

ROLES AND RESPONSIBILITIES

The Baltimore Police Department will implement this Community Policing Plan by executing the following roles and responsibilities on a daily basis.

PATROL OFFICERS

As the front line of BPD's daily engagement with Baltimore communities, patrol officers play the most critical role in BPD's engagement and POP strategies. Patrol Officers will:

1. Maximize positive interactions with the public throughout the shift.
2. Serve in their assigned geographies on a daily basis and build relationships with residents, community groups, and businesses in those geographies.
3. Conduct Informal Engagements during each shift, prioritizing engagements in their assigned geographies. Officers should conduct foot patrols when practical based on call volume, weather conditions, and opportunities for community involvement. Officers will document these Informal Engagement activities with the most appropriate Community Policing CAD signal.
4. Conduct Daily Problem-Solving by:
 - Reporting environmental issues in the 311 App, available on their assigned mobile device.
 - Connecting residents to helpful services known to the officer or listed on the District Profile.
 - Officers will document these Daily Problem-Solving activities with the most appropriate Community Policing CAD signal.
5. Notify a supervisor and the NCO regarding recurring problems that may require a more in-depth, Problem-Oriented Policing approach through sustained action or inter-agency collaboration.
