Religious Education And Religious Understanding An Introduction To The Philosophy Of Religious Education:

Religious Education and Religious Understanding Raymond Holley, 2016-09-13 This book first published in 1978 introduces readers to the topic of the philosophy of religious education in a way which demands little philosophical expertise on their part It puts forward a particular theory of religious education in such a way that most of the major questions are faced and sufficient answers given to enable readers to examine the theory critically and so further the development of philosophy and education

Spiritual and Religious Education Mal Leicester, Sohan Modgil, 2005-07-15 Volume V distinguishes religious and spiritual education and takes a multi faith approach to pedagogic curricular and resource issues The important area of collective worship is also addressed

Religious Education and Critical Realism Andrew Wright, 2015-11-19 Religious Education and Critical Realism Knowledge Reality and Religious Literacy seeks to bring the enterprise of religious education in schools colleges and universities into conversation with the philosophy of Critical Realism This book addresses the problem not of the substance of our primal beliefs about the ultimate nature of reality and our place in the ultimate order of things but of the process through which we might attend to questions of substance in more attentive reasonable responsible and intelligent ways This book unpacks the impact of modern and post modern thought on key topics whilst also generating a new critically realistic vision Offering an account of the relationship between Religious Education and Critical Realism this book is essential reading for students scholars and practitioners interested in philosophy theology and education

On Holy Ground: The Theory and Practice of Religious Education Liam Gearon, 2013-07-18 Religion has had notable and renewed prominence in contemporary public and political life Religious questions have also been freshly examined in philosophy and theology the natural sciences the social sciences psychology phenomenology politics and the arts These fields reflect complex multi disciplinary understandings of religion some hostile some accommodating For religious education this has all contributed to its own international renaissance Religious education in ensuring it is contemporary shares with these fields the same criticality the same distance between the study of religion and the religious life Yet what are the grounds of this modern religious education Through a systematic historical and contemporary cross disciplinary analysis answering this question is the ambitious task of the book Chapters include philosophy theology and religious education the natural sciences and religious education the social sciences and religious education psychology spirituality and religious education phenomenology and religious education the politics of religious education the aesthetics of religious education The central problem of all modern religious education remains this what are the grounds of religious education when religious education is no longer grounded in the religious life in the life of the holy Although this primarily appears to be an epistemological problem it soon becomes a moral and existential one The book will be of key interest to teachers theorists and researchers working in religious education

Religion, Education and Post-Modernity Andrew Wright, 2003-12-16 This book the first to explore religious education and post modernity in depth sets out to provide a much

needed examination of the problems and possibilities post modernity raises for religious education At once a general introduction to this topic and a distinctive contribution to the debate in its own right Religion Education and Post modernity explores and illuminates the problems and possibilities opened up for religious education by postmodern thought and culture The book describes the emergence of post modernity considers the impact of post modernity on religion addresses its impact on the philosophy of religion and considers the nature of religious education in the post modern world Andrew Wright argues that although post modernity has much to offer the religious educator there are also many pitfalls and dangers to be avoided Steering clear of the extreme of post modern hyper realism he constructs a religious pedagogy sensitive to post modern concerns for alterity difference and the voice of the Other whilst insisting on the importance of reasons in cultivating religious literacy

The Philosophy of Christian Religious Education Jeff Astley, 1994-01-01 **Teaching for Commitment** Elmer John Thiessen, 1993 Elmer Thiessen provides a comprehensive critical survey of the debate concerning indoctrination especially in the context of confessional religious education His central aim is to establish that indoctrination as a result of religious instruction is neither inevitable nor as probable as is often assumed by advocates of liberal education Thiessen recognizes that indoctrination can occur in Christian homes and schools He believes however that before the charge of indoctrination can be correctly evaluated we need to develop a more coherent concept of the term He provides a critical examination of the four criteria traditionally associated with indoctrination content method intention and consequences and of the institutional context of indoctrination
