Railrodderbuster Keaton Rides:

The Fall of Buster Keaton James L. Neibaur, 2010-07-16 Born into a family of vaudevillians Buster Keaton made his first film appearance in 1917 at the age of 21 By the early 1920s he had established himself as one of the geniuses of silent cinema with such films as *Sherlock Jr* and *The Navigator* and his 1925 work *The General* placed at number 18 in the American Film Institute's poll of the 100 greatest features the highest ranked silent film on the survey But with the advent of sound in the late 1920s silent stars like Keaton began to fall out of favor and the great comedian's career began to decline In *The Fall of Buster Keaton* James Neibaur assesses Keaton's work during the talking picture era especially those made at MGM Educational and Columbia studios While giving some attention to the early part of Keaton's career Neibaur focuses on Keaton's contract work with the three studios as well as his subsequent work as a gagman supporting player and television pitchman The book also recounts the resurgence of interest in Keaton's silent work which resulted in a lifetime achievement Oscar and worldwide recognition before his death in 1966 This fascinating account of an artist's struggle and triumph during the more challenging period of his career will be of interest to anyone wanting to learn about one of film's most influential performers

[Buster Keaton](#) James Curtis, 2022-02-15 One of Literary Hub's Five Most Critically Acclaimed Biographies of 2022 From acclaimed cultural and film historian James Curtis a major biography the first in more than two decades of the legendary comedian and filmmaker who elevated physical comedy to the highest of arts and whose ingenious films remain as startling innovative modern and irresistible today as they were when they beguiled audiences almost a century ago It is brilliant I was totally absorbed couldn't stop reading it and was very sorry when it ended Kevin Brownlow It was James Agee who christened Buster Keaton The Great Stone Face Keaton's face Agee wrote ranked almost with Lincoln's as an early American archetype it was haunting handsome almost beautiful yet it was also irreducibly funny Keaton was the only major comedian who kept sentiment almost entirely out of his work and he brought pure physical comedy to its greatest heights Mel Brooks A lot of my daring came from Keaton Martin Scorsese influenced by Keaton's pictures in the making of *Raging Bull* The only person who had the right attitude about boxing in the movies for me Scorsese said was Buster Keaton Keaton's deadpan stare in a porkpie hat was as recognizable as Charlie Chaplin's tramp and Harold Lloyd's straw boater and spectacles and with W C Fields the four were each considered a comedy king but Keaton was and still is considered to be the greatest of them all His iconic look and acrobatic brilliance obscured the fact that behind the camera Keaton was one of our most gifted filmmakers Through nineteen short comedies and twelve magnificent features he distinguished himself with such seminal works as *Sherlock Jr* *The Navigator* *Steamboat Bill Jr* *The Cameraman* and his masterpiece *The General* Now James Curtis admired biographer of Preston Sturges definitive *Variety* W C Fields by far the fullest fairest and most touching account we have yet had Or are likely to have Richard Schickel front page of *The New York Times* Book Review and Spencer Tracy monumental definitive *Kirkus Reviews* gives us the richest most comprehensive life to date of the legendary actor stunt

artist screenwriter director master The Theater and Cinema of Buster Keaton Robert Knopf, 2018-06-05 Famous for their stunts gags and images Buster Keaton's silent films have enticed everyone from Hollywood movie fans to the surrealists such as Dalí and Buñuel Here Robert Knopf offers an unprecedented look at the wide ranging appeal of Keaton's genius considering his vaudeville roots and his ability to integrate this aesthetic into the techniques of classical Hollywood cinema in the 1920s When young Buster was being hurled about the stage by his comically irate father in the family's vaudeville act The Three Keatons he was perfecting his acrobatic skills timing visual humor and trademark stone face As Knopf demonstrates such theatrics would serve Keaton well as a film director and star By isolating elements of vaudeville within works that have previously been considered classical Knopf reevaluates Keaton's films and how they function The book combines vivid visual descriptions and illustrations that enable us to see Keaton at work staging his memorable images and gags such as a three story wall collapsing on him Steamboat Bill Jr 1928 and an avalanche of boulders chasing him down a mountainside Seven Chances 1925 Knopf explains how Keaton's stunts and gags served as fanciful departures from his films storylines and how they nonetheless reinforced a strange sense of reality that of a machine like world with a mind of its own In comparison to Chaplin and Lloyd Keaton made more elaborate use of natural locations The scene in The Navigator for example where Buster brandishes a swordfish to fend off another swordfish derives much of its power from actually being shot under water Such hyper literalism was but one element of Keaton's films that inspired the surrealists Exploring Keaton's influence on Salvador Dalí Luis Buñuel Federico García Lorca and Robert Desnos Knopf suggests that Keaton's achievement extends beyond Hollywood into the avant garde The book concludes with an examination of Keaton's late career performances in Gerald Potterton's The Railrodder and Samuel Beckett's Film and locates his legacy in the work of Jackie Chan Blue Man Group and Bill Irwin **Buster Keaton: Cut to the Chase** Marion Meade, 2014-04-01 An American icon Joseph Frank

Buster Keaton is easily acknowledged as one of the greatest filmmakers in early cinema and beyond His elaborate slapstick made audiences scream with laughter But his stone face hid an internal turmoil In BUSTER KEATON CUT TO THE CHASE biographer Marion Meade seamlessly lays out the life and works of this comedy genius who lacked any formal education Buster made his name as a child of vaudeville thrown around the stage by his father in a cartoon pantomime of very real abuse The lessons he carried forward from that experience translated into some of the greatest silent films of all time Keaton wrote directed performed and edited dozens of features and shorts including his masterpiece The General However those early scars also led to decades of drinking and mistreatment of women Keaton saw huge successes Hollywood sex scandals years of neglect from studios and audiences and finally a shaky resurrection that assured his place in Hollywood's film canon Meticulously researched this book brings together four years of research and hundreds of interviews to paint a nuanced portrait of a compelling artist No comedy fan or film buff should miss this insider story of the man behind the stone face

Keaton 1895 1966 is one of the most iconic stars of Hollywood's silent and early sound eras. His elaborate sets, careful camerawork, and risky pratfalls have been mimicked by film comedians for generations. His short films, including *One Week* and *Cops*, and his feature-length comedies such as *Sherlock Jr.*, *Go West*, and *The General*, routinely appear on critics' lists of the greatest films of all time. *Buster Keaton Interviews* collects interviews from the beginning of his career in the 1920s to the year before his death. The pieces here provide a critical perspective on his acting and cinematic techniques. Although the collection begins in the 1920s at the height of Keaton's career, they also give insight on his work in Hollywood and television throughout the 1950s and 1960s. Including pieces by Studs Terkel and Rex Reed, as well as a French interview that has never before appeared in English, the book is a valuable resource on one of cinema's early geniuses. Kevin W. Sweeney is associate professor of philosophy at the University of Tampa. *A Dictionary of the Avant-Gardes*, 2013-05-13. A Dictionary of the Avant-Gardes recognizes that change is a driving force in all the arts. It covers major trends in music, dance, theater, film, visual art, sculpture, and performance art, as well as architecture, science, and culture. **Videohound's Golden Movie Retriever, 1995** Gale Group, Gale Research Company, 1995. The media is mad about the Hound and his mad, insightful movie reviews. This 1995 collection lists more than 23,000 movies on video, 1,000 new to this edition, full videographies for 26,000 stars, over 4,000 music videos, contact information for 400 distributors, and includes videographies of 5,000 screenwriters and composers. Arbuckle and Keaton James L. Neibaur, 2015-02-18. From 1917 to 1919, Joseph Schenck produced a series of Comique comedies starring master movie comedian Roscoe Fatty Arbuckle and featuring an apprentice, Joseph Frank Buster Keaton. These films were initially deemed significant by modern archivists for representing the first movie appearances of Keaton, widely considered one of the most important figures in motion picture history. But the Comique films also remain the most important of Arbuckle's career because they feature him at the height of his cinematic genius and powers. The 14 short comedies starring Arbuckle and Keaton are incredibly important to the history of cinema and are analyzed in this book. After two chapters of biographical introductions, the rest of the book discusses their collaborative efforts and reveals the way in which the films evolved from Arbuckle's wild slapstick to feature more of the subtlety and cleverness of Keaton. Closing sections discuss what became of Arbuckle and Keaton afterward, commenting significantly on the scandal that undermined Arbuckle's career. **Bowker's Complete Video Directory, 1999**, 1999. *Torn Sprockets* Gerald Pratley, 1987. The history of Canadian filmmaking is a fascinating topic, and in this book, the author takes the reader through the early years of the twentieth century when Hollywood monopolized the industry. Edison's Kinetoscope enthralled the public, and motion picture exhibitions swept across Canada.
