Religion From Tolstoy To Camus:

Religion from Tolstoy to Camus Walter Kaufmann, *Religion From Tolstoy to Camus (Classic Reprint)* Walter Kaufmann, 2016-10-18 Excerpt from Religion From Tolstoy to Camus It is Widely recognized that one can discuss religious ideas in connection with works of literature but exceedingly few poets and novelists have been movers and Shakers of religion Leo Tolstoy who was just that has not been given the attention he deserves from students of religion With all due respect to twentieth century poets and novelists who are more fashionable it is doubtful that any of their works have the stature of Tolstoy's Resurrection This novel does not merely illustrate ideas one might like to discuss anyway but aims rather to revise our thinking about morals and religion To say that Tolstoy was a very great writer or even that his Stature surpassed that of any twentieth century theologian may be very safe and trite But a much bolder claim is worth considering perhaps he is more important for the history of religion during the century covered in this volume than any theologian perhaps he has contributed more of real importance and originality and issues a greater challenge to us That is why his name appears in the title of this book and why he has been given more space than anyone else About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Religion from Tolstoy to Camus Walter Kaufmann, 2017 Walter Kaufmann devoted his life to exploring the religious implications of literary and philosophical texts Deeply skeptical about the human and moral benefits of modern secularism he also criticized the quest for certainty pursued through dogma Kaufmann saw a risk of loss of authenticity in what he described as unjustified retreats into the past This is a compilation of significant texts on religious thought that he selected and introduced Provided by publisher **Religion from Tolstoy to Camus** Walter Arnold Kaufmann, 1964 **Religion from**

[Religion from Tolstoy to Camus, selected, with an introduction](#) Walter Arnold Kaufmann, [Religion from Tolstoy to Camus](#) Jerrold Orne, 1964 **The Faith of a Heretic** Walter A. Kaufmann, 2015-06-09 Originally published in 1959 The Faith of a Heretic is the most personal statement of the beliefs of Nietzsche biographer and translator Walter Kaufmann A first rate philosopher in his own right Kaufmann here provides the fullest account of his views on religion Although he considered himself a heretic he was not immune to the wellsprings and impulses from which religion originates declaring it among the most vital and radical expressions of the human mind Beginning with an autobiographical prologue that traces his evolution from religious believer to heretic the book touches on theology organized religion morality suffering and death all examined

from the perspective of a quest for honesty Kaufmann also subjects philosophy's faith in truth, reason, and absolute morality to the same heretical treatment. The resulting exploration of the faiths of a nonbeliever in a secular age is as fresh and challenging as when it was first published. In a new foreword, Stanley Corngold vividly describes the intellectual and biographical milieu of Kaufmann's provocative book. Coming Back to the Absurd: Albert Camus's The Myth of Sisyphus: 80 Years On Peter Francev, Maciej Kałuza, 2022-12-05 This collection of essays from some of the world's leading Camus scholars is a celebration of the enduring significance and impact of Albert Camus's first philosophical essay, *The Myth of Sisyphus*. *Coming Back to the Absurd* examines Camus's unique contribution to philosophy through *The Myth* since its publication. The essays within are intended to engage students and scholars of existentialism, phenomenology, and the history of philosophy, as well as those simply seeking greater understanding of one of the most influential philosophers and philosophical constructs of the twentieth century. In revisiting *The Myth*, the authors hope to inspire a new generation of Camus scholars.

Religion From Tolstoy To Camus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion From Tolstoy To Camus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion From Tolstoy To Camus has opened up a world of possibilities. Downloading Religion From Tolstoy To Camus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion From Tolstoy To Camus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion From Tolstoy To Camus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion From Tolstoy To Camus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion From Tolstoy To Camus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion From

Tolstoy To Camus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
