Radio Television Society:

The Wisconsin Historical Society John Zimm, 2021-03-30 Explore the storied history of this grand Wisconsin treasure the Wisconsin Historical Society older than the state itself From the Society's earliest days as pioneers worked to record history even as it was happening to its struggles to weather the Great Depression and its landmark efforts to record the most important social and political movements of our times From its very start the Society has worked to treasure up the stories of people from every walk of life in every corner of the state The story behind the Wisconsin Historical Society is a uniquely Wisconsin story one that belongs to all who call Wisconsin home

Buttress's World Guide to Abbreviations of Organizations Jean C. Swinbank, 2012-12-06 This edition of over 60 000 entries including significantly more than 20% new or revised material not only updates its predecessor but also continues the policy of extending coverage to areas dealt with only sparsely in previous editions Special attention has been paid to the Far East Australasia and Latin America in general and to the People's Republic of China in particular The cross referencing between a defunct organization and its successor indicated by ex and now introduced into the last edition has been extended Otherwise the policies adopted in previous editions have been retained All kinds of organizations are included international national governmental individual large or small but strictly local organizations have been omitted The subject scope includes activities of all kinds in the fields of commerce and industry education law politics public administration religion recreation medicine science and technology The country of origin of a national organization is given in brackets unless it is the home country of the title language or can be deduced readily from the title itself Acronyms of parent bodies of subsidiary organizations are also added in brackets Equivalences are used to link acronyms in different languages for the same organization A select bibliography guides the reader to specialist works providing more detailed information

A Concise History of British Television, 1930-2000 Tony Currie, 2004

Television before TV Anne-Katrin Weber, 2025-10-01 Television before TV rethinks the history of interwar television by exploring the medium's numerous demonstrations organized at national fairs and international exhibitions in the late 1920s and 1930s Building upon extensive archival research in Britain Germany and the United States Anne Katrin Weber analyses the sites where the new medium met its first audiences She argues that public displays offered spaces where television's symbolic cultural political and social definitions were negotiated and eventually stabilized for the historian the exhibitions therefore constitute crucial events to understand not only the medium's pre war emergence but also its subsequent domestication in the post war years Designed as a transnational study her book highlights the multiple circulations of artefacts and ideas across borders of democratic and totalitarian regimes alike Richly illustrated with 100 photographs Television before TV finally emphasizes

that even without regular programmes interwar television was widely seen **Early Television** George Shiers, 2014-07-16 Exploring the beginnings of the most influential communications medium of all time this work covers the history of early mechanical and later electronic means of television It takes a chronological approach to the subject from its theoretical conception in the late 1800s through important market experiments just prior to World War II Coverage is global and multilingual with material from French German Russian and English sources Each chapter begins with a historical essay that places the period in context After 1927 each chapter focuses on a single year The coverage weaves together the discoveries and developments in all countries reporting on the work of solitary inventors as well as research teams The text ties together annotated citations that make up the bulk of each chapter and excerpts from important documents or eyewitness accounts Each chapter also contains a chronology of the advances and breakthroughs during the period covered The entire work is carefully cross referenced and indexed to provide easy access Chronology Index Journal of the Society of Motion Picture and Television Engineers Society of Motion Picture and Television Engineers, 1956 **What Can I Do Now** Ferguson, 2009 Presents an introduction to careers in radio and television broadcasting including ways of preparing to find a job and related activities such as volunteering internships and summer study programs **International Dictionary of Broadcasting and Film** Desi Bogner, 1999-12-20 No matter what continent you are on the distinct professional language of radio and television broadcasters and film and video makers remains the same Still the only reference that is international in scope The International Dictionary of Broadcasting and Film Second Edition is a comprehensive guide to professional filmmaking and broadcasting terminology Entries also include information on professional organizations festivals and awards Appendices contain tables of international television and film standards frequencies and channels and a list of national and international news agencies and their standard abbreviations This book has been substantially revised and updated to include coverage of the new digital technology plus information on the history of film and broadcasting It is a valuable reference to professionals in broadcasting and filmmaking as well to students in these fields *The Decision Makers of Communications are in IRTS, how about You!.* International Radio and Television Society, 1969
