Grimes, 2013-06-11 What begins as a trio of seemingly unrelated deaths in England soon propels Superintendent Richard Jury into an international mystery that leads him far from home to the sun drenched American Southwest When three women die of natural causes in London and the West Country there appears to be no connection or reason to suspect foul play But Scotland Yard Superintendent Richard Jury has other ideas and before long he's following his keen police instincts all the way to Santa Fe New Mexico There in the company of a brooding thirteen year old girl and her pet coyote he mingles with an odd assortment of characters and tangles with a twisted plot that stretches from England to the American Southwest And while his good friend Melrose Plant pursues inquiries in London Jury delves deeper into the more baffling elements of the case discovering firsthand what the guide books don't tell you that the Land of Enchantment is also a landscape ripe with tragedy treachery and murder **Rainbow's End** Maury Klein, 2003-05-01 Rainbow's End tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of

Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history
