Police Of France:

The Police of France Philip John Stead, 1983 **Policing in France** Jacques de Maillard, Wesley Skogan, 2020-08-02 The eminent contributors to a new collection *Policing in France* provide an updated and realistic picture of how the French police system really works in the 21st century In most international comparisons France typifies the Napoleonic model for policing one featuring administrative and political centralization a strong hierarchical structure distance from local communities and a high priority on political policing France has undergone a process of pluralization in the last 30 years French administrative and political decentralization has reemphasized the role of local authorities in public security policies the private security industry has grown significantly and new kinds of governing models based on arrangements such as contracts for service provision have emerged In addition during this period police organizations have been driven toward central government control through the imposition of performance indicators and a top down decision was made to integrate the national gendarmerie into the Ministry of Interior The book addresses how police legitimacy differs across socioeconomic generational territorial and ethnic lines An analysis of the policing of banlieues deprived neighborhoods illustrates the convergence of contradictory police goals police violence the concentration of poverty and entrenched opposition to the states representatives and questions policing strategies such as the use of identity checks The collection also frames the scope of community policing initiatives required to deal with the public s security needs and delves into the security challenges presented by terrorist threats and the nuances of the relationship between policing and intelligence agencies Identifying and explaining the diverse challenges facing French police organizations and how they have been responding to them this book draws upon a flourishing French language literature in history sociology political science and law to produce this new English language synthesis on policing in France This book is a valuable resource for researchers and practitioners working in and around French policing as well as students of international law enforcement [Policing Across the World](#) R.I. Mawby, 2013-04-15 This wide ranging text provides an overview of policing across different societies and considers the issues facing the US and British police in a wider international context The book is designed as a coherent introduction to the police **France, 1800-1914** Roger Magraw, 2014-07-22 Nineteenth century France was a society of apparent paradoxes It is famous for periodic and bloody revolutionary upheavals for class conflict and for religious disputes yet it was marked by relative demographic stability gradual urbanisation and modest economic change class conflict and ongoing religious and cultural tensions Incorporating much recent research Roger Magraw draws both upon still valuable insights derived from the new social history of the 1960s and upon more recent approaches suggested by gender history cultural anthropology and the linguistic turn **Policing the Inner City in France, Britain, and the US** S. Body-Gendrot, C. de Wenden, Catherine Wihtol de Wenden, 2014-11-20 This book analyzes and compares the police s inner city presence in France the US and Britain Its authors research points to the idea that the creation of a more inclusive environment is a sound approach for cities

looking to better maintain peace reduce discrimination and manage the dynamic between police and citizens in inner cities
