also because he really wanted to make people happy If he saw a sad face or felt a heavy heart Sparkle would do everything he could to cheer up the people around him He would do crazy things in the air make beautiful patterns in the sky and even tell silly jokes that made the air shake with laughter Sparkle s best way to make people happy was to throw surprise parties Sparkle knew that celebrations brought people together like magic whether it was a picnic under a rainbow a dance party under the moon or a surprise party to welcome spring He would gather animals of all shapes and sizes and bring them together through laughter music and pure joy thanks to his outgoing personality and charisma Sparkle s happy energy could be felt all over the place When he went to different towns people were thrilled to hear his wings flapping in the distance Children would gather to wait for him eager to hear about his brave adventures and amazing finds Sparkle s lively energy would help adults forget their problems for a while as they joined in his happy celebrations As Sparkle flew through the air his heart was full of goals He realized that he had been given a gift the ability to make people happy all over the world And he took on this job with unwavering drive and a smile on his face all the time Sparkle saw the world as a canvas and he was the artist He used bright colors and strong brushstrokes to paint a picture of joy and wonder He thought that every moment was a reason to party and he made it his job to make the world a little brighter and happier because he was there Sparkle the dragon went on a journey and as he went he left a trail of happiness love and colorful energy Everyone who met him looked up to him because of how much he loved life and how hard he worked to make other people happy Sparkle showed that she was a lively eager dragon who loved to travel and spread happiness all over the world Eldoria the enchanted land of wonders and Eldoria the place of amazing festivals drew everyone who heard its name It was known far and wide for its beautiful views strange animals and fun festivals which brought tourists from other countries to see them Eldoria looked like a secret treasure tucked away among the rolling hills It sparkled with a beauty that was hard to ignore The world s different landscapes made a beautiful fabric that drew people in with its ever changing views The rolling hills moved like waves and the lush plants on them told secrets to anyone who walked over them Every step on Eldoria s rich land made people feel awe and respect for the natural wonders inside Crystal clear lakes reflected the beauty of the land in the same way that the sky did The sun shone on their surfaces making a beautiful show of light and color These peaceful puddles of water had a wonderful air about them as if they were portals to another world Anyone who saw them wanted to jump in and relax The beautiful mountains of Eldoria rose above them all their tops reaching for the sky They stood like guards of the kingdom shrouded in mist and mystery showing glimpses of hidden gems and secrets waiting to be found The awe inspiring strength of nature was shown by the mountains and their frightening presence showed how grand the realm was Eldoria was interesting for more than just its views Each magical animal in the land was more interesting than the last Eldoria was a safe place for magical creatures like beautiful unicorns galloping through fields and mischievous fairies flitting among flowers They lived in harmony with the land and their presence gave every nook and corner an otherworldly magic Eldoria was most

interesting because of its big parties The realm took the art of partying very seriously and came up with new ways to do it As each event got closer there was a buzz of excitement in the air which gave the realm an electric energy Residents of Eldoria who are known for having positive attitudes put their hearts and minds into making beautiful decorations delicious foods and amazing performances The celebrations in Eldoria were a lot to take in When the wind moved the flags they spread a variety of colors across the streets The smell of delicious foods wafted through the air luring people to try the culinary treats of the realm Musicians played happy songs and their works made a joyful symphony that could be heard all over Eldoria The beautiful parties showed how much the realm values life s pleasures and how strong it is when people work together The people of Eldoria knew it was important to appreciate the beauty of nature the bonds of friendship and the successes of the human spirit They knew that even when life was hard celebrating could give people hope bring people together and light the spark of magic that lives in each person Eldoria was full of wonder and magic because it had beautiful scenery magical animals and big events It was a lesson that beauty can be found in every part of the world and that celebration is a global language that can be understood by people from all over the world In Eldoria celebrating life was an art form and a way to show appreciation for the great things around them When people left Eldoria they would remember its amazing beauty the fascinating creatures they met and the joyful celebrations that had moved them They would always remember how much they liked Eldoria It would be a call to come back and get lost in the realm s enchanting embrace once more The wonderful parties in Eldoria became stories that people whispered to each other and storytellers told People far and wide heard about the colorful celebrations in the realm which made them want to see it for themselves People came to Eldoria excited and ready to see the magic it had to give The people who lived there were very proud of their ability to plan really great celebrations They saw each event as a chance to honor their ancestors show off their talent and bring the community closer together The partygoers wore elaborate outfits each of which told a story or showed a certain theme Every detail from the beautifully carved masks to the carefully made decorations was carefully thought out to make a feast for the eyes Music and dancing were part of Eldoria s events There were pleasant sounds in the air that made people want to move to the beat Skilled musicians played traditional instruments adding rhythm and happiness to the atmosphere Dancers twirled and spun with perfect beauty their moves matching the magic of the realm But what made Eldoria s parties stand out was how they made people feel The people who lived there had a welcoming and open society and they invited people from all over the world to join in the fun People who had never met before became friends as they laughed danced and told stories under the stars The realm became a place where people of different races and backgrounds came together because they all loved the wonders of life

aesthetics has the recognized value of enriching one's life experiences and sharpening one's attentiveness and sensibility. Saito draws out its broader importance for how we make our worlds environmentally morally as citizens and consumers. Saito urges that we have a social responsibility to encourage cultivation of aesthetic literacy and vigilance against aesthetic manipulation. Yuriko Saito argues that ultimately everyday aesthetics can be an effective instrument for directing the humanity's collective and cumulative world making project for the betterment of all its inhabitants. Everyday aesthetics has been seen as a challenge to contemporary Anglo American aesthetics discourse which is dominated by the discussion of art and beauty. Saito responds to controversies about the nature boundary and status of everyday aesthetics and argues for its legitimacy. She highlights the multi faceted aesthetic dimensions of everyday life that are not fully accounted for by the commonly held account of defamiliarizing the familiar.
