In this capacity, he is responsible for maintaining the public peace, tranquility and order and administering criminal justice in the district. The district police and magistracy function under his supervision and control for the purpose. He is the coordinator and motive power of these two organs of the criminal administration. The prevention and detection of crime and the trial of wrong-doers are the conjoint statutory duty of the two under the harmonizing influence and unified direction of the District Magistrate.

They have to obey and execute orders and warrants lawfully issued to them by a competent authority. They can lay any information before a magistrate and obtain summonses, warrants, search warrants and other legal processes against offenders. The District Superintendent of Police can be vested with powers to regulate public assemblies and processions. The police have to keep order on the public roads, in the public streets and at all other places of public resort. They have been empowered to take steps to prevent obstructions, inconvenience, annoyance, risk, danger or damage to the members of the public. Thus, the police work is basically a law enforcement calling.

The head of the police force in the district is the Superintendent of Police, a member of the Indian Police Service, who works under the
