chapter in the history of American music **Rev. Gary Davis Blues Guitar** Stefan Grossman,1974-06-01 A unique biography and instruction book featuring the influential blues and roots talents of Rev Gary Davis in standard music notation and tablature with discography and photographs Learn the secrets to the great blues player s techniques and the distinctive harmonies that characterise the sound of this magical bygone era Includes Two Step Candyman and Death Don t Have No Mercy **The Blues Encyclopedia** Edward Komara,Peter Lee,2004-07-01 The Blues Encyclopedia is the first full length authoritative Encyclopedia on the Blues as a musical form While other books have collected biographies of blues performers none have taken a scholarly approach A to Z in format this Encyclopedia covers not only the performers but also musical styles regions record labels and cultural aspects of the blues including race and gender issues Special attention is paid to discographies and bibliographies Oak Anthology of Blues Guitar: Delta Blues Stefan Grossman,1969-06-01 There are many intellectual curiosities about the blues It has always seemed a phenomenon that the guitar styles that came out of the South during the twenties and thirties could be differentiated by their regional characteristics On hearing a strange new artist one can almost pinpoint his city of origin through his guitar technique The Mississippi Delta produced a sound distinct from that of Texas Atlanta had a very popular style that seems to have been confined to that city The music of Louisiana has a weird voodoo texture while the Carolinas produced another totally different sound Music is quite a powerful tool Words of explanation can never express the impact of a musical experience I am going to attempt to teach the music of some great guitar bluesmen It is not going to be isolated and picked apart but presented with its historical value as well as personal and emotional value Words will not be my tools for this venture instead I will incorporate photographs and interview to describe these feelings **Jazz** Paul Whiteman,Mary Margaret McBride,1926
