

RELIGION: CLASSIC SOCIOLOGICAL APPROACHES

ROGER O'TOOLE

Religion Classic Sociological Approaches

Kenneth Allan

Religion Classic Sociological Approaches:

Religion Roger O'Toole,1984 *An Introduction to the Sociology of Religion* Inger Furseth,Pål Repstad,2023-09-05

What are religion and nonreligion How do fundamentalism and religious radicalization emerge and grow How do social class gender sexuality race ethnicity and other factors affect religious beliefs practices and organizations Is religion a fundamental driving force or do political leaders use religion for their own purposes In exploring these pertinent questions *An Introduction to the Sociology of Religion* provides an overview of sociological theories of contemporary religious life Theoretical discussion is accompanied by presentations of empirical research from several religious traditions in many parts of the world The sociology of religion is linked closely to developments in general sociology Some chapters are organized according to topic while others offer brief presentations of classical and contemporary sociologists from Karl Marx to Patricia Hill Collins and their perspectives on social life including on religion This second edition has been thoroughly updated throughout with new chapters on religion and social inequalities social and religious movements and extremism Covering classical sociology of religion as well as contemporary debates and topics this book is ideal reading for students approaching the sociology of religion for the first time *Classical and Contemporary Perspectives* Inger Furseth,2006 What is fundamentalism What role does religion play in ethnic and national conflicts Do all religions oppress women These are some of the questions addressed in this text which provides an overview of sociological theories of contemporary religious life

Sociological Theory and the Question of Religion Andrew McKinnon,Marta Trzebiatowska,2016-04-01 Religion lies near the heart of the classical sociological tradition yet it no longer occupies the same place within the contemporary sociological enterprise This relative absence has left sociology under prepared for thinking about religion s continuing importance in new issues movements and events in the twenty first century This book seeks to address this lacunae by offering a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK They highlight the importance of power in the sociology of religion with help from Pierre Bourdieu Marx and Critical Discourse Analysis This book points to emerging currents in the field and offers a productive and lively way forward not just for sociological theory of religion but for the sociology of religion more generally *Explorations in Classical Sociological Theory* Kenneth Allan,2010 *Explorations in Classical Sociological Theory* Seeing the Social World Second Edition is an undergraduate sociological theory textbook that introduces the student to the major classical theorists including Marx Spencer Durkheim Weber Simmel Mead Schutz Gilman and Du Bois The theorists were chosen for the diversity of their perspectives as well as their ability to introduce the student

to contemporary theory Kenneth Allan uses a lively informative writing style to engage the students in the eras of social change that spawned the major sociological theories and then applies them to the current era which also is experiencing major social change Features and benefits The book includes a glossary of terms Each of the theorist s important concepts are highlighted in the text and clear definitions provided in the glossary This feature is particularly important because theory is made up of terms and concepts and without the use of a glossary it is very easy for the undergraduate theory student to lose track of the terms and meanings While the book is organized primarily around the individual theorist s perspective a categorical scheme is also provided so the student can roughly situate the theorists and decide for themselves some of sociology s big questions The scheme provided in the book is not the one usually used by textbooks The more commonly used scheme conflict functional interaction hides some really important questions that the student needs to consider for example is society an object or does it exist only through interpretations The book provides an appendix with complete definitions of most of sociology s major perspectives e g critical theory including feminism race and queer theory postmodernism and so on exchange theory rational choice theory dramaturgy ethnomethodology structuration network theory ecological theory social phenomenology and so on The book introduces the power and poetry of theory by extensive use of original source material from the theorists writings

Sociological Theory and the Question of Religion Dr Andrew McKinnon, Dr Marta Trzebiatowska, 2014-12-28 Religion lies near the heart of the classical sociological tradition yet it no longer occupies the same place within the contemporary sociological enterprise This relative absence has left sociology under prepared for thinking about religion s continuing importance in new issues movements and events in the twenty first century This book seeks to address this lacunae by offering a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK They highlight the importance of power in the sociology of religion with help from Pierre Bourdieu Marx and Critical Discourse Analysis This book points to emerging currents in the field and offers a productive and lively way forward not just for sociological theory of religion but for the sociology of religion more generally

Handbook of Classical Sociological Theory Seth Abrutyn, Omar Lizardo, 2021-11-01 This is the first handbook focussing on classical social theory It offers extensive discussions of debates arguments and discussions in classical theory and how they have informed contemporary sociological theory The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions This book presents new approaches to thinking about theory in

relationship to sociological methods Explorations in Classical Sociological Theory: Seeing the Social World Kenneth Allan, 2012-04-30 Kenneth Allan emphasizes theory as a constructive thinking enterprise by including chapters devoted to teaching students how to think theoretically **Capitalism and Classical Sociological Theory** John Bratton, David Denham, Linda Deutschmann, Linda Bell Deutschmann, 2009-01-01 This is one of the sharpest and most rewarding textbooks for teaching classical social theory The emphasis on depth over breadth pays off handsomely providing students with a badly needed foundation in the classics of sociology Philip Walsh York University **Classical Sociological Theory** George Ritzer, Jeffrey Stepnisky, 2016-12-27 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory George Ritzer and Jeffrey Stepnisky's *Classical Sociological Theory* Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories New to this Edition In Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter Classical Sociological Theory Bert N. Adams, R A Sydnie, 2002-01-29 A concise yet surprisingly comprehensive theory text given the range of ideas historical context and theorists discussed Unlike other books of the type *Classical Sociological Theory* focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life **Classical Sociological Theory** Craig Calhoun, Joseph Gerteis, James Moody, Steven Pfaff, Indermohan Virk, 2012-01-17 This comprehensive collection of classical sociological theory is a definitive guide to the roots of sociology from its undisciplined beginnings to its current influence on contemporary sociological debate Explores influential works of Marx Durkheim Weber Mead Simmel Freud Du Bois Adorno Marcuse Parsons and Merton Editorial introductions lend historical and intellectual perspective to the substantial readings Includes a new section with new readings on the immediate pre history of sociological theory including the Enlightenment and de Tocqueville Individual reading selections are updated throughout Classical Sociological Theory Irving M. Zeitlin, 2019-03-04 Authored by the world renowned sociologist Dr Irving Zeitlin *Classical Sociological Theory* is an abridged version of the popular textbook *Ideology and the Development of Sociological Theory* Known for its comprehensive descriptions of classical sociological theorists and concepts from Enlightenment to the 20th century this new abridged edition features an updated introduction extensive index and 14

succinct chapters Dr Zeitlin provides detailed explanations of essential philosophies develops ideologies and theories within a historical context and introduces readers to the classical critical thinkers of our time such as mile Durkheim Karl Mannheim Karl Marx George Herbert Mead Max Weber and Mary Wollstonecraft This is an ideal resource for undergraduate students of sociology philosophy social theory and social psychology Sociological Theory in the Classical Era Laura Desfor Edles, Scott Appelrouth, 2020-06-18 Now available for the first time in both print and e book formats Sociological Theory in the Classical Era Fourth Edition is an innovative text reader for courses in classical theory It introduces students to important original works by sociology s key classical theorists while providing a thorough framework for understanding these challenging readings For each theorist the editors supply a biographical sketch discuss intellectual influences and core ideas and offer contemporary applications of those ideas In addition to the seven major theorists covered the book also connects their work to Significant Others writers and thinkers who may have derived much of their own perspectives from Marx Durkheim Weber Gilman Simmel Du Bois and Mead Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides **Foundations of Classical Sociological Theory: Functionalism, Conflict and Action** Paramjit S. Judge, 2012 Foundations of Classical Sociological Theory Functionalism Conflict and Action provides an extensive analysis of classical sociological theory by giving readers an introduction to the life and ideas of all the eminent thinkers The book begins by giving an overview of the emergence of sociology as a discipline in the background of socio economic development that characterized Europe in 18th century The first part of the book examines how the theorists viewed society as an organism the second part takes cognizance of the conflict theory and third part deals with the emergence of action theory which took ambivalent position with regard to science and emphasized human agency and consciousness Written in a very simple language this book will help students delve deeper into the subject **Classical and Contemporary Sociological Theory** Scott Appelrouth, Laura Desfor Edles, 2008 A unique hybrid of text and readings this book combines the major writings of sociology s core classical and contemporary theorists with an historical as well as theoretical framework for understanding them Laura Desfor Edles and Scott A Appelrouth provide not just a biographical and theoretical summary of each theorist reading but an overarching scaffolding which students can use to examine compare and contrast each theorists major themes and concepts No other theory text combines such student friendly explanation and analysis with original theoretical works Key features include Pedagogical devices and visual aids charts figures and photographs to help summarize key concepts illuminate complex ideas and provoke student interest Chapters on well known figures such as Marx Weber Durkheim Parsons and Foucault as well as an in depth discussion of lesser known voices such as Charlotte Perkins Gilman WEB Du Bois and Leslie Sklair Photos of not only the theorists but of the historical milieu from which the theories arose as well as a glossary at the back **The Sociology of Religion** Barbara Hargrove, 1989 The Sociology of Religion George

Lundskow,2008-06-10 Using a lively narrative The Sociology of Religion is an insightful text that investigates the facts of religion in all its great diversity including its practices and beliefs and then analyzes actual examples of religious developments using relevant conceptual frameworks As a result students actively engage in the discovery learning and analytical processes as they progress through the text Organized around essential topics and real life issues this unique text examines religion both as an object of sociological analysis as well as a device for seeking personal meaning in life The book provides sociological perspectives on religion while introducing students to relevant research from interdisciplinary scholarship Sidebar features and photographs of religious figures bring the text to life for readers Key Features Uses substantive and truly contemporary real life religious issues of current interest to engage the reader in a way few other texts do Combines theory with empirical examples drawn from the United States and around the world emphasizing a critical and analytical perspective that encourages better understanding of the material presented Features discussions of emergent religions consumerism and the link between religion sports and other forms of popular culture Draws upon interdisciplinary literature helping students appreciate the contributions of other disciplines while primarily developing an understanding of the sociology of religion Accompanied by High Quality Ancillaries Instructor Resources on CD contain chapter outlines summaries multiple choice questions essay questions and short answer questions as well as illustrations from the book C Intended Audience This core text is designed for upper level undergraduate students of Sociology of Religion or Religion and Politics

Contemporary Sociological Theories Pitirim Aleksandrovich Sorokin,1928 **Christianity and Sociological Theory** Joseph A. Scimecca,2018-09-03 This book offers a history of sociological theory from a Christian perspective tracing the origins of sociology from the beginnings of Western science as introduced by the Scholastics of the twelfth century which when combined with their emphasis on rationality led to the Enlightenment science of man an emphasis that eventually resulted in sociology which combined empiricism and a Christian moral philosophy With chapters focusing on the Scholastics the Enlightenment the rise of sociology in France Germany and the United States and the legacy of Positivism Christianity and Sociological Theory shows how the emphasis on moral philosophy was eventually lost as sociology rejected Christian underpinnings resulting in what can only be described as an extremely limited sociology A rigorous exploration of the trajectory of the discipline from its Christian origins this volume reveals the potential that exists for sociology in an era of postmodern thought to reclaim its promise through a re introduction of Christianity

Religion Classic Sociological Approaches Introduction

In today's digital age, the availability of Religion Classic Sociological Approaches books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religion Classic Sociological Approaches books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religion Classic Sociological Approaches books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religion Classic Sociological Approaches versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religion Classic Sociological Approaches books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religion Classic Sociological Approaches books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religion Classic Sociological Approaches books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religion Classic Sociological Approaches books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religion Classic Sociological Approaches books and manuals for download and embark on your journey of knowledge?

FAQs About Religion Classic Sociological Approaches Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion Classic Sociological Approaches is one of the best book in our library for free trial. We provide copy of Religion Classic Sociological Approaches in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion Classic Sociological Approaches. Where to download Religion Classic Sociological Approaches online for free? Are you looking for Religion Classic Sociological Approaches PDF? This is definitely going to save you time and cash in something you should think about.
