

## CLASSIC LIBERALISM

This ideology started in 1776 through Adam Smith. He advocated laissez-faire system, under which the government lets the economy alone. The motto of liberalism is: "That government is best that governs less," as stated by Thomas Jefferson.

## CLASSIC CONSERVATISM

The best practices and institutions in history should be conserved, and change must be gradual. Our society needs standards of morality in order to contain the irrational passions of men.

## MARXIST SOCIALISM

The advocate of this was Karl Marx. There are two classes: bourgeoisie or the capitalists, who owns the means of production and the proletariat are the majority who work for the elite class.

## MODERN LIBERALISM

The government should step into the marketplace to guarantee the freedom to live an adequate level.

## MODERN CONSERVATISM

This is the ideology that continues its allegiance to Adam Smith's original doctrine of minimal government.

## SOCIAL DEMOCRACY

The social democrats use "welfare" to improve the living conditions of the people. However, welfare states have to impose high taxes in order to pay for welfare measures.

## COMMUNISM

This is also known as Marxism-Leninism. It is focused on the proletariat rising up against the bourgeoisie.

## NEOCONSERVATISM

A protest against the alleged excesses of the welfare state, which is perceived to encourage a class of poor people dependent on welfare, with little incentive to work.

## FEMINISM

The ideology that the law should guarantee equality of treatment regardless of gender.

## ENVIRONMENTALISM

The ideology that the people should live in balance with nature, rather than destroy it. The environmentalists call themselves "Green".

## NATIONALISM

It has been described as exaggerated belief in the greatness and unity of one's country. The engine of nationalism is the passionate feeling that it is wrong to be ruled by others.

## RELIGIOUS FUNDAMENTALISM

Political and social lives should be based on the original religious principles, which are supported by a belief in the literal truth of sacred texts.

## COMMUNITARIANISM

It advocates the need to revive communities, as institutions between the state and the individual.

## **Political Ideologies 5th:**

## Adopting the Melody of Expression: An Emotional Symphony within **Political Ideologies 5th**

In a world taken by screens and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony created by the written word usually fade in to the backdrop, eclipsed by the relentless sound and disturbances that permeate our lives. However, situated within the pages of **Political Ideologies 5th** an enchanting literary prize brimming with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that interesting masterpiece conducts readers on a mental journey, skillfully unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths with this poignant evaluation, we will discover the book is central harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
