Political Thought Of The Conservative Party Since 1945

Lenon Campos Maschette

Political Thought Of The Conservative Party Since 1945:

The Evolution of Conservative Party Social Policy B. Williams, 2015-05-13 This book addresses how the Conservative Party has re focused its interest in social policy Analysing to what extent the Conservatives have changed within this particular policy sphere the book explores various theoretical social political and electoral dimensions of the subject matter

Conservative thinkers Mark Garnett, Kevin Hickson, 2013-07-19 This book outlines and evaluates the political thought of the Conservative Party through a detailed examination of its principal thinkers from Harold Macmillan to the present Traditionally the Conservative Party has been regarded as a vote gathering machine rather than a vehicle for ideas This book redresses the balance through a series of biographical essays examining the thought of those who have contributed most to the development of ideas within the party The chapters benefit from archival research and interviews with leading Conservatives The recent revival of Conservative fortunes makes the book particularly timely The book begins with an introductory chapter explaining the role of ideology in the Conservative Party It then traces the political thought of the Conservative Party through its principal theorists since the 1930s These are Harold Macmillan R A Butler Quintin Hogg Enoch Powell Angus Maude Keith Joseph the traditionalists Maurice Cowling T E Peter Utley Peregrine Worsthorne Shirley Letwin and Roger Scruton Ian Gilmour John Redwood and David Willetts The book concludes with an overall assessment of the political thought of the Conservative Party and the relevance of past debates for contemporary Conservatism The book will be of considerable interest to academics and non academics alike for those who have a special interest in the Conservative Party but also for any student of contemporary British Politics

The Conservative Party and the nation Arthur Aughey, 2018-04-03 This book re examines the claim of the Conservative Party to be the national party and in its politics to express the enduring national interest It explores the historical character of the Conservative Party in particular the significance of the nation in its self understanding It addresses the political culture of the modern party one which proclaims a Unionist vocation but rests mainly on English support and considers how the Englishness of the party is reconciled with the politics of British statecraft It considers the constitutional challenges which the Conservative Party faces in managing a changing Union in negotiating a changing Europe and in defining a changing national interest The book is essential reading not only for students and scholars of the Conservative Party but also for those who want to make sense of the transformations taking place in modern British politics

Cameron and the Conservatives T. Heppell, D. Seawright, 2012-02-07 Specialists in Conservative Party politics examine the effectiveness of the Cameron led coalition The contributors examine Cameron as leader and Prime Minister the Conservatives modernisation strategy the level of ideological coherence in liberal conservatism and the impact of the coalition on a range of policy areas and on New Labour

Conservative Governments in the Age of Brexit Matt Beech, Simon Lee, 2023-03-14 This book provides the first evaluation of the three Conservative administrations which have been affected shaped and largely determined by the age of Brexit It

breaks new ground by collectively analysing the Cameron May and Johnson administrations in an era of political and social shock and disruption caused by the phenomenon of Brexit As an edited collection the project brings experts together who explain the complexities of ideas leadership votes policy areas and territorial politics in an accessible and concise fashion As a collection of essays the project does not prosecute a single thesis bar the fact that the phenomenon of Brexit has affected shaped and largely determined the politics of these Conservative administrations and wider UK society There is broad coverage of leadership elections public policy and territorial questions and contributors consider the continuities and discontinuities in Conservative Party ideas and political action in their respective policy areas

The Tories Timothy Heppell,2014-03-13 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com This book offers a comprehensive and accessible study of the electoral strategies governing approaches and ideological thought of the British Conservative Party from Winston Churchill to David Cameron Timothy Heppell integrates a chronological narrative with theoretical evaluation examining the interplay between the ideology of Conservatism and the political practice of the Conservative Party both in government and in opposition He considers the ethos of the Party within the context of statecraft theory looking at the art of winning elections and of governing competently The book opens with an examination of the triumph and subsequent degeneration of one nation Conservatism in the 1945 to 1965 period and closes with an analysis of the party's re entry into government as a coalition with the Liberal Democrats in 2010 and of the developing ideology and approach of the Cameron led Tory party in government

British Conservatism Peter Dorey,2010-10-30 Defence of inequality has always been a core principle of the Conservative Party in Great Britain Yet the Conservatives have enjoyed great electoral success in a British society marked by widespread inequalities of wealth and income Peter Dorey here examines the intellectual and political arguments which Conservatives use to justify inequality He also considers debates between Conservatives over how much inequality is desirable or acceptable Should inequality be unlimited in order to promote liberty incentives and rewards Or should inequality be kept within certain bounds to prevent social breakdown and political upheaval Finally he examines why some less prosperous sections of British society have nonetheless supported the Conservatives instead of political parties promoting equality This book will be an important resource for students and commentators of contemporary British politics

Policies and Politics Under Prime Minister Edward Heath Andrew S. Roe-Crines,Timothy Heppell,2020-12-10 This book explores the political and intellectual significance of Edward Heath's leadership of the Conservative Party It contains a series of original and distinctive chapters that feature extensive archival materials and original insights from leading political scientists and historians The volume contributes significantly to our understanding of Conservative Party politics leadership and conservatism more broadly

Conservative Economic Policymaking and the Birth of Thatcherism, 1964-1979 Adrian Williamson,2016-01-12 In this book Adrian Williamson investigates the processes by which Thatcherism became established

in Tory thinking and questions to what extent the politician herself is responsible for Thatcherism within the Conservative Party

Social Policy Hugh Bochel, Guy Daly, 2020-07-12 This thoroughly revised and expanded new edition provides a comprehensive introduction to contemporary social policy and addresses its historical theoretical and contextual foundations as well as contemporary policy issues relating to health education and welfare as well as the impact of Brexit Divided into four parts it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject The third section examines contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy for example work and welfare education adult health and social care children and families crime and criminal justice health housing race disability social care and includes new chapters on class as well as comparative social policy Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations This is an essential textbook for undergraduate students taking courses in social policy and related subjects such as criminology health studies politics sociology nursing youth and social work

The Foundations of the British Conservative Party Bradley W. Hart, Richard Carr, 2013-08-01 This book provides a range of essays on aspects of the British Conservative Party from the late 19th century to the present day It offers fresh perspectives on Margaret Thatcher and Thatcherism Britain and Europe UK policy towards Ireland Conservatism and reform and the conservative ideology to name only a few of the key issues explored An accessible and concise overview this book is an important primer for anyone studying British politics history or social and political theory Included are contributions by leading scholars in British political history think tank commentators and a former Prime Minister It offers insights into the Conservative Party's staying power in spite of great social and political changes in the UK and the world It looks at how the party has functioned historically and what its future might be discussing its ideology and identity with reference to both Labour and Liberal opponents Fundamentally it considers the conservative appeal to the electorate conservative policy in both theory and practice and debates that have taken place within and outside the party itself Whether interested in Winston Churchill and David Lloyd George or David Cameron and Nick Clegg this work is intended to inform and challenge scholars and political practitioners alike

The Conservatives under David Cameron S. Lee, M. Beech, 2009-04-08 The Conservatives under David Cameron provides the first and definitive analysis of the development of New Conservative ideology and policy during the tenure of David Cameron identifying both continuity and change and evaluating the party's fitness to govern

The Student's Companion to Social Policy Pete Alcock, Tina Haux, Margaret May, Sharon

Wright, 2016-07-11 This fully updated and expanded edition of the bestselling Student's Companion to Social Policy charts the latest developments, research challenges and controversies in the field in a concise, authoritative format. Provides students with the analytical base from which to investigate and evaluate key concepts, perspectives, policies and outcomes at national and international levels. Features a new section on devolution and social policy in the UK, enhanced discussion of international and comparative issues and new coverage of nudge-based policies, austerity politics, sustainable welfare, working age conditionality, social movements, policy learning and transfer and social policy in the BRIC countries. Offers essential information for anyone studying social policy from undergraduates on introductory courses to those pursuing postgraduate or professional programmes. Accompanied by updated online resources to support independent learning and skill development with chapter overviews, study questions, guides to key sources and career opportunities, a key term glossary and more. Written by a team of experts working at the forefront of social policy. **Englishness Revisited** Floriane

Reviron-Piégay, 2020-10-27 What is Englishness? Is there such a thing as a national temperament? Is there a character or an identity which can be claimed to be specifically English? This collection of articles seeks to answer these questions by offering a kaleidoscopic vision of Englishness since the eighteenth century, a vision that acknowledges stereotypes while at the same time challenging them. Englishness is defined in contrast to Britishness, the Celtic fringe, Scotland in particular, Europe and the Continent at large. The effects of the Empire and of its loss are examined together with other socio-economic factors such as the two World Wars, de-industrialization and the different waves of immigration. Through a careful analysis of the arts, literature, philosophy, historiography, cultural and political studies produced in England and on the Continent over the last three centuries, a composite image of Englishness emerges somewhere between centre and periphery, tradition and innovation, transience and timelessness, rurality and urbanity, commitment and isolation. Englishness is thus revealed as a protean concept, one which, whether it is a historical or political construct, a genuine emanation of a national desire or a simulacrum, retains its fascination and this volume offers keys to understanding its diverse expressions. **The British**

Conservative Party Lenon Campos Maschette, 2024-02-20 Citizenship has been an ill-explored subject within Conservative Party studies. When this subject has been analysed, it is usually made by scholars of citizenship more concerned with general overviews than understanding specific Conservative approaches to the concept. This book intends to fill this gap. Through a rigorous analysis of sources, the author explores how the Conservative Party contested the welfare model of citizenship and sought to recreate a new relationship between the individual, the state and civil society. Starting from Thatcher's idea of active citizenship and going through the analysis of John Major's Citizen's Charter and David Cameron's Big Society project, the book sheds new light on how these developments responded to long-term problems while dialoguing with specific circumstances and the different Conservative leaders' ideas. From an ideological perspective, the author analyses how these leaders echoed and re-signified more traditional political ideas and ideologies while negotiating with and borrowing new

flourishing concepts during those years Far from being a unidimensional citizenship concept in reinterpreting old ideas and utilizing new ones these Conservatives elaborated a complex and many times contradictory citizenship model that tried to address both long lasting and more timely issues that overlapped in British society [British Polity, The, CourseSmart eTextbook](#) Philip Norton,2015-10-30 This book provides a clear conceptual framework for the understanding of British politics influenced in broad terms by a systems approach to public policy It considers the bodies responsible for scrutinizing and legitimizing the policies of the U K government Parliament and the monarchy [Reconstructing Conservatism?](#) Richard Hayton,2017-10-03 Why did it take the Conservative Party so long to recover power After the landslide defeat in 1997 why was it so slow to adapt reposition itself and rebuild its support How did the party leadership seek to reconstruct Conservatism and modernise its electoral appeal Of vital interest to anyone interested in British politics this highly readable book addresses these questions through a contextualised assessment of Conservative Party politics between 1997 and 2010 It traces debates over strategy amongst the party elite and scrutinises the actions of the leadership It also considers four particular dilemmas for contemporary Conservatism European integration national identity and the English Question social liberalism versus social authoritarianism and the problems posed by a neo liberal political economy The book argues that the ideological legacy of Thatcherism played a central role in framing and shaping these intraparty debates and that an appreciation of this is vital for explaining the nature and limits of the Conservatives renewal under Cameron **British Conservative Leaders** Charles Clarke,Toby S. James,Tim Bale,Patrick Diamond,2025-09-30 As the party that has held power more times than any other the Conservatives have played a crucial role in the shaping of British society And yet the leaders who have stood at its helm from Sir Robert Peel to Rishi Sunak via Winston Churchill and Margaret Thatcher have steered the party vessel with enormously varying degrees of success particularly latterly when the short but destructive tenures of Boris Johnson and Liz Truss did much to damage the party s reputation for competence The requirements techniques and goals of Conservative leadership since the party s nineteenth century factional breakaway have been forced to evolve almost beyond recognition and not all its leaders have managed to keep up This comprehensive and enlightening book now fully updated with chapters on all Conservative leaders up to Rishi Sunak and an assessment of the party s leadership in relation to Brexit considers the attributes and achievements of each leader in the context of their respective time and diplomatic landscape Offering a compelling analytical framework by which they may be judged it also provides detailed personal biographies from some of the country s foremost political critics and exclusive interviews with former leaders themselves An indispensable contribution to the study of party leadership *British Conservative Leaders* is the essential guide to understanding British political history and governance [British Conservatism and the Legal Regulation of Intimate Relationships](#) Andrew Gilbert,2018-08-23 What does conservatism as a body of political thought say about the legal regulation of intimate relationships and to what extent has this thought influenced the Conservative Party s approach to

family law With this question as its focus this book explores the relationship between family law conservatism and the Conservative Party since the 1980s Taking a politico and socio legal perspective the discussion draws on an expansive reading of Hansard as well as recently released archival material The study first sets out the political tradition of conservatism relying largely on the work of Edmund Burke before going on to analyse the discourse around the development of four crucial statutes in the field namely the Matrimonial and Family Proceedings Act 1984 the Family Law Act 1996 the Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 This work offers the first extended synthesis of family law conservative political thought and Conservative Party politics and as such provides significant new insight into how family law is made Runner up of the 2020 PSA Conservatism Studies Book Prize **The Politics of the Thatcher Revolution** G. Fry, 2015-12-04 The Thatcher era was the most dramatic period in British politics since the 1940s As Conservative Prime Minister Margaret Thatcher proved to be the Iron Lady at home and abroad This book analyzes the politics of the Thatcher era in an incisive and challenging manner

When people should go to the book stores, search opening by shop, shelf by shelf, it is in fact problematic. This is why we present the book compilations in this website. It will enormously ease you to look guide **Political Thought Of The Conservative Party Since 1945** as you such as.

Political Thought Of The Conservative Party Since 1945 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Thought Of The Conservative Party Since 1945 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Thought Of The Conservative Party Since 1945 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Thought Of The Conservative Party Since 1945 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Thought Of The Conservative Party Since 1945. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Thought Of The Conservative Party Since 1945 any PDF files. With these platforms, the world of PDF downloads is just a click away.
