Raf Bomber Command In Fact Film And Fiction:

RAF Bomber Command in Fact, Film and Fiction Jonathan Falconer, 1996 RAF Bomber Command in Fact Film and Fiction is a bibliographical and media guide to the exploits of the command between 1939 1945 setting on record much of what has been written filmed or sound recorded in the English language Bomber Boys on Screen S. P. MacKenzie, 2019-08-08 Since the Second World War depictions of Royal Air Force operations in film and television drama have become so numerous that they make up a genre worthy of scholarly attention In this illuminating study S P MacKenzie explores the different ways in which the men of RAF Bomber Command have been represented in dramatic form on the big and small screen from the war years to the present day Bomber Boys on Screen is the first in depth study of how and why the screen drama image of those who flew those who directed them and those who provided support for RAF bomber operations has changed over time sometimes in contested circumstances Until now dramas that focus on Bomber Command have tended to be mentioned only in passing or studied in isolation despite the prevalence of surveys of both the British war film genre and of aviation cinema In Bomber Boys on Screen MacKenzie examines the development presentation and reception of significant dramas on a decade by decade basis Titles from the beginning of the war *The Lion Has Wings* 1939 to the start of new century Bomber s *Moon* 2014 are situated in the context of technical possibilities and limitations evolving social and cultural norms in the United Kingdom and elsewhere and the development of moral and utilitarian controversies surrounding the wartime bomber offensive directed against Nazi Germany While the focus is on feature films and television plays reference is also made to documentaries memorials veterans organizations book titles war comics and other representations of the war fought by Bomber Command **The Aircraft-Spotter's Film and Television Companion** Simon D. Beck, 2016-06-24 Ever wondered how many aircraft were converted into Japanese Zeroes and torpedo bombers for Tora Tora Tora or how French Gazelle helicopters were modified for the title role in *Blue Thunder* This first of its kind reference book lists aircraft featured in 350 films and television shows providing brief individual histories film locations serial numbers and registrations Aircraft are also cross referenced by manufacturer Appendices provide brief bios on pilots and technicians information on aircraft collections owned by Tallmantz Aviation and Blue Max Aviation and film credits for U S aircraft carriers BRITISH WAR FILMS, 1939 - 45 S. P. Mackenzie, 2001-01-01 The cinema was the most popular form of entertainment during the Second World War Film was a critically important medium for influencing opinion Films such as *In Which We Serve* and *One of Our Aircraft is Missing* shaped the British people s perceptions of the conflict *British War Films 1939 45* is an account of the feature films produced during the war rather than government documentaries and official propaganda making the book an important index of British morale and values at a time of desperate national crisis *British War Films, 1939-1945* S. Staging Loss Michael Pinchbeck, Andrew Westerside, 2018-11-11 This book locates and critically theorises an emerging field of twenty-first century theatre practice concerned either thematically methodologically or formally with acts of commemoration and the commemorative With notions of memorial celebration temporality and remembrance at its heart and as a timely topic for debate this book asks how theatre and performance intersects with commemorative acts or rituals in contemporary theatre and performance practice It considers the re-performance of history commemoration as a form of or performance of ritual performance as memorial performance as eulogy and eulogy as performance It asks where personal acts of remembrance merge with public or political acts of remembrance where the boundary between the commemorative and the performative might lie and how it might be blurred broken or questioned It explores how we might remake the past in the present to consider not just how performance commemorates but how commemoration performs Air Force Magazine, 2011 Heroes of Bomber Command Graham Smith, 2008 A tribute to the pilots and crew who flew from airbases in Suffolk during the last war and whose actions displayed some of the finest examples of courage and devotion to duty

Maloney, 2020-07-01 King of the Cold War crisis film Dr Strangelove became a cultural touchstone from the moment of its release in 1964 The duck and cover generation saw it as a satire on nuclear issues and Cold War thinking Subsequent generations removed from the film s historical moment came to view it as a quasi documentary about an unfathomable secret world Sean M Maloney uses Dr Strangelove and other genre classics like Fail Safe and The Bedford Incident to investigate a curious pop cultural

contradiction Nuclear crisis films repeatedly portrayed the failures of the Cold War's deterrent system Yet the system worked What does this inconsistency tell us about the genre What does it tell us about the deterrent system for that matter Blending film analysis with Cold War history Maloney looks at how the celluloid crises stack up against reality or at least as much of reality as we can reconstruct from these films with confidence The result is a daring intellectual foray that casts new light on Dr Strangelove one of the Cold War era's defining films Sight and Sound ,1997 **American Book Publishing Record** ,1997-09
