Political Legitimation in Communist States T. H. Rigby, Ferenc Feher, 1982-06-18 **Ideology, Legitimacy and the New State** Sinisa Malesevic, 2013-01-11 A comparative analysis of the dominant ideologies and modes of legitimization in communist Yugoslavia and post Communist Serbia and Croatia The aim of the book is to identify and explain dominant normative and operative ideologies and principal modes of legitimization in these three case studies **The Legitimation of Power** David Beetham, 2013-10-30 The new edition of this classic text provides a comprehensive introduction to the concept of legitimacy as applied to political systems Now addressing the issue of legitimacy beyond the state the book also includes a new introduction and two major additional chapters which update the argument in the light of developments and debates **The End of Communist Power** Leslie Holmes, 1993 Account of the collapse of the communist ruled states Analyses the nature of the legitimization crisis that developed following the failure of the economic reforms of the 1960s and 1970s and considers the role of official corruption and anti corruption campaigns Includes a bibliography and an index The author is Professor of Political Science at the University of Melbourne **Leadership, Legitimacy, and Conflict in China** Frederick C Teiwes, 2017-09-29 This title was first published in 1984 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs *Russian Politics from Lenin to Putin* S. Fortescue, 2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and post Soviet Russian politics Those themes include the personal versus the institutional in the political process legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow s architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

Openness and Foreign Policy Reform in Communist States Gerald Segal, 2005-06-28 This book looks at the way in which foreign policy has changed in communist states It considers especially the relationship between domestic reform and foreign policy reform at times when formerly closed societies are becoming more open to the outside world It focuses on three European and three Asian states analysing their different paths to reform and looking in depth at the question of why some communist regimes collapse and why those in Asia have proved more durable than those in Europe *Germany's Two Unifications* R. Speirs, J. Breuilly, 2004-12-06 Germany s unique historical experience of undergoing national unification twice in a little over a century makes it a fascinating object of study In this volume the processes of unification are analysed from

the point of view of historians political scientists and literary historians Because each event had quite different historical pre conditions the first having been long anticipated and pursued whereas the second took virtually all participants by surprise the processes of adjustment to it have differed in many ways Yet in each case the idea of national unity has held sway powerfully as a norm guiding the responses of those involved

Western Rights?:Post-Communist Application Andras Sajo,András Sajó,Katharine Lauer,1996-07-10 This work provides a complete record of the discussions held and papers presented at a conference on The Individual v The State held in Budapest at the Central European University which focused on various theories about the nature and role of rights Rights have the function of protecting the individual against collectivity against restrictions of individual freedom and against the imposition of burdens on individuals for the sake of the common good Joseph Raz argues in his introduction that rights cannot be understood in terms of these functions as this would distort the understanding of their role in morality and law The book is divided into six parts covering the following key topics Concepts of Rights Transition to Rights Rights in Transition Equality and Social Rights Minorities and Citizenship The International Dimension Economics of Rights It shows how varied the understanding of rights is among different theorists and in the practice of different countries and will be of prime interest to academics involved in legal theory *Legitimizing Identities* Rodney Barker,2001-10-18 This book discusses how rulers cultivate their identity for their own self justification and esteem
