

SOCIOCULTURAL THEORY

DEFINITION

Sociocultural theory emphasizes the influence of social interactions and cultural factors on an individual's development. It highlights how learning, cognition, and psychological processes are shaped by social relationships, cultural norms, and the collective knowledge of a particular society.

EXAMPLE

An example of sociocultural theory is how children learn language through social interactions with their caregivers and the cultural context in which they are raised. Additionally, sociocultural theory explains how cultural norms and beliefs influence individuals' problem-solving strategies and decision-making processes.

Political Theorizing In Asia The Sociocultural Context:

Political Theorizing in Asia Venkateswarier Subramaniam,1994 Revised and edited papers presented at the Conference on Non Western Political Theory held at Carleton University 28 30 November 1985 Ottawa Canada **Social Theory in Contemporary Asia** Ann Brooks,2010-07-14 Philosophical debates around reflexivity identity and intimacy have preoccupied Western social and cultural theorists since the 1990s and this book examines them in relation to the Chinese diasporic cultures in Asia The debates are set within the context of globalization and its impact on cultural gendered and ethnic identities in late modernity Theorizing Central Asian Politics Rico Isaacs,Alessandro Frigerio,2018-10-26 This book brings together a series of innovative contributions which provide an eclectic view of how theorizing politics plays out in Central Asia How are the concepts of governance legitimacy ideology power order and the state framed in the region How can we use the experiences of the Central Asian states to renovate political theorizing In addressing these questions the volume relies on the contributions of many young and local researchers whose chapters are primed to address three key themes exploring models of governance revealing ideological justifications and reframing state and order Utilizing a range of single and comparative case studies from across the Central Asian space this illuminating and original volume opens up a new space for political theorists regional specialists and students of politics to begin reconsidering how we approach the theorization of regions of the world assumed to be on the periphery **Asian Giants in Indian Works** Brij Kishore Kumar,2000 **Political Theory and South Asian Counter-Narratives** Maidul Islam,2021-09-28 This book evaluates the promise of human progress and secularism in grand political narratives of the nineteenth and twentieth centuries comparing counter narratives of South Asia within the context of a fast changing twenty first century The book embraces a broad range of sources and theoretical approaches that include political philosophy film and ideological discourse analysis In the twenty first century global inequality and significant growth of religious and majoritarian nationalisms have been appended with a protracted economic slowdown and recession in many countries Examining what went wrong in terms of secularism and distributive justice in India this book critiques the Euro American visions of democracy global capitalism and their so called universality As an alternative it proposes a progressive politics of radical democracy for the Indian people Reconsidering alternatives to capitalism western secularism and the radical possibilities of Islamism Political Theory and South Asian Counter Narratives will appeal to students and scholars of political theory international relations global history and South Asian politics *International Origins of Social and Political Theory* Tarak Barkawi,George Lawson,2017-04-12 This special issue is animated by the necessary entanglement of theory and history the cortical relationship between theory and practice and the transboundary relations that help to constitute systems of thought and practice **Dance [and] Theory** Gabriele Brandstetter,Gabriele Klein,2014-03-15 Both the identity of dance and that of theory are at risk as soon as the two intertwine This anthology collects observations by choreographers and scholars dancers dramaturges and dance theorists in an effort to

trace the multiple ways in which dance and theory correlate and redefine each other What is the nature of their relationship How can we outline a theory of dance from our particular historical perspective which will cover dance both as a practice and as an academic concept The contributions examine which concepts interdependencies and discontinuities of dance and theory are relevant today and promise to engage us in the future They address crucial topics of the current debate in dance and performance studies such as artistic research aesthetics politics visibility archives and the next generation

Social Activism in Southeast Asia Michele Ford, 2013 Social Activism in Southeast Asia examines the ways in which social movements operate in a region characterized by a history of authoritarian regimes and relatively weak civil society It situates cutting edge accounts of activism around civil and political rights globalization peace the environment migrant and factory labour the rights of middle and working class women and sexual identity in an overarching framework of analysis that forefronts the importance of human rights and the state as a focus for social activism Drawing on contemporary evidence from Cambodia Indonesia Malaysia Myanmar the Philippines Singapore Thailand and Timor Leste the book explores the ways in which social movement actors engage with their international allies the community and the state in order to promote social change As well as providing detailed and nuanced analyses of particular movements in specific areas of Southeast Asia the book addresses difficult questions about the politics strategies and authenticity of social movements

Social Theory and Asian Dialogues Ananta Kumar Giri, 2018-03-30 Critically exploring the presuppositions of contemporary social theory this collection argues for a trans civilizational dialogue and a deepening of the universe of intellectual discourse in order to transform sociology into a truly planetary conversation on the human condition Focusing on perspectives from Asia notably East Asia and India it interrogates presuppositions in contemporary critical social theory about man culture and society and considers central themes such as knowledge and power knowledge and liberation The diverse contributions tackle key questions such the globalization of social theory identity and society in east asia as well as issues such as biopolitics social welfare and eurocentrism They also examine dialogues along multiple trajectories between social theorists from the Euro American world and from the Asian universe such as between Kant and Gandhi Habermas and Sri Aurobindo the Bildung tradition in Europe and the Confucian traditions Arguing for a global comparative engagement and cross cultural dialogue this is a key read for all those interested in the future of social theory in the wake of globalization and the rise of the global south
