The Religion of John Burroughs Clifford Hazeldine Osborne,1930 **The Religion of John Burroughs** James F. Andreski,1976 The Writings of John Burroughs. XI. the Light of Day. Religious Discussions and Criticisms from the Naturalist's Point of View John Burroughs,2017-10-04 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates The Religious Thinking of John Burroughs Arthur Wakefield Slaten,1927 The Writings of John Burroughs: The light of day; religious discussions and criticisms from the naturalist's point of view , *The Writings of John Burroughs* ,1904 **Lived Religion in America** David D. Hall,2020-09-01 At once historically and theoretically informed these essays invite the reader to think of religion dynamically reconsidering American religious history in terms of practices that are linked to specific social contexts The point of departure is the concept of lived religion Discussing such topics as gift exchange cremation hymn singing and women s spirituality a group of leading sociologists and historians of religion explore the many facets of how people carry out their religious beliefs on a daily basis As David Hall notes in his introduction a history of practices encompasses the tensions the ongoing struggle of definition that are constituted within every religious tradition and that are always present in how people choose to act Practice thus suggests that any synthesis is provisional The volume opens with two essays by Robert Orsi and Dani le Hervieu L ger that offer an overview of the rapidly growing study of lived religion with Hervieu L ger using the Catholic charismatic renewal movement in France as a window through which to explore the coexistence of regulation and spontaneity within religious practice Anne S Brown and David D Hall examine family strategies and church membership in early New England Leigh Eric Schmidt looks at the complex meanings of gift giving in America

Stephen Prothero writes about the cremation movement in the late nineteenth century In an essay on the narrative structure of Mrs Cowman s Streams in the Desert Cheryl Forbes considers the devotional lives of everyday women Michael McNally uses the practice of hymn singing among the Ojibwa to reexamine the categories of native and Christian religion In essays centering on domestic life Rebecca Kneale Gould investigates modern homesteading as lived religion while R Marie Griffith treats home oriented spirituality in the Women s Aglow Fellowship In Golden Rule Christianity Nancy Ammerman talks about lived religion in the American mainstream The Writings of John Burroughs.
