Rafting With Grandmother:

Rafting with Grandmother Nellie M Reynolds, 2004-07 Rafting with Grandmother is the adventure of a sixty year old grandmother and her two teen age granddaughters rafting for three hundred miles through the bottom of Grand Canyon The nine days were filled with excitement as the altitude dropped two thousand feet Each curve of the river brought new beauty and thrills The history of the earth was spread out before their eyes Lessons were learned and they will never to be forgotten Imagination was sharpened and the quest for more knowledge about the ancient people the Indians talked about will always be with us Who were these people that stored there grain in the caves so far above the raging river How many years did it take for footprints to leave a path in stone What did this place look like when the ancient people were alive There were far more questions than answers We now know this land has been built up by earthquakes and volcanoes and then eroded several times in the history of this earth What a thrill for the hands to touch schist rock that was formed before there was a single living fossil on this planet Grandmother's Adventures Nellie Reynolds, 2008-04 The story of one Grandmother and her two Grandsons as they visit the tundra and see the polar bears and go dog sledding The two mother in laws flying to the northwest with their son and daughter The Raft Elizabeth McFadyen Riley, 2023-01-24 Lizzie and her friends are about to embark on an unforgettable summer adventure On the very last week of the summer in 1953 Lizzie and her friends make an exciting discovery on the beach behind her cottage there was a huge stump of a tree washed onto shore by a late summer storm They name their discovery The Raft They can t wait to spend a wild week of fun adventures on the lake but only if they can keep their new found treasure a secret from prying eyes and from their parents When some bigger kids spy Lizzie and her friends showing off on the Raft they decide to steal it for themselves But that s nothing compared to the danger that awaits them near the old lighthouse Together the four friends are in for the summer of their lives but will they make it back to school in one piece Gift of the Past Nellie Reynolds, 2011-02-10 Poems and Stories written by my Grandparents Webster and Maggie Baker during the 1880s brings that part of History to life Maggie was 18 and Webster 23 when Websters dad moved his family to Kansas to Homestead Webster had to leave his girl friend back in Indiana That is the heart ache behind the poem Separation How he came back and married his formal sweetheart is part of the story My dad Chester Baker grew up on this Sugar Maple farm and he had many adventures as a farm boy in the early Nineteen Hundreds How he lost his pig down a sink hole and was able to retrieve it is part of history Many of the stories of Mitchell were written by Jack Colglazier My life as an airplane pilot brings history to the modern day I was able to fl y my plane from the Pacific to the Atlantic from Alaska to Florida and many places in between My experience of racing airplanes is unique and very different from the normal way of life In Grandmother's House We Go! Betty Marchon, 2005-09 After the loss of a spouse a door slams shut but with God s help another opens as the author follows the Oregon Trail in her motorhome and seeks other adventures Readers are directed to this book s intergenerational adventures to help them develop an I Can Do It attitude
