Political Myth-making, Nationalist Resistance and Populist Performance Mark Nartey, 2022-11-30 Using the socio political discourse of Kwame Nkrumah a pioneering Pan Africanist and Ghana s independence leader Nartey investigates the notion of political myth making in a context underexplored in the literature He examines Nkrumah s construction of a myth described in the book as the Unite or Perish myth i e the idea of a United States of Africa being a prerequisite for the survival of Africa in the post independence period exploring the rhetorical resources he deployed categorizing and analyzing key tropes and metaphors and setting out the myth s basic components This book focuses on three areas an investigation of political myth making as a social and discursive practice in order to identify particular semiotic practices and linguistic patterns deployed in the construction of mythic discourse the unpacking of the discursive manifestation representation features and functions of political mythic themes and finally to propose and implement an integrated discourse analytical framework to account for the complexities of mythic discourse and political narratives in general It analyzes how Nkrumah deployed his discourse to concurrently construct heroes and villains protagonists and antagonists as part of an ideological mechanism aimed at galvanizing support for and instigating action on the part of the masses towards his lifelong African dream Nartey s book steps out from the conventional domain of critical discourse studies to focus on myth as a form of populist performance It will be of interest to postgraduate students and academics in critical discourse studies rhetorical discourse analysis African and Diaspora studies and African history as well as non academics such as journalists political commentators and people who consider themselves to be Nkrumaists and Pan Africanists
A Philosophy of Political Myth Chiara Bottici, 2007-07-09 In this book originally published in 2007 Chiara Bottici argues for a philosophical understanding of political myth Bottici demonstrates that myth is a process one of continuous work on a basic narrative pattern that responds to a need for significance Human beings need meaning in order to master the world they live in but they also need significance in order to live in a world that is less indifferent to them This is particularly true in the realm of politics Political myths are narratives through which we orient ourselves and act and feel about our political world Bottici shows that in order to come to terms with contemporary phenomena such as the clash between civilizations we need a Copernican revolution in political philosophy If we want to save reason we need to look at it from the standpoint of myth
Political Myths and Economic Realities Francis Delaisi, 1927
Plato and the Mythic Tradition in Political Thought Tae-Yeoun Keum, 2020-12-08 Winner of the Gustave O Arlt Award in the Humanities Winner of the Istvan Hont Book Prize An ambitious reinterpretation

and defense of Plato's basic enterprise and influence arguing that the power of his myths was central to the founding of philosophical rationalism. Plato's use of myths, the Myth of Metals, the Myth of Er, sits uneasily with his canonical reputation as the inventor of rational philosophy. Since the Enlightenment interpreters like Hegel have sought to resolve this tension by treating Plato's myths as mere regrettable embellishments irrelevant to his main enterprise. Others such as Karl Popper have railed against the deceptive power of myth concluding that a tradition built on Platonic foundations can be neither rational nor desirable. Tae Yeoun Keum challenges the premise underlying both of these positions. She argues that myth is neither irrelevant nor inimical to the ideal of rational progress. She tracks the influence of Plato's dialogues through the early modern period and on to the twentieth century showing how pivotal figures in the history of political thought. More Bacon, Leibniz, the German Idealists, Cassirer and others have been inspired by Plato's mythmaking. She finds that Plato's followers perennially raised the possibility that there is a vital role for myth in rational political thinking.

Encyclopedia of Political Theory Mark Bevir, 2010-03-18 Looking at the roots of contemporary political theory this three volume set examines the global landscape of all the key theories and the theorists behind them and provides concise to the point definitions of key concepts, ideas, schools and figures.

Belonging to the West: Geopolitical Myths and Identity in Modern Greece Antonios Nestoras, 2023-11-13 Uncover the fascinating story of Greece's unwavering quest for European belonging. This thought provoking book explores the intersection of geopolitics and political myth tracing Greece's enduring determination to align with Europe and the West. From the early days of European integration to the challenges of the Eurocrisis Greece's commitment remains steadfast. By analyzing the geopolitical myths that shape its identity the book illuminates the multifaceted factors driving Greece's pro European strategy and foreign policy. By introducing and using Analytical Geopolitics as a pioneering approach the book provides a historical structural framework and expands the role of myth in understanding international relations. *Belonging to the West: Geopolitical Myths and Identity in Modern Greece* is now available in paperback for individual customers.

[A Preface to American Political Theory](#) Donald S. Lutz, 1992-09-03 Donald Lutz begins *A Preface to American Political Theory* by explaining what the book doesn't do. It doesn't begin with a panegyric to the American founding. It doesn't answer the following questions: What are the basic principles in the U.S. Constitution? What were the intentions of the founders with respect to fill in your own topic? What is the meaning of pluralism or separation of powers or democracy or fill in your own concept? In short it doesn't provide an overview of the content, development or major conclusions of American political theory. What it does do is provide a pre-theoretical analysis of how to go about studying questions like the ones above: how to conceptualize the project, how to proceed in looking for answers, how to avoid the logical traps peculiar to the study of American political theory. Lutz sets out to emancipate American political theorists from empiricism and inappropriate European theories and methodologies. The end result is to establish the foundation for the systematic study of American behavior, institutions and ideas to provide a general introduction to the study of American

political theory and to illustrate how textual analysis history empirical research and analytic philosophy are all part of the enterprise Designed for students and scholars in all disciplines including political science history and legal studies A Preface to American Political Theory doesn t provide answers to central continuing issues in American political theory Rather it provides an effective sophisticated entree into the study of American political theory Readers will be armed with the intellectual tools to engage in systematic study and makes them aware of the pitfalls they will inevitably encounter

Political Myth Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Myth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Myth has opened up a world of possibilities. Downloading Political Myth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Myth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Myth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Myth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Myth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Myth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
