Rasul, 2024-07-08 Ms Rasul delved into a personal journey on forgiveness She discovers that it is a lifelong quest In our

modern society most people can be so quick to judge and condemn others or even themselves It is human nature to withhold forgiveness sometimes for years decades or even a lifetime Holding onto anger and resentment will hurt you more than it can hurt the other person However you can choose to carry on the burden and past grievances or you can choose to forgive completely and be at peace with yourself and God Forgiveness is a decision Forgiveness is free The 70X7 is a Christian infinity symbol which means forgiveness must be given infinite and without limit Forgiveness does not have a timeline So you can take your time The first two chapters lay out some forgiveness verses from a religious perspective Then Ms Rasul takes on various self help books that discuss traditional and radical forgiveness We must be willing to open our hearts and accept forgiveness over resentment True forgiveness can only come from the core of one's heart What you withhold suppress your peace What you release determines your freedom
