Political Democracy and Ethnic Diversity in Modern European History André Gerrits, Dirk Jan Wolffram, 2005 This is the first volume in which the fate of democracy is directly related to ethnic diversity It highlights the crucial episodes in modern European political history and shows in what sense ethnic diversity was of vital importance The Kuyper Center Review, Volume 4 Gordon Graham, John Bowlin, 2014-04-20 This volume of essays is a new step by the Abraham Kuyper Center for Public Theology at Princeton Theological Seminary to stimulate new work in the broad area of Reformed theology and public life The contributions here deal largely with political themes some contemporary some historical **Ethnicity, Nationalism and the European Cold War** Robert Knight, 2012-04-26 This book questions the prevalent assumption that ethnicity and nationalist politics had nothing to do with the Cold War and that far from being frozen until the fall of communism they remained central to the conflict in Europe Leading scholars bring their understanding of particular regions to bear on the wider issue of why ethnic explanations were written out of the discourse and whether this was a failure on the part of Western observers This in turn has led to an overly simple understanding of power flowing downwards from superpower to nation state and from state to society Engaging with key thinkers such as Gaddis Moynihan and Adam Roberts this collection ultimately allows such speculation to be replaced by historical research and bridges the gap between high politics and ethnic concerns Economies, Institutions and Territories Luca Storti, Giulia Urso, Neil Reid, 2022-08-29 Presenting multidisciplinary and global insights this book explores the nexus between economies institutions and territories and how global phenomena have local consequences It examines how original and innovative economic related processes embed themselves in societies at the local level how boundaries between the state and the market are placed under stress by unexpected changes It explores whether new types of elites and forms of social inequalities are emerging as a result of institutional and economic changes and whether peripheral areas are experiencing insidious forms of economic and institutional lock in Presenting empirical cases and useful analytical and conceptual tools the book makes current economic and territorial phenomena more understandable This is an important read for students and scholars in the fields of geography sociology political sciences anthropology economics regional science and international relations It is also a valuable resource for policymakers well educated lay readers and economic political and international relations journalists Literature and the Arts since the 1960s Jorge Almeida e Pinho, Márcia Lemos, 2020-08-13 This collection of essays focuses on addressing the imaginative wake of the rebellious late 1960s with a particular but not exclusive focus on word and image relations The volume showcases and discusses the impact of such processes on literature and the arts of that mythologized historical period It explores the impact of its defining causes hopes and regrets on the creative imagination The awakening moment for that extraordinary momentous period in the global socio political memory was May 1968 which came to be seen as the culmination and epitome of a series of processes involving protest and the affirmation of previously silent or subaltern

causes Such processes and causes were predicated on challenges to established powers and mindsets and hence on demands for change which have had rich consequences in literature and the arts      **The Endurance of Nationalism** Aviel

Roshwald,2006-09-14 A major new study of the ancient roots of nationalism and its enduring power in the modern world

**Democratic Stability in an Age of Crisis** Agnes Cornell,Jørgen Møller,Svend-Erik Skaaning,2020 This book explains why several democracies during the period between the two world wars broke down and others survived and examines the extent to which present day democracies are fragile in the face of crises      **Conditioning Democratization** Ridvan

Peshkopia,2014-04-15 This book analyzes the effects of European Union membership conditionality on institutional reforms in Eastern Europe building on concrete examples from four sectors in Albania and Macedonia two postcommunist countries that have yet to join the EU The author discusses the theory of consociational democracy often considered the key to stabilizing deeply divided countries and reapplies it on the international stage to argue for how the EU can better direct democratization

Contemporary European History ,2005      *Peremptory International Legal Norms and the Democratic Rule of Law* Sonja Grover,2020-05-21 *Peremptory International Legal Norms and the Democratic Rule of Law* explores the risks to the democratic State inherent in the attempt to divorce the notion of democratic rule of law from respect for and adherence to peremptory international legal norms which allow for no derogation therefrom such as the prohibition of torture and inhumane treatment or punishment by the State The chapters address with specific current case examples in what ways the democratic rule of law within certain democratic States risks being undermined through those States acquiescing to the erosion of peremptory international law norms in the domestic and international context The book therefore explores the question of in what ways such democratic State acquiescence in effect may ultimately disrupt the investment within the State in the shared culture of core human rights values that underlies democratic rule of law itself and highlights the fragility of that shared culture The contributors argue for a renewed commitment in principle and practice to the democratic rule of law and to its human rights international normative underpinnings *Peremptory International Legal Norms and the Democratic Rule of Law* will be of great interest to scholars of international law human rights and democracy The chapters originally published as a special issue of *The International Journal of Human Rights*
