Political Risk Assessment PRS Group, 2008-01-01 **The Routledge Handbook of Political Risk** Cecilia Emma Sottillotta, Julian Campisi, Johannes Leitner, Hannes Meissner, 2025-03-24 The Routledge Handbook of Political Risk explores the context analysis and management of political risk arising from recent tectonic geopolitical challenges to the world order posed by pandemics nationalist policy interventions changing supply chains technological transformation and the climate crisis Seasoned and emerging academics from the Global North and South alongside risk practitioners and business professionals from multiple continents and industries reconsider and address policy oriented questions in relation to social political democratic environmental economic security technological and geopolitical challenges Across five distinctive parts this Handbook considers ethical risks populism weaponised interdependence protectionism the disruptive effects of AI company case studies industries and political risk management while also reconsidering the future of political risk The volume will appeal to scholars and students of international business and management studies political science area studies security studies geography history and sociology In the absence of functioning global governance to mitigate such risks it will also be of great use to a range of consultants investors business practitioners and corporations **A Business Guide to Political Risk for International Decisions** , 2004 *Political Risk Assessment* Llewellyn D. Howell, 2001 EU Crisis and the Role of the Periphery Anastasios Karasavoglou, Serdar Ongan, Persefoni Polychronidou, 2014-10-10 The European economy is still in recession even though there are some weak indications of stabilization This book examines important aspects of the crisis in selected countries of Southern Europe the Balkans and Eastern Europe The intensity of the crisis and its economic and social repercussions have varied from country to country generally impacting the core countries less than those on the periphery The countries in the latter group currently face significant structural challenges with regard to improving productivity and competitiveness including the areas of investment climate the labour market and the public sector The book not only illustrates the scope of the problem but also informs readers on the policies implemented to address it and discusses the progress some of the economies have already made Special topics include the convergence hypothesis agriculture and growth Public Private Partnership in Infrastructure PPPI and the labour market Political Risk and the Institutional Environment for Foreign Direct Investment in Latin America Jörg Stosberg, 2005 Revision of the author's thesis Ph D Geottingen *International Business in the 21st Century* Bruce D. Keillor, Vijay R. Kannan, 2011-05-04 This comprehensive three volume set covers every aspect of international business operations and offers a detailed discussion of important issues looming on the horizon Covering an array of topics critical to today's business leader International Business in the 21st Century is comprised of three volumes The first volume Are You Ready Preparing for International Operations covers issues related to establishing an international business including assessing your export readiness and finding financing Volume two Going Global Implementing International Business Operations is about actually getting your business

up and running Volume three Staying on Top Crucial Issues for International Business in the 21st Century discusses the many things that impact anyone doing business in the international arena from cultural differences to the challenges of international threats and terrorism Bridging the gap between the business world and the academic world the set provides a comprehensive breakdown of the specific topic areas associated with firm preparedness improving efficiencies and the often overlooked areas of operational risk With this set in hand business leaders will better understand how to get involved and how to stay ahead of the curve in international markets Encyclopedia of Business in Today's World Charles Wankel,2009-06-12 Serving as a general nontechnical resource for students and academics these volumes provide an understanding of the development of business as practiced around the world Neo-Panafricanism Foreign Powers and Non-State Actors Francisco Kofi Nyaxo Olympio,2013 Apart from decolonization and the liquidation of apartheid the Organization of African Unity OAU has had three goals unity security and development In none of these three areas did the OAU live up to its expectation The transformation of the OAU was designed to inject institutional vim mainstream its social forces and keep abreast with challenges of the 21st century This book explores Pan Africanism from a perspective of a rapidly changing international system Key obstacles remain to the leadership conundrum and endemic capacity gaps Series African Politics Politiques Africaines Vol 6 The Global Society and Its Enemies Ludger Kühnhardt,2017-05-05 This book discusses contemporary constellations of international politics and global transformation It offers guidance on how to conceptualize the complexity of current global changes and practical policy advice in order to promote an open global society In the light of today s challenges the author re interprets the main argument of the philosopher Karl Popper in The Open Society and Its Enemies Based on this framework and new empirical evidence the book discusses the thesis of an ongoing Third World War triggered by fundamental deficits in nation building occurring primarily within states and not between them and accelerated by asymmetric forms of warfare and Islamist totalitarianism The book also explores various threats to the global order such as the paradox of borders as barriers and bridges the global effects of the youth bubble in many developing countries and the misuse of religious interpretation for the use of political violence Lastly the author identifies advocates and supporters of a liberal multilateral and open order and argues for a reinvention of the Western world to contribute to a revival of a liberal global order based on mutual respect and joint leadership
