Moskowitz,2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past

60 years Since the chosen bands are based on the author's personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group's history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry

The Police On Track Peter Braidis, 2024-07-09 Forming when punk was starting to become a force The Police led by drummer Stuart Copeland and singer bassist Sting used this emerging new form of music to create a sound that was both fresh energetic and sophisticated An early incarnation with guitarist Henry Padovani ended when Andy Summers joined the band and under the innovative management of Miles Copeland The Police took on the world From 1978 to 1983 the band released five magnificent albums that took in rock reggae and world music A succession of massive hit singles including Message In A Bottle and the classic and often misunderstood Every Breath You Take also cemented their success By 1983 they'd become arguably the biggest band in the world but egos and arguments took their toll and the group split in 1986 Sting would go on to massive solo success but a reunion tour in the 2000s broke box office records and finally closed the door on the band This book details every song and album from the first single to the last making it a comprehensive guide to the music of one of the greatest bands in music history with sales of over 100 million worldwide Peter Braidis is a graduate of Rutgers University with a B.A. in History and Journalism He currently works in education at Haddon Township High School in the state of New Jersey USA Music especially Thin Lizzy and helping children and animals are his passions as well as pretty much any pasta dish He has written on sports and music for the Philadelphia Inquirer several magazines and authored the book Unstrung Heroes Fifty Guitar Greats You Should Know This is his second book for Sonicbond Publishing having written Asia On Track in 2020
