Radhasoami Tradition A Critical History Of Guru Successorship

David Lane

Radhasoami Tradition A Critical History Of Guru Successorship:

The Radhasoami Tradition David Christopher Lane, 1992 A sociological study of the forces at work in choosing a successor to a guru taking as the central example the 1974 rivalry for spiritual leadership of an Indian sect Traces the lineage back to the beginning of the sect noting the circumstances of the various successions and relating them to the thoughts of the followers about the recent succession based on interviews No subject index Annotation copyright by Book News Inc Portland OR

Radhasoami David Christopher Lane, 2015-09-26 Presents a critical overview of guru succession in the Radhasoami Tradition from its inception in the mid 1850s up until early 1991 Provides vital information for anyone interested in the politics behind guru succession in general Includes extensive notes and an exhaustive bibliography Focuses specifically on the development of gurus in the Agra and Beas branches and includes information on lesser known gurus and movements including Faqir Chand and Manavta Mandir Central Issue On August 24 1974 Kirpal Singh a renowned guru of surat shabd yoga union of the soul consciousness with the sacred sound and founder of Ruhani Satsang died at the age of eighty His death caused an intense succession dispute amongst his thousands of followers that has yet to be mended Eventually a number of factions developed each following a different successor Although most of Kirpal Singh's followers rallied around Darshan Singh Kirpal's son others paid allegiance to either Thakar Singh of Delhi or Ajaib Singh of Rajasthan The interesting sociological question that confronts us here is how each successor to Kirpal Singh legitimized his role That is what type of ideological strategy did these would be gurus develop in order to solidify their constituencies Further what were the social and historical factors that influenced or constrained their gaddi nasheen rhetoric To properly address and answer these questions necessitates a fairly comprehensive overview of the social context in which these surat shabd yoga gurus live and teach Thus this study begins with a historical overview of Sant mat and Radhasoami in general And secondly I have focused on the specific parampara guru lineage that preceded Kirpal Singh and his successors General Thesis The central thesis of this work is that there is an observable pattern which governs the ideological work i e rhetoric of guru succession in the Sant mat and Radhasoami traditions namely successorship claimants who lack sufficient outward confirmation to be accepted by the majority of the guru's congregation move generally toward experiential inward and personal forms of verification This movement towards internal validation moreover brings with it an inclination to question the forms of legitimacy that brought solidarity to the majority party and its leader Hence minority claimants usually those who do not retain the gaddi seat of the guru's residence tend in Max Weber's terms to criticize the routinization of charisma by office and argue for the superiority of personal attainment The politics of guru succession therefore is essentially a conflict over the nature and transference of charisma spiritual power Using Ken Wilber's terminology as found in *A Sociable God* this thesis can also be phrased as those who lack legitimacy outward confirmation by the consensus majority point to their authenticity inward confirmation by individuals experientially or mystically as the primary means for verifying their roles Additionally

guru succession is oftentimes a struggle over controlling theological doctrines membership ranks and property rights Hence gurus do not merely represent their own inner callings but various material interests ranging from the right interpretation of Radhasoami teachings to the governance of sadhu and household members of outlying branches to ownership rights over inherited sacred property With such larger worldly issues at stake it is little wonder that guru politics can turn into an ugly slugfest between sister related communities The decades long legal battle between Dayal Bagh and Soami Bagh over worship rights at Shiv Dayal Singh s samadh is perhaps the most graphic illustration of how social factors play a central part in succession contests Based on years of extensive research from the author s numerous trips to India and personal interaction with a large number of shabd yoga gurus *The Sach Khand Journal of Radhasoami Studies* David Lane,2015-12-12 This unique journal covers the history of the Radhasoami movement as founded by Shiv Dayal Singh in the mid 19th century with unique articles on the various offshoots that have branched off from its inception Includes essays on Eckankar MSIA MasterPath and other American based gurus Also includes special issues on the death of Julian P Johnson and Soamiji s forgotten guru *The Evolution and Growth of Radha Soami Satsang Beas* Raman Nayyar,2025-10-27 This volume presents a detailed study of the growth of Beas branch of Radha Soami Satsang which started from a wild grass strewn area of a few square yards and which has now been converted into a well planned self governed township under the leadership of its five spiritual masters Baba Jaimal Singh Baba Sawan Singh Baba Jagat Singh Baba Charan Singh and the present Master Baba Gurinder Singh It also takes into account through extensive fieldwork the historical background philosophy national and international growth administrative structure social welfare activities and literary works undertaken by the Beas branch It adds new dimensions to one s understanding of how a religious philosophy propagated by its masters could attract millions of followers from all over the world The work is largely based on the information collected through the author s personal visits to Dera Beas and its other satsang centres interviews of some Dera devotees besides Dera Library Archival records Dera magazines Government records and secondary sources This volume also contains detailed maps appendices and a glossary which adds immensely to the scholarly nature of the work **The Guru In America , The Guru in South Asia** Jacob Copeman,Aya Ikegame,2012-08-21 This book provides a set of fresh and compelling interdisciplinary approaches to the enduring phenomenon of the guru in South Asia Moving across different gurus and kinds of gurus and between past and present the chapters call attention to the extraordinary scope and richness of the social lives and roles of South Asian gurus Prevailing scholarship has rightly considered the guru to be a source of religious and philosophical knowledge and mystical bodily practices This book goes further and considers the social engagements and entanglements of these spiritual leaders not just on their own narrowly denominational terms but in terms of their diverse complex rapidly evolving engagements with society broadly conceived The book explores and illuminates the significance of female gurus gurus from the perspective of Islam imbrications of guru ship and slavery in pre modern India connections between gurus and power governance and

economic liberalization in modern and contemporary India vexed questions of sexuality and guru ship gurus charitable endeavours the cosmopolitanism of gurus in contexts of spiritual tourism and the mediation of gurus via technologies of electronic communication Bringing together internationally renowned scholars from religious studies political science history sociology and anthropology The Guru in South Asia provides exciting and original new insights into South Asian guru ship The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Radhasoami Tradition David Lane, 2023-03-22 The Radhasoami Tradition is an important contribution to several scholarly literatures on Southeast Asian studies the sociology of religion and the sociology of politics Dr Lane has gathered a truly impressive array of data on the process of choosing a new guru in the Radhasoami tradition No serious scholar of Indian religion can ignore Lane's work The data he has collected will be the building blocks for all future research on this area To this data David has applied a very insightful original conceptual framework combining elements of Weberian theory on the transmission of charisma of phenomenological theory on the sociology of experience and the theories of ideological work developed by Bennett Berger The result is the kind of scholarship that deeply respects the authenticity of the religious experience of the Radhasoami community while at the same time making it possible to understand that experience in the context of cultural processes and organizational dynamics common to many different religious communities Professor Madsen Co author of Habits of the Heart The Radhasoami Tradition is one of the best works I have read in many years in the field of modern religion and society Its great strength I feel is its understanding of the concept of authority in the Radhasoami tradition and in religious communities in India in general At no greater time is this concept tested and honed than in the process of succession from one spiritual master to another These are often difficult moments for the Radhasoami communities and for this reason inside knowledge about guru succession is very difficult to obtain Dr Lane not only has this information he has it in abundance He is able to work with this vast knowledge of Radhasoami history and make useful sociological observations on the basis of it Professor Juergensmeyer Author of Radhasoami Reality The Radhasoami Tradition is a masterful work Dr Lane demonstrates the dynamics and history of Indian religious movements in the Hindu tradition and provides a basis for comparative analysis Building on the classics in the sociology of religion and new studies of religious movements Dr Lane skillfully shows how religious traditions are maintained in the midst of change conflict and negotiation Professor Jules Rosette Author of The New Religions of Africa

Encyclopedia of New Religious Movements Peter Clarke, 2004-03 An essential companion to both research and scholarship upon which undergraduates postgraduates lecturers and researchers can all be expected to draw [Handbook of Religion and the Authority of Science](#) Jim R. Lewis, Olav Hammer, 2010-11-19 There has been a significant but little noticed aspect of the interface between science and religion namely the widespread tendency of religions to appeal to science in support of their truth claims Though the appeal to science is most evident in more recent religions like Christian Science and

Scientology no major faith tradition is exempt from this pattern Members of almost every religion desire to see their truths supported by the authority of science especially in the midst of the present historical period when all of the comforting old certainties seem problematic and threatened The present collection examines this pattern in a wide variety of different religions and spiritual movements and demonstrates the many different ways in which religions appeal to the authority of science The result is a wide ranging and uniquely compelling study of how religions adapt their message to one of the major challenges presented by the contemporary world Sach Khand, 3 ,

Unveiling the Magic of Words: A Report on "**Radhasoami Tradition A Critical History Of Guru Successorship**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Radhasoami Tradition A Critical History Of Guru Successorship Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radhasoami Tradition A Critical History Of Guru Successorship has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radhasoami Tradition A Critical History Of Guru Successorship has opened up a world of possibilities. Downloading Radhasoami Tradition A Critical History Of Guru Successorship provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radhasoami Tradition A Critical History Of Guru Successorship has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radhasoami Tradition A Critical History Of Guru Successorship. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radhasoami Tradition A Critical History Of Guru Successorship. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radhasoami Tradition A Critical History Of Guru Successorship, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radhasoami Tradition A Critical History Of Guru Successorship has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radhasoami Tradition A Critical History Of Guru Successorship Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
