Radio Bahai Ecuador

Wendi Momen, Moojan Momen

Radio Bahai Ecuador:

Radio Bahá'í, Ecuador Kurt Hein, 1988 **Citizens of the World** Margit Warburg, 2018-08-14 Citizens of the World deals with the Bahais and their religion While covering the historical development in sufficient detail to serve as a general monograph on Bahai emphasis is laid on examining contemporary Bahai with the Danish Bahai community as a recurrent case The book discusses Bahai religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Bahais fieldwork data from the Bahai World Centre in Israel and field trips around the world The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation Several general topics in the study of new religions are covered The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions **The Baha'i Faith: A Guide For The Perplexed** Robert H. Stockman, 2012-11-21 Founded by Bah u llah in Iran in the 19th century the Bah Faith is one of the youngest of the world s major religions Though it has over 5 million followers worldwide it is still little understood outside of its own community The Bah Faith A Guide for the Perplexed explores the utopian vision of the Bah Faith including its principles for personal spiritual transformation and for the construction of spiritualized marriages families Bah communities and ultimately a spiritual world civilization Aimed at students seeking a thorough understanding of this increasingly studied religion this book is the ideal companion to studying and understanding the Bah Faith its teachings and the history of its development **The Khamsis: A Cradle Of True Gold** Boris Handal, 2020-07-09 In 1881 five brothers known as the B qirof Khamsi clan whom Bah u ll h designated as S d t i Khams The Five Siyyids in Arabic accepted the Bah Faith in the northern part of Iran For such an intrepid decision they were automatically disinherited from the family fortune although interestingly became affluent later by their own toil This book describes this wealthy family and their struggles to survive in the midst of a fanatical establishment It is the narrative of a kinfolk using their high social position to defend overtly and covertly their newly espoused religion and the vulnerable community gathered around those teachings Bigotry persecution and harassment could not abate their inner spiritual forces but rather strengthened their resolution for getting their religion known recognised and protected Going through various tumultuous Iranian social scenarios three main waves in such a courageous family are easily recognisable namely Siyyid Na ru ll h B qirof Siyyid Ahmad Khamsi B qirof and Mas ud Khamsi the latter whom ultimately brought the Bah Faith to ten of thousands of indigenous people of South America An exemplary trilogy taking the reader to Iran Russia the Holy Land France Germany Austria Hungary Africa and even to awe inspiring areas such as the Amazon rainforest and the Andes mountains exemplifying that love for humanity also travels and it never tires in giving if inspired by higher principles **A Concise Encyclopedia of the Baha'i Faith** Peter Smith, 2013-10-01 Written by a well known author in the field of Bahai studies this is a comprehensive and accessible encyclopedia to the youngest of the

world religions Regarded as the second most widespread faith after Christianity with adherents in almost every country around the globe the Baha i faith is nevertheless unfamiliar to many here Dr Smith traces the origins and development of the religion from 19th century Iran to the modern day introducing its central figures and major historical events combining breadth with a readable yet concise style he provides a balanced overview of Baha i scriptures doctrines and practices social teachings and organization This reference work presents a clear and knowledgeable view of a fascinating new religion

From Vision to Victory Eunice Braun,1993 **Minority Language Media** Michael J. Cormack,Niamh

Hourigan,2007-01-01 This book is an international collection of essays by 14 researchers Included are essays on general topics on minority language media as well as studies of specific examples The contributors are all experienced researchers in this field Taken as a whole the book is the first attempt to define and develop minority language media as a distinct field of study

Social Media and Minority Languages Elin Haf Gruffydd Jones,Enrique Uribe-Jongbloed,2013-02-22 As a field in its own right Minority Language Media studies is developing fast The recent technological and social developments that have accelerated media convergence and opened new ways of access and exchange into spaces formerly controlled by media institutions offer new opportunities challenges and dangers to minority languages and especially to their already established media institutions This book includes debates on what convergence and participation actually mean a series of case studies of specific social media developments in minority language as well as comparative studies on how the cultural industries have engaged with the new possibilities brought about by media convergence Finally the book also offers a historical review of the development of Minority Language Media worldwide and evidences the areas in which more extensive research is required

Understanding the Baha'í Faith Wendi Momen,Moojan Momen,2006 The Baha i Faith is the youngest of the world s independent religions and the second most widespread after Christianity The Baha i scriptures provide a wide ranging social programme designed for people living today coupled with spiritual principles that echo those found in the great faith traditions of the past

Broadcasting on the Short Waves, 1945 to Today Jerome S. Berg,2008-10-24 Shortwave broadcasting originated in the 1920s when stations used the new technology to increase their range in order to serve foreign audiences and reach parts of their own country not easily otherwise covered The early days of shortwave radio were covered in *On the Short Waves 1923 1945 Broadcast Listening in the Pioneer Days of Radio* published by McFarland in 1999 paperback 2007 Then two companion volumes were published picking up the story after World War II They were *Listening on the Short Waves 1945 to Today* McFarland 2008 paperback 2010 which focuses on the shortwave listening community and the present *Broadcasting* title about the stations themselves and their environment The heart of the book is a detailed year by year account of the shortwave bands in each year from 1945 to 2008 It reviews what American listeners were hearing on the international and domestic shortwave bands describes the arrivals and departures of stations and recounts important events The book describes the several categories of broadcasters international domestic private religious

clandestine and pirate It explains the impact of relay stations frequency management and jamming It also addresses the considerable changes in shortwave broadcasting since the end of the Cold War The book is richly illustrated and indexed and features a bibliography and extensive notes

Unveiling the Magic of Words: A Review of "**Radio Bahai Ecuador**"
