A Radical View Whitelaw Reid, 1976 **The Fiery Trial** Eric Foner, 2011-09-26 A masterwork by the preeminent historian of the Civil War era Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue American slavery A master historian Eric Foner draws Lincoln and the broader history of the period into perfect balance We see Lincoln a pragmatic politician grounded in principle deftly navigating the dynamic politics of antislavery secession and civil war Lincoln's greatness emerges from his capacity for moral and political growth **Abraham Lincoln, 2nd Edition** Allen C. Guelzo, 2022-11-08 The story of Abraham Lincoln's faith and intellectual life updated and revised with a new preface from the three time winner of the Lincoln Prize and best selling Civil War era historian Allen Guelzo Allen Guelzo's peerless account of America's most celebrated president explores the role of ideas in Lincoln's life treating him as a serious thinker deeply involved in the nineteenth century debates over politics religion and culture Through masterful and original scholarly work Guelzo relates the outward events of Lincoln's life to his inner spiritual struggles and sets them both against the intellectual backdrop of his age The sixteenth president emerges as a creative yet profoundly paradoxical man possessed of deep moral and religious character yet without adherence to organized religion Since its original publication in 1999 Abraham Lincoln Redeemer President has garnered numerous accolades not least the prestigious Lincoln Prize After writing several other acclaimed studies of Lincoln and other aspects of Civil War era history Guelzo returns to update this important early work for a second edition A new preface addresses the developments in Lincoln scholarship in the years since the book's original publication and offers Guelzo's fascinating retrospective look at the unusual path he took to becoming a Lincoln scholar

O'Neill, 2014-01-10 This book is an operational and tactical study of cavalry operations in Northern Virginia from September 1862 to July 1863 It examines in detail John Mosby's first six months as a partisan within the context of the larger threat to the Union capital posed by Jeb Stuart Previous studies of Mosby's career are largely based on postwar memoirs This narrative balances those accounts with previously unpublished official contemporary records left by the Union soldiers assigned to the defense of Washington D C The formation of the Michigan Cavalry Brigade is fully documented along with the exploits of the brigade in the months before George Custer took command Largely forgotten events such as Jeb Stuart's Christmas Raid the fight at

Fairfax Station during Stuart's ride to Gettysburg as well as the vital role played by Union general Julius Stahel's cavalry division in the critical month of June 1863 are examined at length WAR NEWS: Blue and Gray in Black and White Brayton Harris, 2010-06-21 WAR NEWS originally published in 1999 as Blue the efforts of newspapers to influence military appointments strategy and tactics advances in printing technology formal and informal censorship the suppression of dissident newspapers and most of all the war correspondents themselves **Catalog of Copyright Entries.
