Radical Feminism Today:

Radical Feminism Today Denise Thompson, 2001-06-01 Radical Feminism Today offers a timely and engaging account of exactly what feminism is and what it is not. Author Denise Thompson questions much of what has come to be taken for granted as feminism and points to the limitations of implicitly defining feminism in terms of women gender difference or race gender class. She challenges some of the most widely accepted ideas about feminism and in doing so opens up a number of hitherto closed debates allowing for the possibility of moving those debates further. **Feminist Politics and Human Nature (Philosophy and Society)** Alison M. Jaggar, 1988-10-24 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *Radical Feminists* Paul D. Buchanan, 2011 This timely new book explores the formation of the Radical Feminist Movement of the 1960s and 1970s its prominent leaders and organizations and the issues it sought to address *China, Sex and Prostitution* Elaine Jeffreys, 2004-02-24 China Sex and Prostitution is a topical and important critique of recent scholarship in China studies concerning sexuality prostitution and policing. Jeffrey's arguments are constructed in the form of detailed analysis of a wide range of primary texts including documents press reports police report and policy and legal pronouncements and secondary literature in both English and Chinese. Contemporary Sociological Theory and Its Classical Roots George Ritzer, Jeffrey Stepnisky, 2022-04-29 Contemporary Sociological Theory and Its Classical Roots The Basics is a brief survey of sociology's major theorists and theoretical approaches from the Classical founders to the present. The content is adapted from Ritzer Stepnisky Sociological Theory and the authors connect many theorists together into chapters with broad headings Contemporary Integrative Theories Contemporary Theories of Everyday Life etc that offer students a big picture synthesized view of sociological theory. Because of its size price and flexible organization the text can be used in a variety of undergraduate sociological theory classes Classical Contemporary or Combined *Separatism and Women's Community* Dana R. Shugar, 1995-01-01 This is the kind of book I've been looking for. Bonnie Zimmerman author of The Safe Sea of Women Lesbian Fiction 1969 1989 The energy spent on all sides of debates about women's separatism demonstrates the vitality of separatism as an important issue. Excited by the prospect that changes in their personal lives could reverberate through the nation many women have organized rural communes and urban business collectives putting ideas into practice. Separatism and Women's Community reviews debates in separatist theory historical narratives by members of separatist collectives and utopian novels that envision how collectives might be formed. Shugar compares the ideas and proposals of theorists including Robin Morgan Shulamith Firestone Joyce Cheney Joan Nestle Ti Grace Atkinson and the Radicalesbians with the experience of women from collectives as diverse as Cell 16 the Combahee River Collective the Gutter Dyke Collective the Seattle Collective the Bloodroot Collective and the Lavender Woman Collective of Chicago. Despite the

attempts to connect action and thought many women were ill prepared for the problems they found in collective life Women who theorized that oppression based on difference was a man made phenomenon were confronted by other women who challenged their racism classism or homophobia The community had to respond to these confrontations in ways that would strengthen rather than destroy their tentative connections with other women Dana R Shugar is an assistant professor of English and women s studies at the University of Rhode Island
