power plays within relationships as a natural and even spiritual force of life though perhaps tame by modern standards caused *The Rainbow* to be prosecuted in an obscenity trial in late 1915 as a result of which all copies were seized and burnt. After this ban it was unavailable in Britain for 11 years although editions were available in the USA. *The Rainbow* was followed by a sequel in 1920 *Women in Love*. Although Lawrence conceived of the two novels as one considering the titles *The Sisters* and *The Wedding Ring* for the work they were published as two separate novels at the urging of his publisher. However after the negative public reception of *The Rainbow* Lawrence's publisher opted out of publishing the sequel. This is the cause of the delay in the publishing of the sequel.

Rainbow's Shadow and the Tablets of Fate John

Cicero, 2006-03-09 *Rainbow's Shadow and the Tablets of Fate* is an adventure fantasy tale about two novels *Rainbow Alley* and *The Sorcerers Shadow* which have been mysteriously melded together creating an alternative dimension that has begun to write itself. The first novel *Rainbow Alley* is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins. The second novel *The Sorcerers Shadow* is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Will's brother Bryan Collins. As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality. *Rainbow Alley* is a surreal paradise Grandpa Joe has claimed to actually visit when he was younger. It can only be accessed through a golden portal by bringing four critical elements together. One magical night as the four elements are sought to come together to gain access to *Rainbow Alley* the unthinkable happens. By accidentally placing *The Sorcerers Shadow* novel underneath the *Rainbow Alley* novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories. This creates their access to a new story and a land unlike anything the boys could ever imagine. However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma. Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather. While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather. What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand.
