An Introduction to Political Geography Martin Jones, Rhys Jones, Michael Woods, Mark Whitehead, Deborah Dixon, Matthew Hannah, 2014-11-13

An Introduction to Political Geography continues to provide a broad based introduction to contemporary political geography for students following undergraduate degree courses in geography and related subjects The text explores the full breadth of contemporary political geography covering not only traditional concerns such as the state geopolitics electoral geography and nationalism but also increasing important areas at the cutting edge of political geography research including globalization the geographies of regulation and governance geographies of policy formulation and delivery and themes at the intersection of political and cultural geography including the politics of place consumption landscapes of power citizenship identity politics and geographies of mobilization and resistance This second edition builds on the strengths of the first The main changes and enhancements are four new chapters on political geographies of globalization geographies of empire political geography and the environment and geopolitics and critical geopolitics significant updating and revision of the existing chapters to discuss key developments drawing on recent academic contributions and political events new case studies drawing on an increasing number of international and global examples additional boxes for key concepts and an enlarged glossary As with the first edition extensive use is made of case study examples illustrative explanatory boxes

guides to further reading and a glossary of key terms to present the material in an easily accessible manner Through employment of these techniques this book introduces students to contributions from a range of social and political theories in the context of empirical case study examples By providing a basic introduction to such concepts and pointing to pathways into more specialist material this book serves both as a core text for first and second year courses in political geography and as a resource alongside supplementary textbooks for more specialist third year courses

Politics, Geography and "political Geography" ,1995 Political Geography Rachael Squire,Anna Jackman,2023-11-01 This innovative and thought provoking text will teach you about the diverse and increasingly expansive sub discipline of geopolitics Divided into three sections Political Geography draws on case studies from a diverse range of scales contexts and demographics to introduce you to the key approaches concepts and futures of geopolitics You will cover an extensive range of key topics in Political Geography from feminist geopolitics to non human worlds and nationalism to peace and resistance Throughout this first edition you will apply various theoretical lenses utilise a wide range of examples both past and present and draw on cutting edge scholarship to reinvigorate your understanding of important themes such as the state borders and territory Based on the award winning course at RHUL Political Geography includes a variety of sites spaces materials and images alongside In the field tips ideas for practical dissertation research and tasks to facilitate active follow on learning Case studies key terms key questions and learning exercises and annotated readings are included throughout every chapter to aid understanding and help you to engage and reflect on the content Designed as a core text for undergraduates and an introductory text for postgraduates with an interest in Political Geography Rachael Squire is lecturer in Human Geography at Royal Holloway University of London Anna Jackman is lecturer in Human Geography at University of Reading
