Religious And Secular Conflict And Accommodation Between Jews In Israel

Christine Hayes

Religious And Secular Conflict And Accommodation Between Jews In Israel:

Religious and Secular Charles S. Liebman, 1990 Gift of Rabbi W Gunther Plaut **Conflict and Accommodation Between Jews in Israel** Charles S. Liebman, 1988-12-01 *The Cambridge Guide to Jewish History, Religion, and Culture* Judith R. Baskin, Kenneth Seeskin, 2010-07-12 This book provides a comprehensive and accessible overview of the Jewish experience from its ancient origins to its impact on contemporary popular culture **Religion and Politics in Europe, the Middle East and North Africa** Jeffrey Haynes, 2009-10-16 In the early twenty first century it is now clear that religion is increasingly influential in the political realm in ways which call into question the principles and practices of secularism The Iranian revolution of 1978-9 marked the decisive reappearance of political religion in global politics highlighting a major development which is the subject of this edited volume Addressing a highly salient and timely topic this book examines the consequences of political interactions involving the state and religious actors in Christian Muslim and Judaist contexts Building on research the basic premise of this text is that religious actors including Islamist groups the Roman Catholic and the Orthodox churches pose various challenges for citizenship democracy and secularisation in Europe the Middle East and North Africa MENA The key questions on which the book focuses are Why how and when do religious actors seek to influence political outcomes in these regions Providing a survey of what is happening in relation to the interaction of religion and politics both domestically and internationally this book will be of interest to students and scholars of politics religion European and Middle East studies **Between State and Synagogue** Guy Ben-Porat, 2013-03-25 A thriving yet small liberal component in Israeli society has frequently taken issue with the constraints imposed by religious orthodoxy largely with limited success However Guy Ben Porat suggests in recent years in part because of demographic changes and in part because of the influence of an increasingly consumer oriented society dramatic changes have occurred in secularization of significant parts of public and private lives Even though these fissures often have more to do with lifestyle choices and economics than with political or religious ideology the demands and choices of a secular public and a burgeoning religious presence in the government are becoming ever more difficult to reconcile The evidence which the author has accrued from numerous interviews and a detailed survey is nowhere more telling than in areas that demand religious sanction such as marriage burial the sale of pork and the operation of businesses on the Sabbath **The Religionization of Israeli Society** Yoav Peled, Horit Herman Peled, 2018-07-18 During Israel's military operation in Gaza in the summer of 2014 the commanding officer of the Givati infantry brigade Colonel Ofer Vinter called upon his troops to fight the terrorists who defame the God of Israel This unprecedented call for religious war by a senior IDF commander caused an uproar but it was just one symptom of a profound process of religionization or de secularization that Israeli society has been going through since the turn of the twenty first century This book analyzes and explains for the first time the reasons for the religionization of Israeli society a process known in Hebrew as hadata Jewish religion inseparable from Jewish nationality was embedded in

Zionism from its inception in the nineteenth century but was subdued to a certain extent in favor of the national aspect in the interest of building a modern nation state. Hadata has its origins in the 1967 war and has been accelerating since 2000 and is manifested in a number of key social fields: the military, the educational system, the media, mass communications, the teshuvah movement, the movement for Jewish renewal and religious feminism. A major chapter of the book is devoted to the religionization of the visual fine arts field, a topic that has been largely neglected by previous researchers. Through careful examination of religionization, this book sheds light on a major development in Israeli society which will additionally inform our understanding of the Israeli-Palestinian conflict. As such, it is a key resource for students and scholars of Israel Studies and those interested in the relations between religion, culture, politics, and nationalism, secularization, and new social movements.

Israeli Judaism M.J. Kister, Shlomo Deshen, 2018-01-16 This is an unusual and extremely timely collective effort. It appears at a moment in which Israelis not only must confront their Arab neighbors but must deal with one another as Jews possessing radically different views on the present and future of the Jewish tradition. With this seventh volume of the series, the Israeli Sociological Society has turned its attention to religion, an area that for many years has been of high importance but low profile in Israeli affairs and in the wider Middle Eastern context. Chapters and contributors include: Jewish Civilization Approaches to Problems of Israeli Society by Shmuel N. Eisenstadt; Life Tradition and Book Tradition in the Development of Ultraorthodox Judaism by Menachem Friedman; Religious Kibbutzim, Judaism and Modernization by Aryeh Fishman; The Religion of Elderly Oriental Jewish Women by Susan Sered; and Hanukkah and the Myth of the Maccabees in Ideology and in Society by Eliezer Don Yehiya. The increasing presence of religious activism in contemporary Israel, side by side with subtle changes in the religion of Israeli Sephardim, makes the topic of religion essential for an understanding of Israel and much of the Middle East. Generally, Israeli Judaism is a significant work and will be of interest to theologians, philosophers, sociologists, anthropologists, and political theorists.

Israeli Judaism Shlomo A. Denz, Charles Seymour Liebman, Moshe Shokeid, 1995-01-01 This is an unusual and extremely timely collective effort. It appears at a moment in which Israelis not only must confront their Arab neighbors but must deal with one another as Jews possessing radically different views on the present and future of the Jewish tradition. With this seventh volume of the series, the Israeli Sociological Society has turned its attention to religion, an area that for many years has been of high importance but low profile in Israeli affairs and in the wider Middle Eastern context. Chapters and contributors include: Jewish Civilization Approaches to Problems of Israeli Society by Shmuel N. Eisenstadt; Life Tradition and Book Tradition in the Development of Ultraorthodox Judaism by Menachem Friedman; Religious Kibbutzim, Judaism and Modernization by Aryeh Fishman; The Religion of Elderly Oriental Jewish Women by Susan Sered; and Hanukkah and the Myth of the Maccabees in Ideology and in Society by Eliezer Don Yehiya. The increasing presence of religious activism in contemporary Israel, side by side with subtle changes in the religion of Israeli Sephardim, makes the topic of religion essential for an understanding of Israel and much of the Middle East.

generally Israeli Judaism is a significant work and will be of interest to theologians philosophers sociologists anthropologists and political theorists *The Cambridge Companion to Judaism and Law* Christine Hayes,2017-02-17 The Cambridge Companion to Judaism and Law provides a conceptual and historical account of the Jewish understanding of law

Theocratic Democracy Nachman Ben-Yehuda,2010-11-29 The state of Israel was established in 1948 as a Jewish democracy without a legal separation between religion and the state An expert on the construction of social and moral problems Nachman Ben Yehuda examines more than 50 years of media reported unconventional and deviant behaviour by the Haredi community
