner, 2011-11-01 Told in the charming and self-deprecating style that has made him one of America's most beloved celebrities, the real story behind Hollywood legend James Garner from his Depression-era childhood to his colorful career. His incredible story in his own words. One of Hollywood's all-time great leading men, James Garner enjoyed a remarkable career spanning six decades, and whether you know him as Bret Maverick or Jim Rockford, his appeal bridges generations. Few know the real story now told in this intimate memoir of growing up in Depression-era Oklahoma and triumphing in Hollywood. After physical abuse at the hands of his stepmother, Garner left home at fourteen. He was Oklahoma's first draftee of the Korean War, receiving two Purple Hearts for combat wounds. Back in Los Angeles, in need of a job, Garner reluctantly tried acting and was surprised to find his career taking off. Working with such luminaries as Julie Andrews, Marlon Brando, Steve McQueen, and Clint Eastwood, he became a star in his own right. He threw himself into his work and, despite stage fright and bouts of depression, constant physical pain, and epic battles with the Hollywood establishment, he became the acting equivalent of a national monument. Written with Jon Winokur, *The Garner Files* is a wry, engaging self-portrait chronicling the vagaries of a screen career along with the cast of personal and professional characters that helped shape a great American life. **41st London Film Festival** London Film Festival Staff, 1997 A souvenir programme from the 41st London film Festival providing a guide for cinema goers. The programme contains full details of every film screened during the festival together with full credits, sales and distribution details, filmographies and bibliographical notes. **Mighty Minutes** Jim Hall, 1984 Includes index.
