Political Crumbs:

Political Crumbs Hans Magnus Enzensberger, 1990 Essays cover Eurocentrism democracy in modern Germany economic policies and socialism **Political Economy, Capitalism, and Popular Culture** Ronnie D. Lipschutz, 2010-01-16 What does The Dark Knight have to do with political economy or Lord of the Flies with capitalism A great deal argues Ronnie D Lipschutz in this entertaining and enlightening guide to basic concepts and practices in capitalism neoclassical economics and political economy As he convincingly illustrates film and fiction occupy a dual role in today s economy They are the products of the economy designed and presented as commodities to be sold in great quantities even as they serve to reproduce social beliefs and practices e g torture comes to be seen as a routine and necessary means of extracting intelligence from suspects Drawing on film and fiction from the past sixty years Lipschutz describes and analyzes their essential role in the production and reproduction of contemporary society His thoughtful and imaginative critique will bring to life the concepts and practices of economics and political economy for all readers *Politics And Political Behavior* Paul Okamnaonu Nwaogu, 2017-11-30 **Political Status of the Negro in the Age of FDR** Ralph J. Bunche, 2024-09-11 A Nobel Peace Prize winner s groundbreaking work of social science that offered one of the earliest portraits of Black life in twentieth century America This volume presents the essence of a massive report prepared in 1940 by a team headed by political scientist and civil rights leader Ralph J Bunche for the Carnegie Corporation s Survey of the Negro in America The report was used by Swedish social economist Gunnar Myrdal in writing his monumental *An American Dilemma* and it shaped Myrdal s treatment of the Black political experience As a valuable historical document it provides a backdrop against which we can measure change in the Black American s political status and interpret the origins and consequences of the second Reconstruction The Political Status of the Negro introduces essential information about political practices in the Southern states It offers insight into the historical economic sociological and psychological factors that accounted for these practices as well as some understanding of the myths stereotypes and symbols that contemporaries often used to explain and justify them The study s most enduring value lies in its wealth of personal interviews which were conducted in the South in the late 1930s and in its first hand impressions of the African Americans and Southern politics The book is divided into two parts The first contains Bunche s explanations comments and analytical writings on the subject the second includes almost all of the interviews and field reports To this text historian Dewey W Grantham added a comprehensive introduction that discusses Bunche and his work the preparation of the research manuscript and the book s role in Gunnar Myrdal s later work *The Political Campaigns of Colorado* R. G. Dill, 1895 *The Political Constraints on Nigerian Economic Development Since the Independence* Cajetan Iwunze, 2013-02 Since gaining its independence in 1960 Nigeria has never really existed as a unified nation but rather as scattered tribal sects that often fail to coexist with one another peacefully This uneasy alliance has led to civil war in the past and is responsible for the continuing conflict between Muslims and Christians that exists in Nigeria

today Because of these deeply embedded political constraints Nigeria has also fallen behind in terms of economic development However Nigeria is not a nation without resources Many of Nigeria s conflicts are centered around oil As it stands currently Nigeria s wealth is concentrated in the hands of the ruling elite and little has been done to improve the situation of the poorest segments of the population But the prolonged and dismal situation in the Nigerian economy that serves as the inspiration behind *The Political Constraints on Nigerian Economic Development* Since the Independence is not without a potential solution Author Cajetan Iwunze intended this book as more than just a statement against the tribal nationalism and the economic bandits that continue to loot the country It also aims to suggest that if there is a solution it lies in reforming the country s institutions so that Nigeria s oil wealth can be used for the benefit of everyone Although he currently lives in the UK Cajetan Iwunze was born in eastern Nigeria Mr Iwunze is an international human rights campaigner writer and teacher who serves as the Director of Professional Tutors Ltd and the CEO of Dyswrite Ltd Publisher s website <http://sbpra.com/CajetanIwunze>
