Religion The Community And The Rehabilitation Of Criminal Offenders:

Religion, the Community, and the Rehabilitation of Criminal Offenders Thomas P. O'Connor, 2002 Explore the relationship between faith based programs religion and offender rehabilitation This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith based programs religion and offender rehabilitation Religion the Community and the Rehabilitation of Criminal Offenders is a unique resource there has been very little research published on this important topic President Bush s faith based initiative recognized that religion plays a role in the justice system and corrections that is overlooked but essential it increases the role of community and caring in the system in a unique and important way This pathbreaking book points the way toward a system of faith based programs that are not only effective but also economical as these programs are often staffed by volunteers Religion the Community and the Rehabilitation of Criminal Offenders addresses important questions regarding the importance and effectiveness of faith based rehabilitation programs including What is the relationship between prison religion and offender rehabilitation What motivates inmates to become involved with religious programs and activities What is the prison chaplain s role in rehabilitation Are certain religious denominations more effective than others in preventing crime delinquency and recidivism How does religious activity help inmates adjust to the prison environment What do inmates have to say about the religious programs they encounter within the system How did Islam develop within American correctional institutions and what changes has the movement gone through in recent years Why do female African American inmates tend to resist conversion to Islam while their male counterparts embrace the Muslim faith in increasing numbers How can sacred texts and social theory be utilized as teaching tools and intervention strategies in the transformation processes of men incarcerated for violent crimes A fascinating study from the Sing Sing prison and more Religion, the Community, and the Rehabilitation of Criminal Offenders , 2002

The Treatment of Criminal Offenders Michael Dow Burkhead, 2014-12-09 From drilling holes into the skulls of prisoners to solitary confinement to deploying a range of psychological therapies society has attempted to deal with the problem of criminals in myriad ways over the last few centuries This analytical history explores the ever changing approaches to punishing wrongdoers and preventing further offenses the philosophical beliefs underlying them and their relative effects It discusses such core issues as the role of free will and determination the root causes of crime and the effects of studying crimes versus studying criminals It highlights the continuous debate regarding rehabilitation and punishment the history of biologically and psychologically based treatments and the principles of effective intervention concluding with discussion of what lies ahead

How We Saved Texas Prison Chaplaincy 2011 Michael G. Maness, 2015-10-16 As Maness so forcefully presents religion is truly the greatest source for change in human history and our staff chaplains facilitate that Likewise we came to see there would be little true cost savings in that some staffer would have to take care religion in prison its a right after all and manage the good volunteers Jerry Madden Senior Fellow Right on

Crime Right on Crime.org House Committee on Corrections Chairman 2011-12 It seemed like all was lost Dr Keith Bellamy Senior Minister Woodville Church of Christ TDCJ Certified Volunteer Chaplain 15 plus years Take a ride through Maness book and learn firsthand about reducing crime rehabilitating lives making our streets safer and bringing hope to the least the last and the lost just like Jesus commanded The chaplain of the prison brings hope and light in what can be a dark and stressful place all the more reason we need them Carol S Vance Former Chairman Texas Board of Criminal Justice Harris County District Attorney 1966-79 Every TDCJ chaplain and every chaplaincy manager owe the existence of their jobs to the efforts of a few unique individuals who rallied many to seek help from Texas senators and representatives Frank Graham Founder Chapel of Hope.org Politically the TDCJ chaplaincy was doomed God used the courage of one man to turn that situation around Thank you Chaplain Michael Maness for preserving this magnificent piece of important religious history Dr Paul W Carlin LBT Ph D TheMinistryChurch.org *Beyond the Walls of Separation* Tobias Brandner, 2013-12-03 *Beyond the Walls of Separation* is an essential and easy to read guidebook for chaplains and volunteers working in the context of prison and for all those who are professionally or through family links related to those in prison The book tells the story of what life behind bars is and how inmates experience transformation through Christian faith People at the crisis points of their life where they are shattered and where little is left of what made them may experience life as fragile and as a transparent filter for the mysterious Yet they also may experience God's life giving presence Love expressed in forgiveness against all odds against all merits and previous experiences lies at the root of many stories of transformation that emerge from prison The book guides visitors to approach inmates without condescension with an awareness of the social dimension of power and inequality and with sensitivity to the suffering and alienation that individual prisoners experience The many years of prison ministry in different cultural contexts and with inmates from all nations have taught the author that Christ does not need to be brought to prison through visitors through evangelistic events or through Christian outreach He is already powerfully present in prison **Special Needs Offenders in Correctional Institutions** Lior Gideon, 2012-09-14 Effective treatment and preparation for successful reintegration can be better achieved if the needs and risks of incarcerated offenders are taken into consideration by correctional practitioners and scholars *Special Needs Offenders in Correctional Institutions* offers a unique opportunity to examine the different populations behind bars e.g. chronically and mentally ill homosexual illegal immigrants veterans radicalized inmates etc as well as their needs and the corresponding impediments for rehabilitation and reintegration Author Lior Gideon takes a rehabilitative and reiterative approach to discuss and differentiate between the needs of these various categories of inmates and provides in depth discussions not available in other correctional texts about the specific needs risks and policy recommendations when working with present day special needs offenders Each chapter is followed by suggested readings and relevant websites that will enable readers to further enhance understanding of the issues and potential solutions discussed in the chapter Further each chapter has discussion questions specifically designed to

promote class discussions The text concludes with a theoretical framework for future policy implications and practices

Religion and Prison: An Overview of Contemporary Europe Julia Martínez-Ariño, Anne-Laure Zwillig, 2020-07-07

This volume offers a European overview of the management of religious diversity in prisons and provides readers with rich empirical material and a comparative perspective The chapters combine both legal and sociological approaches Coverage for each country includes historical background current penitentiary organization and recent changes or trends In their exploration of legal aspects the contributors look at such factors as the status of prison chaplains and regulations concerning religious practice and religious freedom These include meals prayers and visits The sociological analysis examines religious discrimination in prison church prison relations conversion and proselytism and more The European coverage includes countries for which such information is seldom available The book offers readers a better understanding of governance of religion in prisons This text appeals to students researchers and professionals in the field

Rehabilitation Issues, Problems, and Prospects in Boot Camp Brent B. Benda, 2005 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in creating and maintaining boot camps what role does politics play in the continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political

issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice professionals **American Criminal Justice Policy** Daniel P. Mears,2010-04-12 Examines the most prominent criminal justice policies finding that they fall short of achieving the effectiveness that policymakers have advocated **Imprisoned Religion** Irene Becci,2016-05-13 This book explores the profound transformations that prisons and offender rehabilitation programmes in Eastern Germany have undergone with respect to religion Drawing on participant observation and interviews of inmates ex prisoners chaplains and prison visitors this book connects the institutional to individual focusing on the religious changes individuals experience when they are imprisoned and released Including comparative studies from Italy and Switzerland Becci reveals that despite diverse local historical denominational political and social contexts the transformation patterns of individuals relationship to religion and their use of religious resources are strongly shaped by the total character of prisons Becci also explores the difficulties faced by released people in keeping their religious life alive under the harsh conditions of social stigma in a highly secular outside society
