Political Economy Of Poverty Equity And Growth Egypt And Turkey:

Egypt and Turkey Bent Hansen,1991 This book describes analyses and compares the political economy of growth in its interrelationship with equity and poverty in Egypt and Turkey It covers the period of modern national independence during the years 1923 up to 1985 *The Political Economy of Poverty, Equity and Growth: A Comparative Study* Deepak Lal,H. Myint,Hla Myint,1998-10-08 This wide ranging and innovative book synthesizes the findings of a major international study of the political economy of poverty equity and growth It represents an ambitious interdisciplinary attempt to identify patterns in the interplay of initial conditions institutions interests and ideas which can help to explain the different growth and poverty alleviation outcomes in the Third World Challenges of Economic Development in the Middle East and North Africa Region Julia Devlin,Julia C. Devlin,2010 This book surveys major economic issues in the development of countries in the Middle East and North Africa MENA region since World War II It presents a framework of analysis highlighting underlying continuities in the region s approach to issues of growth management of oil and natural resources post conflict environments progress in trade liberalization and regional integration the use of industrial policy labor market adjustment and unemployment educational attainment and poverty incidence At the same time this book focuses on emerging differences across countries in the region in the prevailing approach to addressing such challenges most notably between the economies of the Gulf Cooperation Council and other MENA countries This book also incorporates a discussion of tools and methods used by development practitioners and briefly examines issues of aid effectiveness The approach used is intended to appeal to a wide audience including students of economic development political scientists and development practitioners *The Political Economy of Reforms in Egypt* Khalid Ikram,2018 Drawing on Khalid Ikram s extensive knowledge of economic policymaking at the highest levels The Political Economy of Reforms in Egypt lays out the enduring features of the Egyptian economy and its performance since 1952 before presenting an account of policy making growth and structural change under the country s successive presidents to the present day State Building and Late Development David Waldner,2018-05-31 Why does state building sometimes promote economic growth and in other cases impede it Through an analysis of political and economic development in four countries Turkey Syria Korea and Taiwan this book explores the origins of political economic institutions and the mechanisms connecting them to economic outcomes David Waldner extends our understanding of the political underpinnings of economic development by examining the origins of political coalitions on which states and their institutions depend He first provides a political model of institutional change to analyze how elites build either cross class or narrow coalitions and he examines how these arrangements shape specific institutions state society relations the nature of bureaucracy fiscal structures and patterns of economic intervention He then links these institutions to economic outcomes through a bargaining model to explain why countries such as Korea and Taiwan have more effectively overcome the collective dilemmas that plague economic development than have others such as Turkey and Syria The latter countries he

shows lack institutional solutions to the problems that surround productivity growth The first book to compare political and economic development in these two regions State Building and Late Development draws on and contributes to arguments from political sociology and political economy Based on a rigorous research design the work offers both a finely drawn comparison of development and a compellingly argued analysis of the character and consequences of precocious Keynesianism the implementation of Keynesian demand stimulus policies in largely pre industrial economies

Economic Development in the Middle East Rodney Wilson, 2021-09-23 This new edition examines how development in the Middle East is being influenced by global economic change This comparative textbook focuses on the region s strengths and highlights development success especially in the Gulf Turkey and Israel The major structural changes in the economies of the Middle East are analysed and current employment challenges are discussed The impact of demographic changes is considered notably the dramatic decline in birth rates which will have implications for future employment The contribution of banks and capital markets to the region s development is appraised including that of Islamic financial institutions which play a prominent role in the Gulf Cooperation Council GCC countries but are on the margins of the financial systems elsewhere Historically development in the GCC was linked to oil and gas production and prices a key issue being whether these are being decoupled as economies diversify and become more self sustaining The evidence on this from the GCC is encouraging with transparent and accountable financial management and major improvements in economic governance despite the lack of democracy Examining the drivers of economic development in the Middle East in a regional and global context this fully updated textbook is a key resource for students and academics interested in economic development and the political economy of the Middle East
