answers or maybe more As the pace quickens and tensions rise these characters begin to surprise even themselves Pete Hautman treads the line between psychological darkness and laugh out loud funny as he asks tough questions about the nature of good and evil and offers some unexpected answers **Ragman** JG Faherty,2023-01-10 If you love a great horror tale with ancient mummies a deluded priest and two oddball cops then you re in for a treat Conjuring ancient secrets and with a body count that is out of this world Ragman blends history and myth in a gritty procedural that severs bone and sears skin Outstanding Lee Murray USA Today Bestselling author and four time Bram Stoker Award winner If ever there was a cautionary tale about not robbing temples this is it The spiritual rage of ancient Egypt catches up with modern America in a complex dazzling bloodthirsty epic of demonic revenge Hold on to your heads Graham Masterton In 1882 a group of British soldiers plunder an Egyptian temple and kill the high priest The priest vows revenge and is finally revived in the present day He finds the great grandson of the man who killed him but they form an uneasy partnership to get back all the stolen artifacts and send all the descendants of the other soldiers to the Underworld Two police officers former partners who had a falling out must put aside their differences as they go from trying to solve gruesome unexplained murders to risking their lives to stop the supernatural mummy the priest has called forth **The Second Ship** Richard Phillips,2009-05 On the evening of July 3rd 1947 two starships battled in the night sky over the American Southwest sending both ships crashing into the high desert One of these ships was quickly discovered near Roswell New Mexico and spirited away its existence officially denied by the US Government In August of 2006 three high school students accidentally discover something which leaves them entangled in a dark web of international espionage and intrigue Pursued by government agents and mercenary killers they stumble upon something far more terrifying Now their only hope of survival may lie within The Second Ship **The Ragman** Joseph Schillaci,2013 This story was based on a collection of the author s actual experiences and stories told to him by friends and family Schillaci needed to tell the story to future family members and decided about 20 years ago to bring this book to fruition Schillaci had the opportunity to learn about the dress industry first hand He worked beside his dad for over 15 years The one important principal that he learned was to treat your employees with respect Your success or failure was based on their loyalty Schillaci s dad captured the loyalty of most of the people that worked under him Schillaci s dad was a remarkable individual who went against all odds to become an American success story His character and dedication to family and friends was a major factor in his success in business As a child it was not very obvious what Schillaci s dad had to overcome to support his family As the author grew older the realization was overwhelming Hence the idea to put his life into words for all to see Schillaci will never be able to express the real character and personality of Rocky Schillaci But for those who knew him they will attest to his special persona For all of the future Schillacis it will simply be a way to attest to a great man and his accomplishments Hopefully some of these genes will spread through the generations to come In future years for those family members who need to find the will to pursue their goals Rocky can be their inspiration With all his love the
